IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Reservation of appointments in Government Service for Scheduled Castes/Scheduled Tribes and other Backward Classes and List of other Backward Classes.

READ—

Government Order No. E 1696-1775—R & P.S 30-50-2, dated 26th May 1951, approving the list of Backward Classes for the Old Mysore State.

- Appointment in 1954 of the Backward Classes Commission by the President of India.
- Report of the Backward Classes Commission submitted to the President in 1955.
- Official Memorandum issued in 1956 by the Government of India in the Ministry of Home Affairs indicating the action taken thereon and the line of action to be taken by State Governments.
- Government Order No. GAD(OM) 46 GRR 57, dated the 4th February 1958, indicating the policy regarding reservation of appointments in Government Service in favour of Scheduled Castes and Scheduled Tribes as well as other Backward Classes.

ORDER No. GAD 26 ORR 59, DATED BANGALORE, THE 13TH MAY 1959
(VAISHAKHA-23, SAKA ERA 1881).

1. With the Reorganisation of States and the formation of the new State of Mysore, the question of evolving a uniform policy in regard to reservation of

appointments and posts in favour of Backward Classes of citizens who, in the opinion of the State, are not adequately represented in the Services under the State, has been under the active consideration of the Government. After careful consideration of all aspects of the question, the Government have come to the conclusion that the communities set down in the Annexure hereto are the other Backward Classes of citizens who, in the opinion of the State, are not adequately represented in the services of the State.

2. It is ordered that for direct recruitment to appointments and posts in the services of the State, reservation for Scheduled Castes and Scheduled Tribes be fixed at 15 per cent and 3 per cent respectively, and reservation for the other Backward Classes at 57 per cent. The rest of the appointments and posts shall be filled up on the basis of merit.

3. The proportions fixed in para 2 above shall also apply to posts to be filled by promotions by selection from non-Gazetted to Gazetted posts.

4. This order is in supersession of the Government Order No. GAD(OM) 46 GRR 57, dated the 4th February 1958.

By Order and in the name of the Governor of Mysore,

K. NARAYANASWAMY,

Secretary to Government,
Home Department,

FINANCE SECRETARIAT

Delegation of powers to Heads of Departments in the Mysore State in the matter of disposal of pending pension cases in respect of the employees of the Ex-Hyderabad Government who retired prior to 1st November 1956 from the Karnatak Area of the Ex-Hyderabad State.

READ—

Government Order No. FD 185 PEN 58, dated the 8th December 1958, regarding the disposal of pending pension cases in respect of the employees of the Ex-Hyderabad Government, who retired prior to 1st November 1956 from the Karnatak Area of the Ex-Hyderabad State or were on leave preparatory to retirement on or before that date.

ORDER NO. FD 185 PEN 58, DATED BANGALORE, THE 25TH MARCH 1959
(CHAITRA-4, SAKA ERA 1881).

The Government of Andhra Pradesh have reported that certain powers have been delegated by that Government to Heads of Departments under that Government in regard to the expeditious disposal of pending pension cases and desire that similar powers may be delegated to the Heads of Departments of the Mysore State. Government accordingly direct that the following powers be exercised by the Heads of Departments of Mysore State in connection with the disposal of pension cases only in respect of the employees of the Ex-Hyderabad State, who retired prior to 1st November 1956 or who were on leave preparatory to retirement on or before that date, which are being dealt with by the Government of Andhra Pradesh and the Accountant-General, Andhra Pradesh:—

I. *Condonation of deficiencies in qualifying service.*—Under the orders of Hyderabad Government, certain employees have been compulsorily retired after 25 and 30 years' qualifying service under the Old and Revised Pension Rules, with a view to create vacancies for absorption of retrenched personnel. In the application of these orders, instances have occurred where the Heads of Departments retired some employees rather hurriedly in the presumption that they had completed the required period of qualifying service. When the pension papers were referred to the Accountant-General, Andhra Pradesh, it was disclosed that in some cases the employees had not completed the required period of qualifying service, due to which their title to pension could not be verified, and so the pension cases have been held up. It has, therefore, been decided that in relaxation of the Hyderabad Finance Department Circular No. 58, dated 4th June 1954, deficiencies in service to the extent of 12 (twelve) months arising out of orders of compulsory retirement of Government servants be condoned by the authorities competent to sanction pension.

II. *Conversion of breaks in service into extraordinary leave.*—Some pension cases are pending disposal, because spells of unauthorised absence from duty of retired Government servants have not been regularised in any manner. It is, therefore, decided that the power of converting such unauthorised absence into extraordinary leave both in respect of inferior and superior Government servants, be delegated to the authorities competent to sanction extraordinary leave in terms of Rule 444 of the Hyderabad Civil Services Rules, Manual (8th Edition), Volume I.

III. *Condonation of delays in submission of Medical Certificates in cases of invalid pension.*—Under the rules, the medical certificate is required to be produced within one year of the application for invalid pensions, and condonation of delays beyond this limit requires sanction of Government. Some cases of pension are reported to be pending due to non-submission of medical certificates within the prescribed period. In such cases, it is decided that the Heads of Departments should condone delays in submission of medical certificates in all cases where they are satisfied that the delay was due to reasons beyond the control of the applicants. A certificate to this effect should invariably be left on record by the Heads of Departments when exercising this power, solely in the pending cases of pension.

IV. *Settlement of pension cases of Jagir employees whose service records are not available.*—In some pension cases of Jagir employees, the difficulty is that their service particulars are not available. It is, therefore, decided that such cases may be dealt with, in accordance with the procedure laid down in Rule 337 of the Hyderabad Civil Services Rules, Manual (8th Edition), Volume I, after the competent authority satisfies itself before issuing necessary orders. For this purpose, the Head of Department will be the competent authority for taking a decision so far as Gazetted Officers are concerned, while in respect of cases of non-gazetted staff, the competent authority will be the officer who is competent to fill up the appointment vacated by the retiring Government servant. Appeals against the orders of the Heads of Departments will lie to Government and appeals against the orders of the authority dealing with the non-gazetted cases will lie to the Head of the Department. The decision of the appellate authority in each case will be final.

V. *Adjustment of leave and pension contribution of Public Works Department employees.*—A number of pension cases of Public Works Department employees deputed to Projects or other works are pending settlement due to non-adjustment of leave and pension contribution during the periods of deputation. As no leave and pension contribution in such cases is recoverable from the employees, it has been decided that the total amount involved in the payment of leave and pension contribution of the employees should be debited to the Public Works Department. The Public Works Department will earmark a suitable provision for this purpose out of their budgeted allotment.

VI. *Non-settlement of leave allowance prior to retirement.*—Some service and compassionate pension cases are pending on account of non-settlement of leave allowances of the employees retired or deceased. Under the rules, no claims to pay and allowances, which are not preferred within six months after their becoming due, can be paid without an authority from the Accountant-General and claims of Government servants to arrears of pay or allowances which have been allowed to remain in abeyance for a period exceeding one year cannot be investigated by the Accountant-General except under special orders of Government. With a view to expedite the disposal of pending pension cases, it has been decided that in respect of claims which have remained in abeyance for more than one year, the powers at present vested in the Government be delegated to the concerned Heads of Departments, who will be competent to sanction the arrears claims of leave salaries, provided the leave allowances are strictly admissible under the rules.

By Order and in the name of the Governor of Mysore,

G. MATHIAS,

Secretary to Government,
Finance Department.

Issues directions to the Heads of Departments in regard to the classification of Cash Allowance under the head "Pay of Establishment" instead of under the head "Other Allowances."

OFFICIAL MEMORANDUM

No. FD 9 BUD 59, DATED BANGALORE, THE 20TH MAY 1959
(VAISHAKHA 30, SAKA ERA 1881).

It has been found from the details of Estimates furnished by certain Heads of Departments and Estimating Officers that the provision towards "Cash Allowance" has been included under the head "Other Allowances."

2. The "Cash Allowance" is treated as "Special Pay" under Rule 8(42) of the Mysore Civil Service Rules, 1958 and is therefore to be classified under the head "Pay of Establishment" in the accounts. The Heads of Departments, Estimating Officers and other Drawing Officers are therefore directed to see that the "Cash Allowance" is debited to the head "Pay of Establishment" while preparing the monthly pay bills, etc., even though provision therefor is included in the Appendix "B" Estimates for 1959-60 under the head "Other Allowances."

3. Action will have also to be taken to see that necessary sum to the extent of the provision, if any, included under the head "Other Allowances" may be proposed for being reappropriated to the head "Pay of Establishment" by forwarding proposals for reappropriations in the prescribed form for obtaining sanction of Government.

4. If the proposed reappropriations are within the powers of the Heads of Departments themselves, they may be sanctioned and copies of the orders of reappropriation along with the statement may be forwarded to the Accountant-General and copies endorsed to Government in the Administrative Department as well as the Finance Department (Budget), for information.

5. If there are no such cases in any Department, the same may be reported to Government in the Finance Department (Budget), for information.

Special Casual Leave to Government Servants who undergo treatment for family planning.

ORDER No. FD 131 SRS 59, DATED BANGALORE, THE 26TH MAY 1959
(JYEISHTA 5, SAKA ERA 1881).

Government are pleased to make the following amendments to the Casual Leave Rules issued in Government Notification No. FD 163 SRS 58, dated 5th December 1958.

Add the following as Rule 11, under the caption "Casual Leave to Government Servants who undergo treatment for family planning":

"11. Special Casual leave not exceeding seven days may be allowed to married Government servants of both sexes in any one calendar year who undergo Vasectomy or Tubeligation operation on the strength of the medical certificate granted by the Medical Officer performing such operation.

This Special Casual Leave may be sanctioned by the head of the office to all officers subordinate to him. In respect of Heads of Offices, casual leave should be sanctioned by the next higher authorities."

Fixation of Maximum of Mileage for journeys by air.

ORDER No. FD 122 SRS 59, DATED BANGALORE, THE 26TH MAY 1959
(JYEISHTA 5, SAKA ERA 1881).

The Government of Mysore hereby makes the following amendment to Rule 4 (iv) (a) Air Journeys contained in the Annexure to the Mysore Civil Services Rules, 1958, (page 337), namely:—

For Rule 4 (iv) (a), the following shall be substituted, namely,—

"(a) A mileage allowance equal to one and one-fifth air fare for each of the to and fro journeys, subject to the incidental fare (one-fifth air fare) being subject to a maximum of Rs. 30 (Rupees thirty only) in respect of each single journey."

3. Letter No. 369 (P) 334-58, dated 8th December 1958 from the State Port Officer, Mangalore.

ORDER No. PWD 17 PTS 58, DATED BANGALORE, THE 22ND—28TH APRIL 1959.
(VAISHAKHA 2—8, SAKA ERA 1881).

In the Government order dated 13th November 1958, the State Port Officer was authorised to undertake private survey of vessels and cargo and examination of sailing vessels out of office hours. Payment of a fee of Rs. 48 in respect of survey of vessels and cargo and Rs. 16 in respect of examination of sailing vessels. The State Port Officer has now recommended that the rate of fees in respect of survey of vessels and cargo be fixed at Rs. 75 and that in respect of examination of vessels at Rs. 24 and that, on the analogy of the practice obtaining in ports in other States, double fee be levied for survey work done on Sundays and holidays. The State Port Officer has further recommended the levy of lumpsum contribution of Rs. 50 towards T. A. charges of the State Port Officer from private parties desirous of utilising his services for draft survey at out-ports away from headquarters. The above proposals of the State Port Officer are approved. The State Port Officer will however credit one-third of the fee in excess of Rs. 250 in a year to the consolidated fund of the State as per sub-clause (4) of Rule 29(a) of the Mysore Civil Services Rules, 1958.

Directs that the "ಲೋಕೋಪಯೋಗಿ" be adopted instead of "ಮರಾಮತ" as the Vernacular equivalent for the term "Public Works" in the Public Works Department.

ORDER No. PWD 2 AGL 59, DATED BANGALORE, THE 4—7TH MAY 1959
(VAISHAKHA 14—17, SAKA ERA 1881).

In the Public Works Department, the term "ಮರಾಮತ" has been in use for a long time to signify the Kannada equivalent of the term "Public Works". This term really refers to "Repairs" and not to other works executed by the Public Works Department. Since the scope of works in Public Works Department has vastly changed and comprises not merely works of repairs but a large number of original works, it is felt that a more comprehensive term would have to be employed.

2. Government therefore direct that the term "ಮರಾಮತ" should be substituted by the term "ಲೋಕೋಪಯೋಗಿ" as the Kannada equivalent for "Public Works" and consequently, the department will be designated "ಲೋಕೋಪಯೋಗಿ ಇಲಾಖೆ" or "ಲೋಕೋಪಯೋಗಿ ಶಾಖೆ."

1. Official Memorandum No. HB 3506-595/Mily. 25-50-5, dated the 21st June 1951, issuing instructions in respect of pay and allowances, etc., of Government servants joining the Territorial Army.
2. Government Circular No. 6178-262/Mily. 57-51-4, dated the 18th October 1951, issuing further instructions in respect of pay and allowances, etc., of Government servants joining the Territorial Army.
3. Official Memorandum No. HB 4020-70/Mily. 16-53-2, dated the 4th August 1953, issuing certain modifications to the circular instructions referred to above.

OFFICIAL MEMORANDUM

No. HD 8 (MTA) 58, DATED BANGALORE, THE 22ND MAY 1959
(JYEISHTA 1, SAKA ERA 1881).

According to the instructions issued in the order cited above, Government servants, who are enrolled in the Territorial Army, will receive, during the period of training, the Military pay and allowances in addition to their Civil emoluments. The period of training, which was limited to a maximum of three months, has now been extended beyond three months and the period spent as such will be treated as on duty. As there were certain points which required to be clarified a reference was made to the Government of India, Ministry of Home Affairs, New Delhi, and in the light of the suggestions received from them; the following instructions are issued regarding the pay and allowances of Government servants who are enrolled in the Territorial Army:—

(a) The Travelling Allowance of Government servants enrolled in the Territorial Army, for their journey to the place of military training and back, is borne by the Defence Service Estimates.

(b) Both recruit and annual training of Government servants enrolled in the Territorial Army is carried outside office hours and on holidays. The recruit training is for 32 days and annual training consists of 30 to 60 days duration. Included in the annual training is the period of camp training for 4 to 14 days during which period alone Government servants do not attend their offices and except for the short period of camp training, Government servants receive their military training outside their normal office hours during periods they are on official duty. Accordingly, they are paid both the Military and Civil emoluments.

(c) During the period spent by Government servants in undergoing the "Course of Instruction", which in some cases may be less or more than three months, they will be "embodied" in the Army and paid only their military pay and allowances. Where, however, their military emoluments are less than their Civil emoluments, the difference is paid to them from the Civil Service Estimates by the Civil Departments.

3. Letter No. D.M.G. 234, dated 5th August 1958, from the Accountant General, Mysore, Bangalore.
4. Letter No. 2868, dated 18th September 1958, from the Organising Secretary, the Indian Red Cross Society (Mysore State Branch), Bangalore.
5. Letter No. D.M.G. 399, dated 12th November 1958, from the Accountant General, Mysore, Bangalore.

At present the transactions relating to Red Cross Society's Fund appear in all the Treasuries in the erstwhile Mysore State. The Secretary of the Society who is the administrator of the fund neither furnishes any account to the Audit Office nor any reconciliation of the balances with those of Audit Office is being done. The payments are, however, made by the Accountant General on requisitions received from the Secretary of the Society. Since the pre-audit of bills has been abolished there is no need for the Accountant General to authorise payments from the Fund and the proposal is to authorise the Secretary of the Society to credit the receipts realised in his favour and sent to him by means of Remittance, Transfer Receipts and Bank drafts to his Bank account with the Bank of Mysore Limited and the Head of account in the Treasury 'Contribution to Indian Red Cross Society' closed.

ORDER No. FD 5 RPD 59, DATED BANGALORE, THE 25TH MAY 1959
(JYEISHTA 4, SAKA ERA 1881)

The receipts realised in favour of the Indian Red Cross Society (Mysore State Branch) at Treasuries should be sent to the Honorary Treasurer of the Society by means of Remittance, Transfer Receipts and Bank drafts which the Honorary Treasurer will credit to his Bank account with the Bank of Mysore Limited.

The head of account in the Treasury 'Accounts Contribution to Indian Red Cross Society' is closed with effect from 1st June 1959, and the amounts if any standing at the credit of the society at the various Treasuries may be sent to the Honorary Treasurer, Indian Red Cross Society, by means of Remittance, Transfer Receipts or Bank drafts.

Permission to Non-Graduate Gramasevaks to re-exercise their option to the revised scales of pay.

REFERENCE—

1. Government Order No. 12329/B/Bud: 1190-56-213, dated 17th May 1957.
2. Government Order No. P & D 634-ESB/58, dated 10th January 1959.
3. In Government Order, dated 17th May 1957, sanctioning the revised scales of pay and allowances of the Department of C.D. and N.E.S., the pay scale of non-graduate Gramasevaks was revised from Rs. 45-5-100-10-150 to 50-3-80-4-120-5-150 and some of the Gramasevaks opted out to the old scale. This grade of Rs. 50-3-80-4-120-5-150 was further revised to Rs. 50-5-100-10-150 in G.O. No. P & D 634-ESB/58, dated 10th January 1959. Representations have therefore been received from Gramasevaks for allowing them to re-exercise their option as the existing grade of Rs. 50-5-100-10-150 is more beneficial to them.

ORDER No. P & D 79 EST 59, DATED BANGALORE, THE 13TH MAY 1959
(VAISHAKHA 23, SAKA ERA 1881).

All the Gramasevaks who have already opted to the scale of pay which existed before general revision of scales and have been affected by the G.O. No. P & D 634 ESB 58, dated 10th January 1959, are permitted to re-exercise their option in

favour of new scales of pay sanctioned in G.O., dated 10th January, 1959, referred to above, subject to the following conditions:—

1. The option should be exercised within 2 months from the date of this Government Order.
2. The option to be exercised by the Gramasevaks for the new scales shall be deemed to be final and not open to revocation.

Reconstitution of District Development Boards in Belgaum Division.

READ—

Government Order No. PD 47 SFY 57, dated the 12th August 1957 containing the decision of the Government to form the State Development Council and District and Taluk Development Boards on a uniform pattern.

ORDER No. P & D 19 PDC 59, DATED BANGALORE, THE 27TH MAY 1959.
(JYEISHTA 6, SAKA ERA 1881).

After the Reorganisation of the State, the District Development Boards existing in the Belgaum Division on 1st November 1956, were continued pending reconstitution of District Development Boards on a uniform pattern throughout the State. Government is pleased to direct that the existing District Development Boards in the Belgaum Division should be dissolved and that New District Development Boards be constituted as shown below with effect from 1st June 1959 for a period of one year or till the District Development Councils are constituted under the proposed "The Mysore Village Panchayats and Local Boards Bill" whichever is earlier.

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Reservation of appointments in Government Service for Scheduled Castes/Scheduled Tribes and other Backward Classes and List of other Backward Classes.

READ—

- Government Order No. E 1696-1775-R & P.S. 30-50-2, dated 26th May 1951, approving the list of Backward Classes for the Old Mysore State.
- Appointment in 1954 of the Backward Classes Commission by the President of India.
- Report of the Backward Classes Commission submitted to the President in 1955.
- Official Memorandum issued in 1956 by the Government of India in the Ministry of Home Affairs indicating the action taken thereon and the line of action to be taken by State Governments.
- Government Order No. GAD (OM) 46 GRR 57, dated the 4th February 1958, indicating the policy regarding reservation of appointments in Government service in favour of Scheduled Castes and Scheduled Tribes as well as other Backward Classes.

ORDER No. GAD 26 ORR 59, DATED BANGALORE, THE 13TH MAY 1959
(VAISHAKHA 23, SAKA ERA 1881).

- With the Reorganisation of States and the formation of the new State of Mysore, the question of evolving a uniform policy in regard to reservation of

appointments and posts in favour of Backward Classes of citizens who, in the opinion of the State, are not adequately represented in the services under the State, has been under the active consideration of the Government. After careful consideration of all aspects of the question, the Government have come to the conclusion that the communities set down in the Annexure hereto are the other Backward Classes of citizens who, in the opinion of the State, are not adequately represented in the services of the State.

2. It is ordered that for direct recruitment to appointments and posts in the services of the State, reservation for Scheduled Castes and Scheduled Tribes be fixed at 15 per cent and 3 per cent respectively, and reservation for the other Backward Classes at 57 per cent. The rest of the appointments and posts shall be filled up on the basis of merit.

3. The proportions fixed in para 2 above shall also apply to posts to be filled by promotions by selection from non-Gazetted to Gazetted posts.

4. This order is in supersession of the Government Order No. GAD(OM) 46 GRR 57, dated the 4th February 1958.

By Order and in the name of the Governor of Mysore,

K. NARAYANASWAMY,

Secretary to Government,
Home Department.

FINANCE SECRETARIAT

List of Officers of the Department of Technical Education authorised to draw bills from Treasuries.

READ—

1. Government Order No. FD 1 SCR 59, dated the 6th January 1959.
2. Letter No. Bud 452, dated the 8th April 1959 from the Joint Director of Technical Education, Bangalore, addressed to the Secretary to Government, Education Department, Bangalore.

ORDER No. FD 1 SCR 59, DATED BANGALORE, THE 26TH MAY 1959.

According to the Government order dated 6th January 1959 quoted the Heads of the Institutions (except the Superintendents of Technical Schools) under the Joint Director of Technical Education have been authorised to draw funds on A. C. Bills for payment of contingent charges (including supplies and services) and to render N. D. C. bills once every month duly countersigned by the Joint Director. The Joint Director has now stated that this system of drawing funds on A. C. Bills is not working satisfactorily with the result that the Bills are accumulating in the Controlling Office on account of several irregularities. Consequently, there is an undue increase in the correspondence round. He therefore has suggested that the drawing of funds on A. C. Bills be restricted to the cases of extreme urgency and that in other cases, funds should be drawn only on countersigned D. C. Bills. In view of what is stated by the Joint Director of Technical Education, Government is pleased to direct that the Officers mentioned in para III (2) (regarding Contingent Bills) of Government Order No. FD. 1 SCR 59, dated 6th January 1959 should draw funds required for payment of contingent charges (including supplies and services) on contingent bills duly countersigned by the Joint Director of Technical Education before encashment. Government is further pleased to direct that in cases of extreme urgency, however, funds may be drawn on A. C. Bills (the same to be immediately reported to the Joint Director) and the Officers concerned to render N.D.C. Bills promptly every month before the due date to the Joint Director of Technical Education.

putting of amounts collected on account of private Telephone Calls in Travellers Bungalows.

ORDER No. FD 99 ACP 58, DATED BANGALORE, THE 5TH JUNE 1959
(JYEISHTA 15, SAKA ERA 1881).

It has been brought to notice of Government that the Collections realised on the private calls put through on the telephones in the Travellers Bungalows, Inspection Lodges and Rest Houses of the Public Works Department are credited to the maintenance estimates of the buildings in some divisions and the revenue head of the Department in some other divisions of the Public Works Department. With a view to having a common practice, a system of putting in this behalf has to be enunciated. The installation of Telephones in Travellers Bungalows, Inspection Bungalows and Rest Houses is to be deemed ordinary facility provided to the occupants. It is therefore appropriate that cost of the calls made is treated as Expenditure and the receipts therefore as Revenue of the Department.

2. Government direct that hereafter the charges on account of calls put through on the telephones in the Travellers Bungalows and Rest Houses of the Public Works Department shall be charged to the maintenance estimate of the building and the receipts realised on the private calls put through credited to the revenue of the Department.

3. The Officer in charge of the building should maintain in a separate register a complete record of the names and addresses of the persons putting through the calls, the number called and the amounts collected therefor and also furnish these details to the Divisional Officer to enable him to account for the amounts collected and the charges payable in respect of the calls.

By Order and in the name of the Governor of Mysore,

PLANNING AND DEVELOPMENT SECRETARIAT

Reviews the Administration Report on the working of the Children Acts, Habitual Offenders Restriction Act and Probation of Offenders Act for the year 1957-58.

READ—

Letter No. ADM. SR. 1/44, dated 7th October 1958, from the Chief Inspector of Certified Schools, Bangalore, forwarding the annual administration report for the year 1957-58.

ORDER No. PD 144 DCS 58, DATED BANGALORE, THE 28TH NOVEMBER 1958
(AGRAHAYANA 7, SAKA ERA 1880).

Recorded.

2. *Administration.*—Shri K. R. Marudevagowda, I.A.S., was the Chief Inspector of Certified Schools from 5th April 1957 to 31st March 1958.

The work, under the Children Acts and Probation of Offenders Acts (from 5th April 1957) and Habitual Offenders Restriction Act (from 1st November 1957) was transferred from the Control of the Inspector General of Prisons to the control of the Director of Social Welfare, during the year under report. For administering these Acts, the Director of Social Welfare has also been designated as the Chief Inspector of Certified Schools and Reclamation Officer.

3. *Work under the Children Acts.*—The provisions of the Bombay Children Act, 1948 were in force in the four districts of Belgaum, Bijapur, Dharwar and North Kanara during the year under report. The Madras Children Act, 1920, was in force in the districts of Bellary and South Kanara and in Kollegal taluk of Mysore District. The Mysore Children Act, 1943, was not in force during the year under report. It has since been brought in force in the Mysore area from 1st May 1958. There was no Children Act in force in the Coorg District.

4. *Certified Schools.*—There were two certified schools in existence at the beginning of the year, one at Hubli and the other at Bellary. In addition to these, Government have opened two more certified schools, one at Khanapur (in Belgaum District) and the other at Bangalore, during the year under report.

5. *Remand Homes.*—There are eight Remand Homes (all in the Bombay area) of the State. Government have opened three more Remand Homes at Bangalore, Mangalore and Bellary during this year. The Remand Homes at Bangalore, Mangalore and Bellary are run by the Government, while the Remand Homes in the Bombay area are run by the respective District Probation and after-care Associations. Government gives substantial grant-in-aid to these associations. Government has sanctioned a grant-in-aid of Rs. 6,000 and a loan Rs. 5,000 to the District Association at Karwar to enable the association to purchase a permanent building to house the Remand Home at Karwar.

6. *Juvenile Courts.*—Seven Juvenile courts established under the Bombay Children Act in the four districts of Belgaum, Bijapur, Dharwar and North Kanara have been working satisfactorily.

In addition to the Certified Schools, and Remand homes, there are a number of private institutions recognised by Government on 'Fit Person' basis. To these institutions also Children are committed by the Juvenile Courts.

7. *Work under the Probation of Offenders Act.*—There are two after-care Hostels established under the Bombay Probation of Offenders Act, at Belgaum and Bijapur. Government have opened one more After-care Hostel at Hubli during the year under report.

8. *Work under the Habitual Offenders Restriction Act.*—The Bombay Habitual Offenders Restriction Act is in force in the four districts of the Bombay area. Out of the two Industrial and Agricultural Settlements, established under this Act, at Bijapur and Khanapur (in Belgaum District), the settlement at Khanapur had to be closed due to sudden decrease in strength. The inmates of this institution have been transferred to the settlement at Bijapur and the buildings at Khanapur are utilised for the Certified School at Khanapur.

9. *Work under the Social and Moral Hygiene Programme.*—The Chief Inspector of Certified Schools has also been entrusted with the implementation of the welfare schemes under the Social and Moral Hygiene Programme. Under this scheme, Government has sanctioned the establishment of One Rescue Home at Bellary and five Vigilance Shelters at Bangalore, Mangalore, Mysore, Hubli and Bijapur during the II Plan period.

10. *Conclusion.*—The activities of the Department during the year under report were mainly confined to the Bombay and Madras (Bellary and South Kanara Districts) areas of State, where the provisions of the different Social Welfare Acts are in force. In the other areas of the State, as the provisions of the Acts were not in force, no appreciable progress could be achieved. However, steps are being taken to frame Uniform Laws, applicable to all the areas of the State. The Department has made appreciable progress during the year under report and the working of the department in general, was satisfactory. There is vast scope of expanding the activities of the Department. With the framing of uniform laws and with the application of the two Central Acts—Suppression of Immoral Traffic in Women and Girls Act, 1953, and the Probation of Offenders Act, 1953 to this State; it is hoped to achieve considerable progress during the coming years in the sphere of welfare of men, women and children.

By Order and in the name of the Governor of Mysore.

*Deputy Secretary to Government,
Planning and Development Department.*

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Issues instructions regarding Transfers of Class IV Officials

CIRCULAR

No. GAD (S. 1) 88 SRR 59, DATED BANGALORE, THE 6TH JUNE 1959
(JYEISHTA 15, SAKA ERA 1881)

Government Order No. GAD 8 CAR 58, dated 16th February 1959, contains orders in regard to the postings of Class II and III Officers. Request from the Last Grade Officials Associations are, however, being received by Government to the effect that Class IV servants should not be transferred from place to place as frequent transfers entail heavy expenditure which they cannot afford to incur having regard to their low pay scales and poor means at their disposal. As Class IV

servants do not form a district or division-wise cadre it is directed that, as far as possible, they should not be transferred outside the District. It is, however, made clear that Government retain the right to transfer the employees outside the district when necessary in the public interest.

Accords sanction to the Middle Income Group Housing Scheme.

READ—

Letter No. H. II—28(5)/57, dated the 18th June 1958, from the Government of India on the above subject.

2. Letter No. Cl. PR. 54-C. 916/58-9, dated the 19th April 1959, from the Chairman, Mysore Housing Board, Bangalore, on the subject.

ORDER No. LLH 86 HOS 58, DATED BANGALORE, THE 30TH MAY 1959
(JYEISHTA 9, SAKA ERA 1881).

The Government of India, Ministry of Works, Housing and Supply, have formulated and suggested to the State Government for adoption, a Housing Scheme for the people of middle income groups, with a view to supplementing their Low Income Group Housing Scheme in furtherance of their policy to provide cheap credit facilities to as large a number of people as possible to enable them to build and own their houses. While the Low Income Group Housing Scheme afforded facilities for the grant of loans to persons whose income does not exceed Rs. 6,000 per annum, the Middle Income Group Housing Scheme is intended to assist those whose income exceeds Rs. 6,000 per annum, but does not exceed Rs. 12,000 per annum. The broad features of the scheme which is intended to be run generally on the Low Income Group Housing Scheme are explained below.

2. The State Government have accepted to implement the scheme and the Life Insurance Corporation of India has given a loan of Rs. 25,00,000 to the State Government with interest at 5 per cent per annum repayable in 20 (twenty) annual instalments. The scheme is proposed to be entrusted to the Mysore Housing Board for its implementation. The loan received from the Life Insurance Corporation of India has been credited under "N. Public Debt—4. Other Loans" and the State Government will arrange for the repayment of the loan directly in instalments to the Life Insurance Corporation of India as per terms prescribed by them.

3. The Government are pleased to sanction a loan of Rs. 25,00,000 (Rupees twenty-five lakhs only) to the Mysore Housing Board for implementing the scheme in the manner indicated below, and orders sanctioning an advance of Rs. 25,00,000 from the Contingency Fund to meet the above expenditure are being issued separately:

- (a) The loans are to be sanctioned as per rules appended to this Order.
- (b) The Chairman, Mysore Housing Board, is requested to take immediate action to give publicity to the scheme and call for necessary proposals from the concerned agencies regarding their requirements.
- (c) The Chairman, Mysore Housing Board, will have to draw the amounts required from time to time for implementing the scheme on Payee's Receipts, which have to be countersigned by the Secretary to Government, Local Self-Government and Public Health Department, who is the Chief Controlling Authority for the transactions under the head "Loans to Mysore Housing Board under the Middle Income Group Housing Scheme" to be newly opened under the head "P. Loans and Advances by State Government—Miscellaneous Loans and Advances, e. Other Loans."
- (d) The terms and conditions of the loan drawn by the Mysore Housing Board will be the same as those prescribed for the loan allowed by the Life Insurance Corporation of India to the State Government.
- (e) As the interest is leviable on the amounts drawn by the Chairman, Mysore Housing Board, from the dates they are drawn from the Treasury, the Chairman will draw only the minimum sums that are actually required from time to time.
- (f) The instalments paid by the Mysore Housing Board towards the above loan should be credited to the head "P. Loans and Advances—Loans to Mysore Housing Board under the Middle Income Group Housing Scheme" (in the case of principal) and to the head "XX Interest—a. Interest on Loans and Advances by State Government—A. Loans to Local Funds, Private Parties, etc.,—(ix) Miscellaneous Loans and Advances 3 Loans to Mysore Housing Board and Other Housing Schemes (to be newly opened)" in the case of interest.

(g) It is the responsibility of the Housing Board to see that the recoveries from the loanes, either individuals or co-operative institutions, are made promptly. Payments to Government should not be linked up with recoveries effected by the Board from individuals.

(h) The Chairman, Mysore Housing Board, will also execute necessary bonds in favour of Government for the loans that he intends to draw from time to time.

4. The Mysore Housing Board will grant loans either directly or through other agencies that may be fixed by the Board or their co-operatives for building of houses as per terms and conditions prescribed in the rules appended to this order. The rate of interest recovered from the individual loanes will be uniformly $5\frac{1}{2}$ (five and a half) per cent per annum whether it is granted directly by the Housing Board or through the Co-operative Housing Societies and Local Bodies. But the rate of interest chargeable on the loans sanctioned by the Board to Co-operative Housing Societies and Local Bodies will be $5\frac{1}{4}$ per cent per annum, and the difference of $\frac{1}{4}$ per cent between the rate chargeable to individual loanes and the rate charged by the Board is intended to meet the administrative charges, etc., of the Societies or Local Bodies.

By Order and in the name of the Governor of Mysore,

K. KHADER MOHIEDDIN,

*Under-Secretary to Government,
Local Self-Government and
Public Health Department.*

APPENDIX

Rules for the implementation of the Middle Income Group Housing Scheme in the State.

1. *Introduction.*—The Mysore Housing Board shall be responsible for the implementation of the scheme in the erstwhile Mysore area. The Special Officer for Housing in Integrated areas shall be responsible for the implementation of the scheme in the integrated area for the time being, until the Housing Board Act is introduced to integrated areas.

2. The following are the (authorised) agencies and authorities for implementation of the scheme in the State:—

- (i) The Housing Board;
- (ii) The Housing Co-operatives;
- (iii) Local Bodies and Public Institutions;
- (iv) The Special Officer for Housing in the Integrated areas.

The Housing Board and the Special Officer may also undertake construction of houses on behalf of (ii and iii) in the erstwhile Mysore area and the Integrated areas respectively.

3. *Eligibility of assistance.*—The loan assistance under the Scheme is admissible to individuals whose annual income exceeds Rs. 6,000 but does not exceed Rs. 12,000 from all sources. The applicant should not already own a house anywhere in the country either in his own name or in the name of his wife/minor children.

He should satisfy the authority in regard to his absolute title to the site. The Housing Board shall have discretion in exceptional cases to relax this provision where they are satisfied that the house proposed to be built under this scheme is required for the *bona fide* residence of the applicant and that it will be impossible for the applicant to reside in his existing house for reasons other than its having been let out on rent, or being situated at a place other than the place of his work or business;

The applicant should be in a position to invest at least 20 per cent of the estimated cost of the house inclusive of the developed land on which it is to be built from his own resources, and to furnish such additional security as the Housing Board/Special Officer may demand for the repayment of the loan. The authority may reject any application without assigning any reason.

4. *Loan assistance admissible.*—The amount of loan admissible for a house shall be determined on the following basis :—

(a) Eighty per cent of the estimated cost of construction (exclusive of land) subject to a maximum of Rs. 16,000 plus

(b) Eighty per cent of the cost of development of land subject to the conditions that :—

(i) the total of (a) and (b) shall not exceed Rs. 20,000; and that

(ii) the total cost of construction (exclusive of land) of any house proposed to be built under the scheme does not normally exceed Rs. 25,000; and that

(iii) no assistance for loan under sub-para (b) above shall be admissible to those who already possess a developed plot of land on which they propose to build the house;

(iv) The maximum loan for possessing the land as specified in para (4) (b) above shall be Rs. 4,000 in each case and shall be payable directly to the applicant by the agencies specified for implementing the scheme. Before advancing the loan such agency shall satisfy itself about the applicant's title to the land in question. The applicant should execute a regular mortgage bond for the total amount to be advanced, mortgaging the land and the house to be constructed thereon in favour of the sanctioning authority with additional securities which may be demanded from him, and the bond should contain all the terms and conditions to be specified by the sanctioning authority inclusive of those relating to repayment of loan and interest and other charges.

5. *Procedure of disbursement for constructions.*—The loans shall be disbursed to the loanees in suitable instalments according to the progress of construction :—

(i) Twenty per cent when the loanee is possessed of the land;

(ii) Forty per cent when the construction reaches plinth level;

(iii) Twenty-five per cent when the construction reaches roof level;

(iv) Ten per cent when the roofing is completed;

(v) Five per cent after completion.

6. *Repayment of loan.*—The loans are repayable within a period not exceeding 20 years. The first instalment of loan will fall due by the loanee 18 months after the disbursement of the first instalment

244
28

of the loan to the individual/Co-operative/Local Body/or Public Institution concerned. It will however be open to the loanees to repay the loan in a shorter period if they so desire. Before disbursement of the last instalment of loan to the party building the house, the Housing Board/Special Officer should be satisfied that the development of site including provision of water supply sewerage, laying of roads, etc., has been completed in accordance with the standards normally prevailing at the station at which the house is built.

7. *Rate of Interest.*—The rate of interest payable by the State Government to the Life Insurance Corporation which provides funds for the implementation of the scheme is 5 per cent. The rate of interest recoverable from the loanees is 5½ per cent uniformly.

8. *Insurance of buildings.*—The loanees should agree that the houses built under the scheme are insured against fire, etc., with one of the subsidiaries of the Life Insurance Corporation or so long as the loan has not been repaid in full.

9. *Co-operatives.*—Cash loans to eligible individuals will be granted under the scheme subject to the availability of funds and after proper scrutiny, by the Housing Board/Special Officer and also the Housing Co-operatives.

(i) Security for the loan shall be the existing and future assets of the Co-operative institution concerned and will also be subject to the same conditions as other loans granted by Government. A mortgage bond shall be taken from the aforesaid Co-operative institutions incorporating the conditions of the scheme prescribed by the Government of India.

(ii) Plans and Estimates for houses for which loans are to be sanctioned shall be subject to approval by the Chairman, Mysore Housing Board/Special Officer.

(iii) The Co-operative institution should limit the funds actually allotted to it; and should also furnish to the Housing Board/State Government such returns, reports and accounts, as may be called for from time to time in respect of the scheme.

The Chairman, Mysore Housing Board/Special Officer and their representatives shall have full rights of access to the works, records and transactions of the Co-operatives in so far as the loans under this scheme are concerned.

If the borrower in the Co-operative sector repays the amount before the expiry of the term the amount so paid shall be reimbursed to the Mysore Housing Board/Special Officer immediately on receipt. A scrutiny fee of Rs. 10 shall be paid to the Mysore Housing Board/Special Officer on every application of loan under the scheme.

10. *Loans to Local Bodies.*—Loans under similar terms and conditions will also be given to the local bodies subject to the condition that not more than 25 per cent of the number of houses constructed under the scheme will be allocated to eligible individuals in their employ.

11. *Loans to Public Institutions.*—Loans under similar conditions will also be admissible to:—

(i) Public Institutions run on a no profit no loss basis.

(ii) Non-governmental but recognised Health Institutions and Hospitals, Educational and Charitable Institutions, for allocation to their eligible employees.

12. *Housing Board Agency.*—The Housing Board in the erstwhile Mysore area and the Special Officer in the integrated areas shall be competent to take up construction of houses under the scheme out of the allotment made to the Housing Board/Special Officer and also dispose them of on hire-purchase or outright sale on the following conditions:

(a) The intending purchaser of the house on hire-purchase system or otherwise shall be required to pay 20 per cent of the cost in advance; and when the cost exceeds the maximum limit of loans admissible under the scheme, all sums in excess of that limit.

(b) To pay the interest at 5½ per cent on the cost of the house.

(c) To pay 3 per cent of the actual cost of the building to cover the supervision charges.

(d) The applicant should not only offer the house built as security but also provide such additional security as the Board/Special Officer may require in cases where mortgages are taken.

The Chairman, Mysore Housing Board/Special Officer may also undertake construction of houses on behalf of—

Local Bodies;

Co-operatives;

Public Institutions and Individuals:

Provided, that the latter agree to the payment of 3 per cent of the cost of the building to the Mysore Housing Board/Special Officer towards E. T. and P. charges.

13. *Miscellaneous.*—The loans in all these cases shall be repaid in equated annual or monthly instalments spread over a period not exceeding 20 years, as may be decided by the authorities concerned.

The floor area of the house proposed to be built shall not be less than 700 sq. ft. The specifications, designs, estimates and layouts shall be scrutinised and approved by the Housing Board before sanctioning loans to eligible applicants. A scrutiny fee of Rs. 10 shall be payable to the Housing Board in all such cases.

HOME SECRETARIAT

Sanctions the reorganisation of the K.G.F. District Police Force.

READ—

Letter No. HD 54 EST 57, dated the 22nd April 1957, from the Secretary to Government, Home Department, to the Inspector General of Police in Mysore, calling for proposals for Reorganising the Police Department with a view to securing all possible economy in expenditure.

2. Letter No. 160/RA/1957 (K.G.F.), dated 30th August 1958, from the Inspector-General of Police, Mysore State, forwarding proposals of the Reorganisation for the Police set-up in K.G.F. Police District.

ORDER No. HD 224 EHT 58, DATED BANGALORE,
THE 9TH JUNE 1959 (JYEISHTA 19, SAKA ERA 1881).

The Inspector General of Police in Mysore, has sent up proposals for the Reorganisation of the Police Force in the K.G.F. Police District in pursuance of instructions issued by Government.

In these proposals, the Inspector General of Police has adopted a definite basis keeping in view the local, economic and geographical conditions of the area, the incidence of crime, political activities and other special problems relating to labour, law and order, etc., of the area.

The existing and the proposed set-up of the Police Force are set out in Appendices "A" and "B".

The salient features of the proposals are:—

1 Creation of a Special Sub-Division with Headquarters at K.G.F. and distribution of jurisdiction as in Appendix "C". The Special Superintendent of Police will continue to be in direct charge of District Special Branch, District Intelligence Bureau, Prohibition Intelligence Branch, District Armed Reserve and Special Detective Department.

2 Creation of the post of Deputy Superintendent of Police on a permanent basis which at present is sanctioned purely for prohibition work. The Deputy Superintendent of Police will also function as Personal Assistant to the Special Superintendent of Police, K.G.F.

3 Formation of the District into 2 Circles and naming them as Champion Reefs Circles and Robertsonpet Circle; as against the existing 3 Circles, and re-distribution of the jurisdiction among the two Circles.

4 Creation of a new Police Station at Andersonpet.

5 Transfer of—

(a) Nilgiripalli Out-Post from the jurisdiction of Bethamangala Police Station to the proposed Andersonpet Police Station;

(b) the Balaghat Out-Post to the Oorgaum Police Station jurisdiction.

6 Abolition of the post of Police Inspector sanctioned for Bangarpet.

7 Abolition of Out-Posts at Andersonpet, Budikote, Sundarapalya, Balamande, Sakkanahalli and Oorgaum Village.

15 Continuance of the Armed Police Guard of:—

Head Constable

Police Constables

lent to the Branch of Mysore Bank at Robertsonpet.

16 Continuance of the Guard of the 3 Police Constables lent to the K.G.F. Electricity Board, the strength being drawn from the District Armed Reserve instead of the Champion Reefs Police Station.

17 After careful consideration, Government are pleased to sanction the proposals of the Inspector General of Police.

Appendix "E" indicates the existing distribution of the Police Force and Appendix "F" the Reorganised distribution of the Force.

In working out the net financial effect of the reorganisation proposals, the revised pay scales have been taken into account for the surplus and additional posts required. Separate orders will issue regarding the continuance or otherwise of the Allowances. The present order fixes only the strength of the Police personnel in each category as set out in Appendices "A" and "B". As regards the incumbents that occupy these posts, their pay scales will depend on whether or not they opt to the new scales.

As some time lag is involved in the sanction of the Reorganisation proposals of all Districts the incumbents of the surplus posts will continue as supernumeraries from the date of this order and should be absorbed within a period of one year, by which time orders will have been issued on the reorganisation proposals of the entire Department. The Inspector General of Police is requested to send a statement of re-distribution of forces of the entire State for the information of the Government, when all proposals are finalised, as also the necessary proposition statement.

A notification indicating the changes in the existing jurisdiction of Police Stations and Out-Posts will issue separately.

By Order and in the name of the Governor of Mysore,

R. J. REGO,

Secretary to Government,
Home Department.

IMPORTANT GOVERNMENT ORDERS
CHIEF SECRETARIAT
Issues instructions regarding Transfers of Class IV Officials.
CIRCULAR
No. GAD (S. 1) 88/SRR/59, DATED BANGALORE, THE 6TH JUNE 1959
(JYEISHTA 15, SAKA ERA 1881).
Government Order No. GAD 8 CAR 58, dated 16th February 1959, contains orders in regard to the postings of Class II and III Officers. Request from the Last Grade Officials Associations are, however, being received by Government to the effect that Class IV servants should not be transferred from place to place as frequent transfers entail heavy expenditure which they cannot afford to incur having regard to their low pay scales and poor means at their disposal. As Class IV

servants do not form a district or division-wise cadre it is directed that, as far as possible, they should not be transferred outside the District. It is, however, made clear that Government retain the right to transfer the employees outside the district when necessary in the public interest.

By Order and in the name of the Governor of Mysore,

L. A. DHAMANIGI,

Under Secretary to Government,
General Administration Department
(Services-1).

Availing of the opportunities under various Foreign Aid Schemes.

OFFICIAL MEMORANDUM

No. GAD 57 GFS 59, DATED BANGALORE, THE 9TH JUNE 1959
(JYEISHTA 19, SAKA ERA 1881).

Attention of the Heads of Departments and the Administrative Secretariat Departments is invited to the instructions issued in Government Circular No. GAD 45 FIS 1958, dated 10th June 1958, regarding the revised procedure to be followed in respect of the foreign aid schemes and the submission of applications to Government of India. It has been observed that the procedure laid down in the above circular has not been followed strictly and as a result of that, inordinate delays have been caused in the matter of sending proposals to Government of India. Some of the Secretariat Departments have wrongly interpreted the instructions issued under clause (d) of the Circular and, without going through the circular properly, they have recently forwarded applications directly to the Government of India. The General Administration Department had to write to the Government of India requesting them to classify the applications under particular schemes and consider the possibility of awarding scholarships to such officers. Some departments refer the applications unnecessarily to the General Administration Department though they are to be disposed of by them according to the instructions issued in the above circular. There have also been cases where the Departments of the Secretariat have referred the files to the Finance Department for concurrence in respect of 'Local Costs' though Finance Department's concurrence was not necessary [*vide* instructions issued under clause (e) of the circular referred to above]. As a result of these irregularities, the proposals of the State Government are not sent to Government of India, on the dates fixed by them.

2. In order to enable the State Government to send their proposals in respect of all schemes to Government of India, on the date prescribed in each such scheme, all the Heads of Departments and the Administrative Departments of the Secretariat, are requested to follow the instructions issued in the Circular No. GAD 45 FIS 1958, dated 10th June 1958, (copy appended for ready reference) rigidly.

3. The following further instructions are issued in this respect for the guidance of all concerned:—

(i) The Scholarship or Fellowship schemes concerning only one department, should be dealt with by that department in accordance with the instructions issued under clause (d) of the Circular No. GAD 45 FIS 1958, dated 10th June 1958.

(ii) The following cases only should be forwarded to the General Administration Department.

(a) The scholarship or fellowship scheme where more than one department is concerned.

(b) Where a departmental enquiry is pending against an officer and he is recommended for scholarship.

(c) Where officers recommended have only five years of service left to retire.

(d) Where an officer had previously training in a Foreign Country and is recommended for scholarship or fellowship for a second time.

- (e) Cases of officers who have been recommended in relaxation of the minimum requirements regarding age, qualifications, etc.
- (iii) The following documents must be submitted by the candidates applying for scholarships or fellowships.

- (a) Typed applications in the prescribed form. The number of applications to be sent will be according to the instructions issued by the Government of India under the scheme. Applications in *manuscript* will not be entertained.
- (b) Medical fitness certificate.
- (c) 'Local Cost' Certificate (specimen appended).
- (d) Certificate regarding release and employment (specimen appended).
- (e) Certificate that the candidate has not been recommended simultaneously under any other scheme.
- (f) All certificates regarding qualifications, etc.

(iv) The Heads of Departments should not forward the applications if the above particulars are not furnished by the candidates.

4. The Heads of Departments should sign the applications which are complete in all respects, as "Sponsoring Authority", on behalf of Government and should also furnish necessary certificates mentioned at (c) to (e) of para (3) (iii).

5. It is for the candidates and the Heads of Departments to see that the applications are complete in all respects before they are forwarded to Government. Government will not take any action on incomplete applications, and such applications will either be returned to the Departments or filed.

K. M. MIRANI,
Deputy Secretary to Government,
General Administration Department
(O. & M. Sec.).

CHIEF SECRETARIAT

GENERAL ADMINISTRATION DEPARTMENT (GENERAL-2)

Circular No. GAD 45 FIS 58, dated 10th June 1958

(Jyeshtha 20, Saka Era 1880)

Avail of the opportunities under various Foreign Aid Schemes

New procedure to be followed to — like Colombo Plan, Point Four Programme, etc.

C I R C U L A R

No. GAD 45 FIS 58, DATED BANGALORE, THE 10TH JUNE 1958

(JYESHTHA 20, SAKA ERA 1880)

Instructions were issued in Circular No. GAD 18 FIS 57, dated 7th June 1957, regarding the procedure to be followed in cases pertaining to the grant of scholarships or sponsoring of candidates under the Colombo Plan, Technical Assistance Programme, etc. It has however been seen from experience during the past year that we have rarely been able to send our recommendations to the Government of India, in time and that as a consequence, it is probably that facilities of getting training abroad have been lost. In order to obviate the delays in forwarding the applications to the Government of India, the following revised procedure is prescribed:—

(a) Immediately on receipt of a communication for the Government of India, the Under Secretary (General), General Administration Department, will forward copies thereof to the Secretary to the Administrative Secretariat, the Heads of the Departments and other authorities who are likely to be in a position to make suitable recommendations in such cases. Simultaneously, it will be got published in the *Mysore Gazette*, except in cases where it is clear that the field of selection is limited to a few persons only.

(b) A communication sent in pursuance of sub-clause (a) above will indicate the last date by which the recommendation should be received in the General Administration Department.

(c) It will be the responsibility of the candidates if they want to be considered for any particular course to see that their applications reach the Head of the Department well in time. Within two days of the receipt of the application in his Office, the Head of the Department should forward it to the Secretary of the Administrative Department with his specific recommendation. Even in cases where he is not in favour of sponsoring a particular candidate he should forward the application of that candidate to Government with his opinion. He should also certify on each application whether there is sufficient budget provision in his departmental funds to meet the local and other costs which may be involved in the scheme.

ANNEXURE—concl'd.

(d) The applications received in the Administrative Department will be scrutinised by that Department and orders of the Minister concerned taken as to the candidates who are to be recommended from among the applicants. Only the names of those candidates which the Department deems fit will be forwarded by the Department direct to the Government of India, and a copy of the letter endorsed to the General Administration Department for information and record.

(e) In a number of cases, the recommendations involved incurring of some local expenditure by the State Government. Where such expenditure is in accordance with Appendix II of the Mysore Pay and Allowance Rules, 1957, and there is specific budget provision to cover the expenditure, it will not be necessary to consult the Finance Department before forwarding the recommendations to the Government of India.

(f) In cases which involve expenditure not covered under sub-clause (e) above, no names will be recommended to the Government of India until Finance Department's concurrence to the expenditure is secured. It will be the responsibility of the Administration Department to consult Finance Department and secure its approval.

(g) In some cases the request for training may cover a number of Departments. If all the Departments are under the administrative control of the same Secretariat Department, the latter will naturally act as a co-ordinating authority. But, if different Secretariat Departments are involved, General Administration Department will act as a co-ordinating authority, i.e., applications from candidates will be forwarded directly by the Heads of Departments to General Administration Department. If the time available permits, each Secretariat Department concerned will be consulted, otherwise, the orders of the Chief Minister will be obtained straightaway. Where consultation with Finance Department is necessary under Clause (f), such consultation will be made by the General Administration Department.

It is essential that the time limits are strictly adhered to. Applications received late will not be entertained.

The receipt of this Circular may be acknowledged.

PLANNING AND DEVELOPMENT SECRETARIAT

Allotment of funds for the Local Development Works Programme.

READ—

Letter No. LW/1/58, dated 28th March 1959, from the Planning Commission, New Delhi communicating an allotment of Rs. 10.933 lakhs to the Mysore State for Local Development Works Programme during the year 1959-60.

ORDER No. P & D-95 PLD 59, DATED BANGALORE, THE 8TH APRIL 1959
(CHAITRA 18, SAKA ERA 1881).

The Government of India have allotted an amount of Rs. 10.933 lakhs as Central Grant for Local Development Works for the year 1959-60. It has been stipulated that the programme will consist only of Drinking Water Supply Works in rural areas. Out of the total amount of Rs. 25 lakhs provided for in the budget for the year 1959-60, it is now decided to distribute Rs. 15 lakhs to the various Districts as shown in the accompanying statement keeping the balance in reserve. The Divisional Commissioners may make readjustments of the district allotments not exceeding the ceilings fixed for their Divisions, depending on the need and necessity in any particular area.

2. Government is anxious to see that the provision of Drinking Water Supply, which is a prime necessity of life, is ensured for every village in the State with the minimum popular contribution. With this end in view, the allotment made by the Government of India is supplemented by an amount of Rs. 5 lakhs provided under the Budget head "40 A.R.D. A VI Schemes in the Second Five-Year Plan (a) Rural Water Supply and Drainage" in order to enable the execution of the programme throughout the State in non-development Block areas. The provision of Rs. 15 lakhs thus made is intended to be supplemented by popular contributions at 25 per cent of the cost of each individual work.

3. The Local Development Works Programme is to be confined to Schemes relating to the provision of Drinking Water Supply in individual villages on the basis of matching contribution in labour or otherwise on the part of the people as shown below:

- (a) Share of the Planning Commission 50 per cent of the cost of the work
- (b) Share of the State Government 25 per cent of the cost of the work
- (c) Popular contribution 25 per cent of the cost of the work

Note.—Of the popular contribution of 25 per cent, half may be contributed by Local Bodies, but at least half should be forthcoming from the people of the area.

4. Works of the nature of conjoint piped water supplies from a common source to groups of villages would come under the "Rural Water Supply and Sanitation" Programme of the Ministry of Health and are not to be taken up under the Local Development Works Programme. Only schemes intended for increasing Drinking Water supply facilities in individual villages will be assisted from the allocations now made. These works should not be taken up in Development Blocks, except in Pre-Extension Blocks. They may also be taken up in Municipalities having a population not exceeding 10,000.

5. In view of the concentration being given to the Drinking Water Wells Programme during the current year, it is expected that the Deputy Commissioners will bestow personal attention to the execution of the Programme with a view to ensure the provision of an assured Drinking Water Supply in every village. For this purpose, the Deputy Commissioners are requested to indicate the physical targets proposed to be achieved during the current year. A statement may be forwarded to Government in the accompanying form by 15th May 1959, giving this information.

6. The expenditure incurred out of the State and Central Grants on the Programme will be debited to the Budget Head "63. B. Community Development Projects, National Extension Service and Local Development Works (c) L.D. Works (B) Water Supply" in the first instance. As 33 1/3 per cent of the outlay

is proposed to be transferred to "40A—Rural Development A. VI Schemes in the Second Five-Year Plan (a) Rural Water Supply and Drainage" a separate deduct head of account may be opened under "(c) Local Development Works" as under "H. Deduct amount transferred to 40A—Rural Development, etc". The Accountant General is requested to open this head of account in his books. The Accountant General is also requested to see that at the end of the year the State share of expenditure is transferred by book adjustment to the Budget Head "40. A—Rural Development A. VI Schemes in the Second Five-Year Plan (a) Rural Water Supply and Drainage."

By Order and in the name of the Governor of Mysore,

MANI NARAYANSWAMI,

Deputy Secretary to Government,
Planning and Development Department.

Discouragement of sanction of loans to Oil Mills by Government on recommendation by the Board of Industries.

READ—

Correspondence resting with letter No. KVB/MP/57-58, dated 20th March 1958 from the Secretary, Khadi and Village Industries Board, Bangalore.

PREAMBLE—

The Mysore State Khadi Board at their meeting held on 4th and 5th January 1958 considered the question of Government loans being sanctioned to Oil Mills. The Board is of the opinion that the active development of the Oil Mill Industry in the country without a planned restriction is detrimental to the steady implementation of the policy of Government in the matter of expanding employment in the Rural areas by encouraging the Village Oil (Gani) Industry. The Board feels that the Government should restrict the further growth of oil mills and as a step towards the same,

stop issuing licences for the installation of new oil mills. The Board is also of the view that the Government should not at least go out of the way to encourage oil mills by providing financial support as well, by way of loans or otherwise. The Board has accordingly resolved that Government be requested not to sanction loans to Oil Mills and such other industries as compete with Rural Industries and tend to contribute to the elimination of employment in the Village Industries Sector.

ORDER No. CI 45 KHD 58, DATED BANGALORE, THE 16TH JUNE 1959
(JYEISHTA 26, SAKA ERA 1881).

After considering the resolution passed by the State Khadi Board, Government hereby direct that no financial assistance should be given to Oil Mills run by power.

ORDER No. CI 107 RIS 58, DATED BANGALORE, THE 12TH JUNE 1959
(JYEISHTA 22, SAKA ERA 1881).

The Director of Industries and Commerce is hereby empowered to depute departmental non-gazetted servants to Industrial Co-operative Societies on the following terms:—

1. The deputation shall be on terms to be sanctioned by the Director, Rural Industrialisation in conformity with the rules in the Mysore Civil Services Rules, 1958.
2. The period of deputation shall be for a period of one year in the first instance. Further extension may however be granted for periods not exceeding one year each time if the foreign employer asks for extension and if the official deputed is willing to continue in foreign service. The total period of deputation should not exceed three years in any case and the order sanctioning the deputation should contain clear instructions as to the regulation of pay and allowances, maintenance of Service Books, amount of leave and pensionary contributions etc., as provided for in the Mysore Civil Services Rules, 1958. The extra allowance (Special Pay or Deputation Allowance) should not exceed 10 (ten) per cent of the basic pay of the Government servant.

The variations therein can only be authorised by Government.

Provision of credit for Agricultural Production Plans at the Village level
on Co-operative Policy.

READ—

1. Letter No. F.1-12/59-Co-op. I, dated 11th May 1959, received from the Additional Secretary to the Government of India in the Ministry of Community Development and Co-operation (Department of Co-operation), New Delhi, laying down the New Co-operative Policy to be adopted in the country.

2. Letter No. F.1-13/59-Co-op. I, dated 16th May 1959, from the Additional Secretary to the Government of India in the Ministry of Community Development and Co-operation (Department of Co-operation), New Delhi, regarding the provision of credit for Agricultural Production Plans at the Village level.

ORDER No. A & F 106 CCS 59, DATED BANGALORE,
THE 8TH JUNE 1959.

The Government of India in the Ministry of Community Development and Co-operation and the Planning Commission have been engaged in considering the arrangements which should be made for ensuring adequate finance for village agricultural production plans. It is felt that where there are programmes for intensive agricultural production, there should also be adequate arrangements for ensuring that the requisite funds made are available. The problem of providing credit for village agricultural production plans is complex. The real problem is in respect of giving larger loans to primary village societies. Most of the primary societies have limited funds for lending to members and are not in a position to advance credit to all the members to the full extent required by them. It is in this connection that special steps will have to be taken if adequate finance required for village production plans is to be made available. The most effective way of increasing the borrowing capacity of the members is to link up credit with intensive production plans in which every family participates and also with the marketing of agricultural production. If this is effectively done it will ensure not only prompt repayment of loans but also considerable increase in the share capitals and reserves of the societies. It will also attract local deposits and increase the membership. As it will take sometime before internal resources of the required order are built up some interim arrangements for additional finance have to be made for cultivators in order to increase agricultural production.

The National Development Council has decided in favour of the establishment of a co-operative for every village or group of villages in the country having roughly about 1,000 population. The society is expected to provide credit as also the various services required to help agricultural production. The object of the policy is:

- (i) to link credit with production;
- (ii) to bring every producer in the village within the ambit of a co-operative;
- (iii) to carry on all operations in villages through village co-operatives, so that the middlemen are eliminated and their profits are secured to the producers themselves.

The village co-operatives may have to concentrate first at least to agriculturists—owner or tenant—cultivators. It is suggested that a village co-operative, where established, should aim:

- (i) to give every agriculturist—tenant or owner—credit for credit-worthy purposes and not only up to the limit of the individual's credit-worthiness. Cost of cultivation for different types of cultivation is fairly well established, as also the time-table of expenditure. The credit required, therefore, would be well defined, having regard to the land the agriculturist is going to cultivate.
- (ii) the loan should be given not in one instalment but from time to time as agricultural operations progress. All credit required for the purchase of equipment or goods should be given by the co-operative in kind as far as possible.

(iii) the debtor should be under an obligation to repay the debt taken and interest, only in foodgrains and not in cash.

It is suggested that the supplementary resources required by village co-operatives should be made available through village agencies and only to members of co-operative societies. It is also pointed out that such supplemental finance should reach the primary society at the same rate of interest as at present and consequently the Central Co-operative Bank should receive the necessary funds at the same rate of interest as is being charged to it by the Apex Bank in respect of the loans received from the Reserve Bank of India. It is very necessary to see that every agriculturist should be a member of the village co-operative. The scheme should be implemented in close co-operation of the non-official leaders and agencies. The village level workers in charge of village and the Block Extension Officers for Co-operative and Agriculture should pay special attention to the drawing up of agricultural production plans and assist in every way in its implementation. It is also very necessary that these societies should be affiliated to the local primary marketing societies. The line of supplemental credit is mainly intended for seed, fertilizers and current expenses of cultivation and may be to some extent include such medium term loans as are at present given by the co-operative societies. It is estimated that for the villages selected for the above programme approximately Rs. 4 lakhs may have to be provided for each Block. For the purpose of pilot projects, the Central Government will make necessary funds available to the State Government who in their turn will advance funds to the Apex Co-operative Bank. The Apex Bank will make these funds available to the Central Co-operative Banks of Districts in which the pilot projects are located. The loan should be made available by the State Government to the Apex Bank at the same rate at which the latter is able to borrow from the Reserve Bank.

The Government of India have suggested the scheme being worked as a Pilot Project in a few selected areas in the first instance. While accepting the general principles contained in the new policy enunciated by Government of India, Government are pleased to direct that the provision of credit for agricultural production plans at the village level as set out in the communications of the Government of India read above, be implemented in the State and for this purpose, the following Blocks are selected :

1 Bangalore District	...	Bangalore North
2 Mysore	...	Heggadadevanakote
3 Shimoga	...	Shikaripur
4 Coorg	...	Pennampet
5 South Kanara	...	Mudbidri
6 Dharwar	...	Kalghatgi
7 Belgaum	...	Gokak
8 Raichur	...	Sindhanur
9 Chickmagalur	...	Tarikere
10 Chitradurga	...	Holalkere

Twenty villages in each of these Blocks may be selected for the intensive work, and the work undertaken in close co-operation with non-official leaders and agencies. Such villages should be taken up as have reasonably good co-operative societies and have been in existence for sometime. It would further be necessary that these societies should be affiliated to the local marketing society.

It is also directed that

(i) a membership drive to bring into the co-operative fold the head of every cultivating family—whether as tenant or as owner should be taken up immediately;

(ii) an agricultural production programme for every cultivator by the co-operative society in consultation with the cultivator himself and the agricultural and co-operative extension officers should be prepared;

257

5h

(iii) adequate supply of credit should be arranged to implement the programme framed above irrespective of whether the cultivator can get such credit under the normal rules so long as the society is satisfied of the individual's capacity to repay the loan on the due date;

(iv) supervision by the society of the utilisation of the credit provided towards the production plan so framed including supply of credit in kind;

(v) all loan advances should be recovered in kind.

The Registrar of Co-operative Societies is requested to make arrangements for obtaining adequate credit in consultation with the Reserve Bank of India and also indicate the supplemental credit that would have to be asked for from the Government of India to implement the new scheme.

The Registrar of Co-operative Societies and the Director of Agriculture will issue such supplemental instructions as may be necessary to ensure that the scheme is implemented effectively during the ensuing cultivation season. The area selected should get adequate supplies of scarce materials like steel, fertilizers, etc., in preference to other areas.

The concerned Block Development Officers are directed to take further action immediately in respect of the villages to be selected in accordance with the principles laid down above, undertake a drive for increasing membership, prepare agricultural production programmes and to ensure that adequate credit is supplied in time, utilized properly and recovered promptly.

This is an important scheme of vital importance and Government desire that the concerned Divisional and Deputy Commissioners, the Registrar of Co-operative Societies and the Director of Agriculture should pay their personal attention to the satisfactory implementation of the scheme.

Sanctions the Reorganisation of the Mandya District Police Force

READ—

Letter No. HD 54 EHT 57, dated 22nd April 1957, from the Secretary to the Government, Home Department, to the Inspector-General of Police, Mysore State, Bangalore, calling for proposals for reorganising the Police Department in order to secure all possible economy in expenditure.

2 Letter No. 160/RA(1)/57, (Mandya), dated 29th October 1957, from the Inspector-General of Police, Mysore State, Bangalore, forwarding the reorganisation proposals of the District Police in Mandya District.

ORDER NO. HD 91 EHT 58, DATED BANGALORE, THE 9TH JUNE 1959

(JYEISHTA 19, SAKA ERA 1881).

The Inspector-General of Police has sent up proposals for the reorganisation of the Police Force in the Mandya District in pursuance of instructions issued by Government.

In these proposals, he has adopted a definite basis keeping in view the local, economic and geographical conditions of the District, the incidence of crime and other special problems of the area and has fixed the strength of the Police Stations, Out-Posts, Armed Reserve Police, etc., on this basis.

The existing and proposed set-up of the Police Force are set out in Appendices 'A' and 'B' respectively.

The salient features of the proposals are—

1. Creation of a Police Sub-Division with Headquarters at Mandya, under the direct charge of a Deputy Superintendent of Police. (*Vide Appendix 'C'*).

The Deputy Superintendent of Police will also work as Personal Assistant to the District Superintendent of Police.

2. Creation of new Police Stations at the following places in place of Out-Posts:—

(i) Basarali in Mandya Taluk, (ii) Koppa in Maddur Taluk, (iii) Kikkori in Krishnarajapet Taluk and (iv) Krishnarajasagara in Srirangapatna Taluk.

3. Creation of the posts of—

Deputy Superintendent of Police 1, Sub-Inspectors 4, Assistant Sub-Inspector 1, Head Constable 1.

4. Formation of 4 Circles *viz.*—

(i) Mandya, (ii) Malavalli, (iii) Nagamangala, (iv) Srirangapatna. as against the existing 6 Circles and re-distribution of jurisdiction.

5. Provision of Drivers and Cleaners on a definite scale on the strength of the Headquarters Platoon of the District Armed Reserve.

6. Provision of vacancy reserve at 10 per cent of the total strength of Head Constables and Police Constables of both Civil and Armed Police.

7. Reorganisation of the District Special Branch and District Intelligence Bureau as indicated below:—

	Existing	Proposed
		District Special Branch District Intelligence Bureau

(vi) Naiks	3
(vii) Police Constables	36	16	36

(Vide Appendix 'D')

9. Replacement of the Dalayats sanctioned for the District Superintendent of Police, and Inspectors by Police Constable Orderlies.

10. Placing the District Armed Reserve under the direct charge of the District Superintendent of Police, Mandya, thus relieving the District Superintendent of Police, M.A.R.P., Bangalore, of the direct charge.

11. Abolition of the two posts of Police Inspectors sanctioned for Maddur and Krishnrajpet Taluks.

12. Abolition of the Mandya Traffic Police Station comprising of—

Sub-Inspector 1, Daffadar 1, Police Constables 8, by providing suitable strength in the Mandya Town Police Station.

13. Abolition of the following Out-Posts:—

(i) Basaral, (ii) Koppa, (iii) Kikkeri, (iv) Santhebachahalli, (v) Devalapura, (vi) Krishna-
rajasagara, (vii) Kirgaval.

14. Abolition of 4 posts of Dalayats sanctioned as orderlies.

15. Abolition of the posts of—

Daffadars 2, Police Constable 1.

and making suitable provision in the Armed Reserve.

The above proposals involve an extra cost of Rs. 11,878.92 nP. per annum.

After careful consideration, Government are pleased to sanction the proposals of the Inspector-General of Police. Appendix 'E' indicates the existing distribution of the Police Force and Appendix 'F' the reorganised set-up.

In working up the net financial effect of the reorganisation proposals, the revised pay scales have been taken into account for the surplus and additional posts required. Separate orders will issue regarding the continuance, rationalisation or otherwise of the allowances. The present reorganisation order fixes only the strength of the Police personnel in each category as set out in Appendices 'A' and 'B'. As regards the incumbents that occupy these posts their scales will depend on whether or not they opt to the new scales.

The staff rendered surplus by the above reorganisation proposals will continue as supernumeraries from the date of this order and should be absorbed within a period of one year by which time orders will have been issued on the reorganisation proposals of the entire Department. The Inspector-General of Police is requested to send a statement of re-distribution of the forces of the entire State for the information of Government when all the proposals are finalised and also the necessary proposition statement.

A notification indicating the changes in the existing jurisdictions of Police Stations and Out-Posts will issue separately.

By Order and in the name of the Governor of Mysore,

R. J. REGO,

Secretary to Government,
Home Department.

ORDER No. GAD 9 BRB 59, DATED BANGALORE, THE 28TH MAY 1959
(JYEISHTA 7, SAKA ERA 1881).

The Accountant General has requested that a monetary limit may be fixed for the power delegated to the Chief Secretary in G. O. No. GAD 1 OOP 59, dated 10th January 1959 as regards the local purchases of stationery and other articles. Taking into consideration the frequency for local purchases made of stationery and

other articles not supplied by the Director of Printing, Stationery and Publications, and the fact that such articles required for all the departments of the Secretariat have to be so purchased locally, it is proposed to fix a monetary limit of Rs 1,000 for the articles to be purchased at a time in the case of Chief Secretary, and to limit the annual expenditure on local purchases to Rs. 15,000 per year.

In modification of Order No. GAD 1 OOP 59, dated 10th January 1959, it is directed that:

(1) In item No. 4 to the annexure to the Government Order, in the column showing the powers to the Chief Secretary, the following shall be substituted:—

“To purchase stationery and other articles for more than Rs. 500, limited to Rs. 1,000 at a time”, and

(2) The following note shall be inserted below item 4:

“Note.—The total expenditure of such purchase should not exceed Rs. 15,000 per annum.”

FINANCE SECRETARIAT

List of Officers of the Education Department authorised to draw Bills from Treasuries.

READ—

Letter No. Accts, 3477, dated 11th December 1958, from the Director of Public Instruction, Bangalore, forwarding for approval proposals in regard to the drawing of funds from the Treasuries by the several officers of the Education Department.

ORDER NO. FD 40 SCR 59, DATED BANGALORE,
THE 18TH JUNE 1959.

As it is necessary to adopt a uniform procedure for the entire State of Mysore, Government direct that, with effect from 1st August 1959, the following procedure be adopted in respect of drawing funds from the Treasuries by the Officers of the Education Department in all the areas of the Mysore State.

I. Establishment Bills.

Besides the Gazetted Heads of Offices, the following Non-gazetted Heads of Offices or Institutions are also authorised to draw their pay and allowances along with pay of the establishment, on establishment bills directly from the Treasuries:—

(1) The Inspectors of Primary Schools [This applies to Range Officers of Ex-Mysore area, and Deputy Inspectors of Schools, Bellary, Kollegal and South Kanara (now designated as Inspectors of Schools) and Sub-Divisional Inspectors of Coorg area. The present system of countersigning the bills in respect of Hyderabad Karnatak area will continue until further orders, except in the case of Head Masters of Middle Schools].

(2) The Head Master, P. B. High School for Boys, Jamkhandi.

(3) The Head Master, Majid High School, Savanoor.

Delegation of Powers for countersigning the bills of the Office of the Commissioner for Examinations to the Officers in the office.

READ—

Government Order No. ED 18 SOE 58, dated 25th September 1958.

2. Letter No. EA 1. 54-53/59-60, dated 29th April 1959 from the Commissioner for Examinations in Mysore, Bangalore.

ORDER No. ED 87 SES 59, DATED BANGALORE, THE 12TH JUNE 1959
(JYEISHTA 22, SAKA ERA 1881).

Government have delegated powers to certain Gazetted Officers in the Office of the Commissioner for Examinations in Mysore, Bangalore, to countersign T.A. Bills, D.C. Bills, etc., for the financial year 1958-59 in their order dated 25th September 1958 read above. The Commissioner for Examinations has stated that in the interest of the expeditious disposal of the large number of bills received in his office it is considered very necessary that the power delegated to the officers under reference temporarily should be continued on a permanent basis as otherwise one officer cannot countersign all the bills and there will be many complaints about the disposal of the bills. He has therefore recommended that the powers now delegated to the officers under Government Order, dated 25th September 1958

referred to above, may be continued on permanent basis and in anticipation of this proposal he has requested the officers under his control to continue to adopt the orders already issued by Government.

Government, therefore, direct that the powers delegated to the Gazetted Officers in the office of the Commissioner for Examinations in Government Order dated 25th September 1958 be continued to the end of financial year 1960-61. The action taken by the Commissioner for Examinations to adopt this order in anticipation of Government Orders, is also approved.

2. Letter No. 340(P) 2016/59, dated 14th March 1959 from the State Port Officer, Mangalore.

ORDER No. PWD 19 SFP 59, DATED BANGALORE, THE 30TH MAY 1959
(JYEISHTA 9, SAKA ERA 1881).

A new Department called the Minor Ports Department was created in May 1957 under the Government Order dated 11th May 1957 for the administration of all the Minor Ports in the State except Mangalore under an officer designated as the State Port Officer with his headquarters at Mangalore. The State Port Officer has reported that Karwar Port which is under the control of the Port Department is classed as an Intermediate Port, and two more ports i.e., Honavar and Malpe are likely to be classed as Intermediate Ports. He has pointed out that the present designation as indicated in the Government Order creating the new Department is therefore not appropriate. On a consideration of the report of the State Port Officer Government direct that the Department be re-designated as "Mysore Ports Department" with immediate effect.

READ—

Letter No. AA. 6-35/58-59/257, dated 28th January 1959, from the Accountant, General, Mysore, Bangalore.

ORDER No. FD 29^BBUD 59, DATED BANGALORE, THE 18TH JUNE 1959
(JYEISHTA 28, SAKA ERA 1881):

The Accountant General has brought to the notice of the State Government that the Government of India have, in consultation with the Comptroller and Auditor General of India decided that as and when a Government undertaking is converted into a State-owned Private Limited Company, specific approval of the Parliament should be obtained by means of a token vote or otherwise, for the transfer of Government assets to the new company. Similarly in respect of transfer or gift of Government property of a value exceeding Rupees One Lakh to outside parties, institutions, etc., the Government of India have decided that such a transfer should be made only after it is brought to the notice of Parliament by a suitable mention in the Explanatory Memorandum on the Budget. In cases of urgency, the Government of India have however, agreed that arrangements might be made by entrusting the management of the property to the body or institution, but the formal transfer of the title to the property should be effected only after the mention is made in the Explanatory Memorandum on the Budget. The Government of India have further stated that when Government property is transferred to an autonomous organisation, suitable safeguards should be imposed to provide that it should not be encumbered or alienated by the recipient without the prior approval of Government.

The Accountant General has suggested that similar procedure should be followed by the State Government with the modification that in the case of transfer of Government property to outside parties, etc., the monetary limit should be Rs. 50,000.

The question of prescribing a procedure similar to that laid down by the Government of India in regard to the transfer of Government assets to State-owned limited companies/autonomous bodies was examined by Government. After careful consideration Government have decided to follow the procedure laid down by the Government of India. Accordingly the following instructions are issued in the matter:—

(i) As and when a Government undertaking is converted into a State-owned Private Limited Company in future, specific approval of the Legislature should be obtained, by means of a token vote or otherwise, for transfer of the Government assets to the New Company.

(ii) As and when Government property, of a value exceeding Rupees One Lakh, is transferred or given as gift to outside parties, institutions, etc., the transfer or gift should be made only after it is brought to the notice of the Legislature by a suitable mention in the Explanatory Memorandum on the Budget.

(iii) In cases of urgency, where it may not be possible to wait till the matter is brought to the notice of the Legislature through the Explanatory Memorandum on the Budget which are usually presented in the month of February or March each year, arrangements may be made by entrusting the management of the property to the body or institution but the formal transfer of the title to the property should be effected only after a mention is made in the Explanatory Memorandum of the following year.

(iv) When Government property is transferred to an autonomous organisation suitable safeguards should be imposed to provide that it should not be encumbered or alienated by the recipient of the property without prior approval of the Government.

(v) The Accountant General should make a suitable mention of such transfers in the Appropriation Accounts of the year to which the transaction relates.

2. The Secretaries to Government and other Heads of Departments should keep these instructions in view while transferring Government assets to outside parties, institutions, etc.

Issues orders sanctioning a Reserve of 100 Typewriters in Government Stationery Depot, Bangalore.

READ—

Correspondence ending with letter No. 7549, dated the 27th January 1959, from the Director of Printing, Stationery and Publications in Mysore, Bangalore, submitting proposals for keeping a reserve of 100 Typewriters in Government Stationery Depot, Bangalore.

ORDER No. ED 528 UPS 58, DATED BANGALORE, THE 27TH MAY 1959
(JYEISHTA 6, SAKA ERA 1881).

The Director of Printing, Stationery and Publications in Mysore, Bangalore, has to approach Government for sanction for bulk purchase of Typewriters. At times, it may so happen that there may not be enough stock of typewriters on hand at a particular time at Government Stationery Depot with the result that the indenting Departments will be put to great difficulty for want of typewriters. To avoid such a situation, the question of keeping a permanent reserve of typewriters at the disposal of the Director of Printing, Stationery and Publications, so that supply could be effected from the reserve on indents at any time and the reserve got recouped immediately thereafter has been engaging the attention of Government for some time past. The Director of Printing, Stationery and Publications, who was consulted in the matter stated that the total number of typewriters issued during 1957-58 was 246 consisting of 38 Foolscap size typewriters, 117 brief size typewriters, 82 policy size typewriters and 9 portable size typewriters, and that in the interest of smooth work and also with a view to meeting emergency requirements he might be authorised to stock about 100 typewriters in reserve always consisting of several models in several sizes including portables. The Director also pointed out that whenever typewriters are issued from the stock in reserve, it will be recouped by procuring fresh supplies from the firms.

2. After careful consideration, the Government is pleased to authorise the Director to keep in reserve 100 (hundred) typewriters only up to the end of 31st March 1960. The requirements of various Government offices during the year 1959-60 will be met from this reserve. As soon as typewriters are issued from the reserve, the Director of Printing, Stationery and Publications in Mysore, Bangalore, will take steps immediately to recoup the reserve to the extent of actual issues of typewriters, so that at any time of the year he will have a reserve of 100 typewriters.

3. The number of typewriters which should be kept in reserve during the year 1960-61 may be reviewed in time during that year in the light of the experience gained during 1959-60.

4. The expenditure involved may be met from the grants sanctioned under the head '56 Stationery and Printing' for the year 1959-60.

PREAMBLE—

The Director, National Employment Service, reports that, as at present, the staff working under the Craftsmen Training Scheme on their transfer to the State from 1st November 1956 are being continued from time to time and are treated as temporary and that for reasons explained has sought orders for the continuance of the institutions on a permanent basis and to treat the entire staff under the continuing (Regular) Scheme as permanent. The emoluments including allowances drawn by this staff are protected and are treated as personal to them so long as they continue in the existing Pay Scales with which they came over to the State in terms of Government Orders of 2nd—5th March 1957 and 17th January 1958 read above, and only the higher rate of dearness allowance allowed to be drawn are to be absorbed in future increments as per orders issued. The Director of Training, Directorate General of Resettlement and Employment, Government of India, has also urged that the staff transferred to the States may be made permanent and has requested to intimate the progress made in this direction. As per existing orders, the continuance of the staff and other grants including stipends other charges under the Regular Scheme will expire on 1st November 1959. Orders have also issued and in Government Orders of 22nd August 1958 and 1st December 1958 fixing the pay scales which are applicable to new entrants against the existing pay scales of the several posts under the Regular Scheme. The Under Secretary to the Government of India, Directorate General of Resettlement and Employment, has also confirmed that the transfer of the Training Centres and Employment Exchange Organisations to the State Control has been effected on a permanent basis with effect from 1st November 1956; and that the Central Government have also accepted the liability (on account of leave salary and pensionary charges, etc.) of sharing 60 per cent of the expenditure on the above account.

ORDER No. LLH 147 ETC 57, DATED BANGALORE, THE 26—30TH JUNE 1959.

In the circumstances, and as suggested by the Government of India, it is hereby directed that the Industrial Training Institutes/Centres (under the continuing Regular Craftsmen Training Scheme) that came over to the State with effect from 1st November 1956, be continued on a permanent basis, on the basis of existing sanctions. The payment of bills relating to these institutions in regard to electricity, water charges, stipends and other charges (under the Regular Scheme) on the basis of existing sanctions will also continue as heretofore in future.

2. As an immediate step and in terms of the conditions of transfer, sanction is also accorded to place 60 per cent of the above staff (under the Regular Scheme) so transferred on a permanent footing and to confirm them in their respective posts.

with reference to service and other conditions. The Director of National Employment Service will take necessary further action in this behalf. As regards the confirmation of Gazetted Officers, the Director will send up proposals for the approval of Government. The question of making the remaining 40 per cent of the Staff permanent may be taken up at the end of the Plan Period.

(3) The Industrial Training Institutes/Centres and other staff sanctioned under the Second Five-Year Plan after 1st November 1956 may be treated as temporary establishments and their continuance regulated, as per sanctions issued from time to time covering those institutions.

(4) The expenditure will be shared between the Central and State Governments in the ratio of 60: 40 respectively.

PREAMBLE—

The Director, National Employment Service in Mysore, Bangalore, reports that the staff of Employment Exchanges and the Directorate on their transfer to the State from 1st November 1956 are being continued from time to time, and are treated as temporary; and that the existing sanction for their continuance expires on 1st November 1959. Under the terms of transfer in the Government Order of 5th February 1957 read above, at least 60 per cent of the staff transferred are to be confirmed. The Under Secretary to the Government of India, Ministry of Labour and Employment, has also confirmed that the transfer of the Employment Exchanges and Training Centres Organisation to the State has been effected on a permanent basis with effect from 1st November 1956 and the Central Government have accepted the liability (in respect of leave salary and pensionary charges, etc.) of sharing 60 per cent of the expenditure on this account. The Director of Employment Exchanges, Ministry of Labour and Employment has also urged that the staff transferred should be made permanent early. The emoluments drawn by the staff so transferred are also protected in terms of the conditions stipulated in Government Order of 5th February 1957. The Director has sought orders that in the circumstances and agreeably to the terms of transfer, the whole Employment Exchange Organisation, including the Directorate, as on 1st November 1956 (with the exception of those that are sanctioned after 1st November 1956 under the Second Five-Year Plan) be placed on a permanent basis, and that the Employment Exchanges and other staff sanctioned and financed under the Second Five-Year Plan would be treated as temporary establishment pending review at the end of the Plan period.

ORDER No. LLH 188 ETC 58, DATED BANGALORE, THE 2ND JULY 1959.

Government direct that as suggested by the Government of India, the Employment Exchange Organisation in the State including the several Exchanges and the Directorate that came over to the State on 1st November 1956 be continued on a permanent basis, on the basis of existing sanctions. The Director, National Employment Service, is authorised to take action to confirm 60 per cent of the staff so transferred with reference to service, etc., and in terms of the conditions laid down in Government Order of 5th February 1957 in respect of cases which are within his powers of sanction. As regards the gazetted officers, he will submit proposals to Government for approval.

The Employment Exchanges and other staff sanctioned under the Second Five-Year Plan after 1st November 1956 may be treated as temporary establishment and their continuance regulated as per sanctions issued from time to time covering those institutions.

The expenditure will be borne by the Central and State Governments in the agreed ratio of 60 : 40 respectively.

CHIEF SECRETARIAT

Centralisation of the Land Acquisition Work of the Secretariat in the Revenue Department.

ORDER No. GAD 50 OOM 59, DATED BANGALORE, THE 25TH JUNE 1959
(ASHADHA 4, SAKA ERA 1881).

All the Departments of the Secretariat, to-day, deal with Land Acquisition cases arising in their respective Departments. It is felt that this system does not work satisfactorily inasmuch as the follow-up of the cases after the final Notification becomes difficult, resulting in delay and the consequent loss to Government in the shape of interest on the amount of compensation.

2. It is decided that all the work relating to Land Acquisition at the Secretariat level will be dealt with in the Revenue Department only. All Acquiring Officers will therefore correspond with the Revenue Department in this connection from the 1st of July 1959 onwards.

3. To enable the Revenue Department to undertake this additional work, the following staff is sanctioned for a period of one year in the first instance:

- (a) One Superintendent,
- (b) Three Assistants,
- (c) Two Second Division Clerks,
- (d) One Second Grade Typist and
- (e) One Dalayat.

4. As against the above additional staff created for the Land Acquisition Work in the Revenue Department, the staff of the following Departments will be retrained by one Assistant each:—

- (1) Public Works Department,
- (2) Planning and Development Department and
- (3) Local Self-Government and Public Health Department.

5. In order to enable the Government to keep a watch on the quick disposal of Land Acquisition work at all levels, the maintenance of the complete history of each case at the Secretariat is found imperative. The Revenue Department will therefore maintain a History Card for each case in the form given in Annexure I. To enable the Government to keep this record up-to-date, all the Acquiring Officers will intimate to the Revenue Department the progress of the case at the various stages. This intimation will be sent in the form given in Annexure II. The Revenue Department will arrange to supply printed forms for this purpose to the various Acquiring Officers.

6. This Order comes into force from the 1st of July 1959.

By Order and in the name of the Governor of Mysore,

K. M. MIRANI,

ORDER NO. HD 264/EHT/58, DATED BANGALORE, THE 29TH JUNE 1959

HOME SECRETARIAT

Sanctions the Reorganisation of the Kolar District Police Force.

READ—

Letter No. HD 54 EST/57, dated 22nd April 1957, from the Secretary to Government, Home Department, to the Inspector General of Police, Mysore State, calling for proposals for reorganising the Police Department in order to secure all possible economy in expenditure.

2. Letter No. 160-RA 57, (Kolar), dated 4th October, 1958, from the Inspector General of Police, Mysore State, Bangalore, forwarding the Reorganisation proposals of the District Police in Kolar District.

ORDER No. HD 264/EHT/58, DATED BANGALORE, THE 29TH JUNE 1959

(ASHADHA 8, SAKA ERA 1881).

The Inspector General of Police, Mysore State, has sent proposals for the Reorganisation of the Police Force in the Kolar District in pursuance of instructions issued by Government.

In these proposals the Inspector General of Police has kept in view the local, economic and geographical conditions, the incidence of crime and other special problems of the area and has fixed the strength of the Police Stations, Outposts, Armed Reserve Police Force, etc., on that basis. The existing and the proposed set up of the Police Force are set out in Appendices A and B respectively.

The salient features of the proposals are:

1. Creation of a Sub-Division with Headquarters at Kolar and thus relieving the District Superintendent of Police of the direct charge of the Taluks. The Deputy Superintendent of Police, Kolar Sub-Division, will also function as Personal Assistant to the District Superintendent of Police.
2. Continuance of the present Sub-Division at Chickballapur with Headquarters at Chickballapur, and re-distribute the jurisdiction of the two Sub-Divisions as indicated in Appendix C;
3. Provision of a separate Police Station to Chintamani.
4. Abolition of the following Outposts:

(i) Hospet and Kyalanur	In Kolar Taluk.
(ii) Somayajipalli Outpost	In Srinivasapura Taluk.
(iii) Talagavara Outpost	In Chintamani Taluk.
(iv) Pyalagurki Outpost	In Chickballapur Taluk.
(v) Chakavelu Outpost	In Bagipalli Taluk.
5. Provision of the following Outposts:

(i) Paresondra Outpost	In Chickballapur Taluk.
(ii) Yeldur Outpost	In Srinivasapur Taluk.

Reorganisation of the District Special Branch as indicated below:

	Existing	Proposed
Sub-Inspector	1	1
Head Constables	2	2
Police Constables	575	594

7. Reorganisation of the District Intelligence Bureau as indicated below

	Existing	Proposed
Sub-Inspector	...	1
Daffedar	...	1
Head Constables	...	3
Police Constables	...	3

8. Abolition of the present staff of one Deputy Superintendent of Police, 1 Sub Inspector, 12 Daffedars and 63 Police Constables sanctioned on a temporary basis for enforcement of prohibition and provision of a suitable strength in each police station for this purpose on a definite basis.

9. Formation of a Prohibition Intelligence Branch at District Headquarters with a staff of one Sub-Inspector and 5 Head Constables;

10. Abolition of 28 posts of Police Constables sanctioned for the District Vacancy Reserve and provision of a vacancy reserve at 10 per cent of the total strength of Head Constables and Police Constables in each Police station both in the Civil Police and Armed Police;

11. Reorganisation of the District Armed Police as indicated below:

	Existing	Proposed Headquarters Platoon	Active Platoon
Subedar Major	1	1	...
Havildar	1	1	1
Naiks	2	4	6
Constables	32	21	36
		(Vide Appendix D).	

12. Continuance of the post of Deputy Superintendent of Police, Chickballapur on a permanent basis.

13. Creation of the following additional posts:

Deputy Superintendent of Police	1
Sub-Inspectors	2
Sergeant	1
Asst. Sub-Inspector	1
Asst. Sergeants	2
Head Constables	39
Police Constables	39

14. Abolition of the following posts:

Police Inspectors	4
Subedar-Major	1
Havildars	1
Naiks	2
Delayats	8

The proposals involve a total extra expenditure of Rs. 62,193.36 per annum.

After careful consideration, Government are pleased to sanction the proposals of the Inspector General of Police. Appendix E indicates the existing distribution of the Police and Appendix F its reorganised distribution.

In working out the net financial effect of the reorganisation, the revised scales of pay have been taken into account for the surplus and the additional posts required. Separate orders will issue regarding the continuance of rationalisation or otherwise of the allowances. The present reorganisation order fixes only the strength of the Police personnel in each category as set out in Appendices A and B. As regards the incumbents, that occupy these posts, their scales of pay will depend on whether or not they opt to the new scales.

No. HD 264 EHT 58, DATED 29TH JUNE 1959

The Inspector General of Police is requested to send a statement of re-distribution of the forces of the entire State and the necessary proposition statement for the information of Government when all the proposals are finalised.

A notification indicating the changes in the existing jurisdiction of Police Stations and Outposts will be issued separately.

By Order and in the name of the Governor of Mysore,

K. NARAYANASWAMY,

*Secretary to Government,
Home Department.*

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Adoption of Kannada as Official Language.

READ—

G.O. No. GAD 28 PLX 57, dated 10th May 1958.

ORDER No. GAD 28 PLX 57, Pt. I, DATED BANGALORE,

THE 30TH JUNE 1959 (ASHADHA 9, SAKA ERA 1881).

After careful consideration of the interim report submitted by the Official Language Committee constituted as per G.O. No. GAD 28 PLX 57, dated 10th May 1958, Government are pleased to direct that Kannada may be adopted as the Official Language for a period of one year, as an experimental measure in the Departments of Revenue and Agriculture in the districts of Tumkur, Chitradurga, Shimoga, Bijapur, Dharwar and Mysore. Kannada should be used for all purposes,

as far as possible, in the offices of Revenue and Agriculture Departments in these districts at the district level and below. Correspondence between the selected districts and the Divisional/Circle/Regional offices should be carried on in Kannada as far as possible. The use of the Kannada language, whether in the offices of the district-level and below or for correspondence with the Divisional/Circle/Regional offices will however be permissive and not obligatory.

By Order and in the name of the Governor of Mysore,

K. MUHAMMAD BEARY,

Under Secretary to Government,

General Administration Department (Adm.-3.)

REVENUE SECRETARIAT

Prescribes rules for the Levy of Establishment charges in respect of lands acquired on behalf of Companies, Local Bodies, Central Government, etc.

ORDER No. RDF 143 LQU 58, DATED BANGALORE, THE 27TH JUNE 1959
(ASHADHA 6, SAKA ERA 1881).

At present there is no uniform system of recovering establishment charges whenever any land is acquired under the Land Acquisition Act on behalf of any Company or Local Body or on behalf of the Central Government. In order to have a common system and in view of the increasing volume of work relating to acquisition of lands, it is considered necessary to recover the establishment charges in all cases of acquisition for the benefit of Central Government Departments, Companies, Local Bodies, Industrial Concerns, Electricity Board, Co-operative Institutions, etc.

2. Government is therefore pleased to direct that whenever any land is acquired for Companies, Local Bodies, Industrial Concerns, Electricity Board, Co-operative Institutions, Central Government Departments, etc., the Establishment charges as per the following scale on the actual amount of compensation under the award should be recovered from those Departments:—

- | | |
|---|--|
| (i) Estimated cost of acquisition up to Rs. 50,000 | ... 10 per cent. |
| (ii) Estimated cost of acquisition between Rs. 50,000 to Rs. 1,00,000 | ... at 10 per cent up to Rs. 50,000,
at 5 per cent above Rs. 50,000. |
| (iii) Estimated cost of acquisition above Rs. 1,00,000 and above | ... at 10 per cent on Rs. 50,000,
at 5 per cent above Rs. 50,000 up to Rs. 1,00,000,
at 3 per cent on amount above Rs. 1,00,000. |

3. This levy may be made irrespective of the fact whether any special establishment is entertained or not.

4. The following classes of acquisition cases are however exempted from the levy of Establishment Charges:—

- Acquisition of lands on behalf of Village Panchayats and Town Panchayats inclusive of smaller municipalities with population not exceeding 10,000;
- Acquisition of lands on behalf of Village Co-operative Societies;
- Cases where a local body appoints its own Land Acquisition Officer and meets the full cost of the establishment.

5. Government also reserve the right to exempt by a general or special Order any individual land acquisition proceedings or class of proceedings from the recovery of the establishment charges.

By Order and in the name of the Governor of Mysore,

G. S. RAJASEKHARAN,

*Under Secretary to Government,
Revenue Department.*

COMMERCE AND INDUSTRIES SECRETARIAT

Constitution of Coir Advisory Board.

ORDER

No. CI 17 RCR 59, DATED BANGALORE, THE 3RD JULY 1959.

(ASHADHA 12, SAKA ERA 1881).

Repeated representations are being received by the Government for organising Coir Industry on co-operative lines particularly in areas where there are coconut plantations. It is felt that there is tremendous employment potential in this State for Coir Industry if the same is started on Co-operative and Cottage Industry basis. It is therefore considered necessary to take immediate steps for the development of the Coir Industry, utilising the employment potential that is so readily forthcoming and the raw material available in several parts of the State.

2. In accordance with the policy of the Government of India, in the matter of starting Cottage and Village Industries, the Coir Industry has to be tackled on a planned basis and it is necessary to constitute a Coir Advisory Board for implementing the programme. With this end in view and with a view to giving greater impetus to coir industry, Government are pleased to constitute a Coir Advisory Board consisting of the following persons :—

Sriyuths—

1. K. K. Shetty, M.L.C., Mangalore (*Chairman*).
2. T. N. Mudalagiri Gowda, M.L.A., Nagavalli, Tumkur Taluk.
3. Mayasandra N. Srikantiah, Landholder, Turuvekere Town, Tumkur District.
4. A. M. Basave Gowda, B.Sc., M.L.A., Chickmagalur.
5. B. Rachiah, B.Sc., B.L., M.L.A., Chamarajanagar.
6. T. Madiah Gowda, Ex-Member of Parliament, Ramanagaram, Bangalore District.
7. Mallikarjunaswami, B.A., LL.B., M.L.A., Malavalli, Mandya District.
8. R. S. Hegde, B.A., LL.B., Social Worker, Honnavar, North Kanara.
9. Hari Pai, Ankola, North Kanara.
10. Suryanarayana Joshi, B.A., B.L., Gulur, Bagepalli Taluk.
11. Y. Ramakrishna, B.Sc., B.L., M.L.A., Magadi Road, Gopalpura, Bangalore City.
12. Smt. Dyavamma, M.L.A., Gandasi, Hassan District.
13. Shivanna, Municipal President, Shiralkoppa, Shimoga District.
14. M. G. Rama Reddy, Church Extension, Chitradurga.
15. S. K. Kallapur, All India Khadi and Village Industries Commission, Dharwar.

Official Members.

1. Secretary to Government, Commerce and Industries Department, Bangalore.
2. Registrar of Co-operative Societies in Mysore, Bangalore.
3. Joint Director of Industries and Commerce (Rural Industrialisation), Bangalore.
4. Coir Expert, Industries and Commerce Department (*Secretary and Convenor*).

292

3. The functions of the Board will be as follows:—

(1) To advise Government generally on Coir Industry and in particular to consider ways and means of promoting the growth of this Industry by suggesting ways for meeting their financial needs and to make efforts to start more and more Coir Industries by creating a favourable atmosphere and organising Co-operative Societies for this Industry in the State; and

(2) To deal with the specific problems relating to this Industry which might be placed before the Board by Government from time to time.

4. Except in the case of official members who may be such as may be appointed by Government from time to time, the non-official members shall hold Office for a period of TWO YEARS from the date of this Government order or until the Board is reconstituted thereafter. Vacancies occurring during the tenure of the Board will be filled up by nomination by Government.

5. The Board should hold its meetings at least four times in a year and oftener, if necessary. The meetings should be convened by the Secretary with the approval of the Chairman.

6. In the absence of the Chairman, the Members will be competent to elect a Chairman for the meeting. The proceedings of any meeting duly authenticated by the Chairman of the meeting shall be *prima facie* evidence of the business transacted by such meeting.

7. All questions for decision before the Board shall be decided by a majority of members present and voting.

8. The Secretary of the Board shall be responsible for maintaining the Minutes of the meetings of the Board and generally for assisting the Board in the discharge of its functions.

9. The non-official members of the Board will be allowed Travelling and Daily Allowances in accordance with list "A" in the Annexure to the Government Notification No. COD 1168-57, dated 23rd August 1957. The non-official Chairman will draw Travelling Allowance and Daily Allowance at these rates in connection with his visits for the work of the Board to any part of the State. The Chairman of the Board will be allowed to visit places outside the State and paid T.A. and D.A. at these rates, with the previous sanction of Government.

10. The Joint Director of Industries and Commerce (Rural Industrialisation) shall countersign the T.A. and other Bills of the non-official Members of the Board.

By Order and in the name of the Governor of Mysore,

V. S. HIREMATH,

Deputy Secretary to Government,
Commerce and Industries Department.

HOME SECRETARIAT

Records the Administration Report of the Motor Vehicles Department for the year 1957-58.

REFERENCE—

Letter No. C. Per. A(9)-1/59, dated the 21st February 1959, from the Commissioner for Transport in Mysore, forwarding the Administration Report of the Motor Vehicles Department for the year 1957-58.

ORDER No. HD 134 MVE 58, DATED BANGALORE,

THE 9TH JUNE 1959.

Recorded.

2. Shri K. Henjerappa, B.A., B.L., continued as Commissioner for Transport throughout the year.

3. The Motor Vehicles Department was reorganised with effect from 1st April 1957, with 5 Regions for Administrative purposes, viz., Bangalore, Belgaum, Gulbarga, Mangalore and Mysore. A Regional Transport Officer was appointed for each region as the Executive Officer and as Secretary of the Regional Transport Authority concerned.

The amended Motor Vehicles Act (100) of 1956 having come into force from 16th February 1957, the Commissioner for Land Revenue and Settlement and *Ex-Officio* Director of Food Supplies was appointed Chairman, Mysore State Transport Authority and he continued from 1st April 1957 to 31st December, 1957. Subsequently, the Divisional Commissioner, Bangalore, was appointed Chairman, State Transport Authority. Sri K. Henjerappa was appointed Secretary, Mysore State Transport Authority, with effect from 1st April 1957. The arrangement of having 5 Regions was, in practice, found to be rather unwieldy and inconvenient particularly in regard to registration and inspection of motor vehicles and payment of tax. Government therefore passed orders constituting 19 Regions with effect from 1st January 1958 at one for each Revenue District with the Additional District Magistrate as its Chairman and Regional Transport Officer as its Secretary and Executive Officer.

4. The Regional Transport Officers were appointed Licensing Officers under the Mysore Motor Vehicles Taxation Act, 1957. The control of traffic throughout the State continued to be the responsibility of the police.

Uniform rules under the Motor Vehicles Act applicable throughout the State, were under compilation.

5. *Appeals*.—The authority to decide an appeal against the orders of the Regional Transport Authority was the State Transport Authority. The Secretary of the State Transport Authority was delegated the power to hear and dispose of the applications for stay orders and vacating the same. It was provided that Second Appeals against the orders of the State Transport Authority would lie to the Revenue Appellate Tribunal. During the year under report the following Appeals and Revision petitions were filed and disposed of:—

	Filed	Disposed of	Balance
Appeals	430	305	125
Revisions	243	177	66

6. *Inter-State Reciprocity*.—Agreements in respect of Taxation, movement of motor vehicles on inter-state routes and other matters involving joint interests have been finalised in respect of the neighbouring States of Madras, Bombay and Kerala. In regard to the Andhra Pradesh State, the matter was under active consideration. The principle of levy of single point tax has, however, been accepted in general.

7. *Statistics*.—The total number of cars and other non-transport vehicles in use in the new State at the end of the year was 17,591 (13,727) excluding 5,885 motor cycles. The number of vehicles newly registered and re-registered during the year was 16,956 (4,906) of which 2,621 were motor cycles. In all, 13,476 (9,365) pucca permits and 8,375 (2,328) were issued to transport vehicles. The number of driving licences and conductor's certificates issued during the year were 33,424 (35,622) and 6,395 (3,365) respectively.

8. The following penalties were imposed under the Motor Vehicles Act and Rules:—

(a) Permits suspended	Nil (7)*
(b) Permits cancelled	Nil (61)
(c) Drivers disqualified	61 (41)
(d) Conductors certificates suspended	97 (28)
(e) No. of cases convicted under the Motor Vehicles Act and Rules	33,965 (21,189)
(f) No. of prosecutions launched under the Motor Vehicles Taxation Acts and Rules	8,307 (9,201)
(g) No. of convictions	6,027 (8,425)
(h) No. of fitness certificates issued during the year	7,587 (2,837)

* The figures in parenthesis relate to last year 1956-57.

9. *Receipts.*—The Motor Vehicles Taxation Acts in the integrated areas of the State continued to be in force up to 1st January 1958, when a uniform Taxation Act applicable throughout the State was brought into force.

10. The net receipts during the year on account of the Motor Vehicles Act and Rules and the Motor Vehicles Taxation Act and Rules was Rs. 2,19,96,025.09 (Rs. 1,30,88,875.69).

11. The working of the Department was on the whole satisfactory.

By Order and in the name of the Governor of Mysore,

R. M. VANCHESWARA IYER,

*Under Secretary to Government,
Home Department.*

Reviews the Annual Administration Report on the working of the Prisons Department during the Calendar Year 1957.

READ—

Letter No. P8. 348—58, dated the 29th October 1958, from the Inspector General of Prisons submitting the report on the working of the Prisons Department during the calendar year 1957.

ORDER No. HD 1 PAD 58, DATED BANGALORE, THE 1ST JUNE 1959
(JYEISHTA 11, SAKA ERA 1881).

Recorded.

Direction.—Shri B. Thimmaraj Urs, I.P.S., was the Inspector General of Prisons from the beginning of the year 1957 till the 29th June 1957 on which date Shri C. Doraiswamy, the Deputy Inspector General of Prisons, was placed in additional charge of the post of the Inspector General of Prisons. He continued till the end of the year 1957.

Prison Institutions.—At the beginning of the year under report, the 5 Central Jails, 5 District Jails, 1 Special Sub-Jail, 7 District Lockups, 2 Special Lockups, 84 Sub-Jails and Taluk Lockups, 2 Borstal Schools, 2 Junior Certified Schools and 2 Industrial and Agricultural Settlements were functioning under the control of the Inspector General of Prisons. During the month of May 1957 the two Junior Certified Schools at Bellary and Hubli and the two Industrial and Agricultural Settlements at Bijapur and Khanapur were transferred from the control of the Inspector General of Prisons to the Director of Social Welfare and Chief Inspector of Certified Schools in the State.

Prison population.—At the commencement of the year under report there were 4,886 prisoners of all classes in the several Jails and Lockups, 24,616 were newly admitted, 24,431 were discharged and 5,071 remained at the close of the year. The daily average prison population was 4796.39 as against 6249.44 during the previous year, the reason for the decrease in the Prison population is due to the fact that General Amnesty was granted in August 1957 in commemoration of the Centenary of the Struggle for the Freedom of India.

Escapes.—During the year under report the total number of prisoners that escaped were 14, of which 8 were apprehended and 6 remained at large as against the corresponding figures 12, 6 and 6 for the previous year.

Jail Offences.—One hundred and forty Major prison offences and 218 minor offences were dealt with by the Superintendents of Jails for the breach of jail rules by the prisoners during the year under report as against 63 and 173 during the previous year. In the case of the lockups no offences were dealt with by the officers in charge of the Lockups.

Convict Officers.—During the year under report, the total average number of prisoners appointed as Convict officers was 230.85 in the case of males and 13 in the case of the females as against 741.97 and 2.30, respectively, during the previous year. The average number of convicts so employed has not exceeded the limit prescribed in the rules of the several Jail Manuals in force in the State.

Expenditure.—The total expenditure incurred in respect of the Central Jails, District Jails and Special Sub-Jails during the year under report was Rs. 19,91,629.56 as against Rs. 10,94,128.40 during the previous year. Similar figures for the Taluk Lockups and Sub-Jails were Rs. 4,61,910.09 and Rs. 2,49,467.41 respectively. The total average cost per head of average strength in the Central District and Special Sub-Jails was Rs. 415.27 as against Rs. 185.10.6 during the previous year.

The corresponding cost in respect of the Taluk Lockups and Sub-Jails was Rs. 379.86 and Rs. 252.12-0 respectively. Compared to the previous year's figures the average cost during the year under report appears very high. This is due to the fact that while computing the cost for the year under report the expenditure on all prison institutions for the whole State under all heads of service have been taken into account for the entire year which was not done in the previous year.

Outstandings.—The total amount of outstanding bills due to the manufactories of the several jails at the beginning of the year under review was Rs. 1,94,315.21 and at the end of the year it was Rs. 1,44,835.51. Though there was some progress in the adjustment of the outstanding bills, still the total amount on outstanding bills was considerably heavy. Government desire that suitable action should be taken to adjust the pending bills without any further delay.

Jail Manufactures.—The total value of the articles manufactured in all the Jails in the State was Rs. 3,78,554.17, as against Rs. 4,27,240-3-11 during the previous year. Government observe that in spite of the instructions issued last year, the production in the jail manufactories has decreased during the year under report and desire that earnest efforts should be made to step up production.

Education.—The Schools and Adult Literary classes established in the Jails continued to function and proved very useful in imparting literacy to a very large number of prisoners. A number of useful books have been purchased for the libraries. Newspapers are being supplied to all the major Jails and other prison institutions. Religious and Moral lecturers continued to visit the Jails to impart religious and moral instructions to the Prisoners. The two Borstal Schools at Bellary and Dharwar followed the curriculum prescribed by the Department of Education for imparting education to the inmates lodged therein.

General.—The outstanding features of the year was the grant general amnesty to prisoners under specific conditions in commemoration of the centenary celebrations of the Freedom of struggle on 15th of August 1957. As a result of the order 1,218 prisoners of different categories were released from the Prison institutions and 2,848 prisoners earned State remissions.

The Inspector General of Prisons visited and inspected all the major Jails and some of the lockups in the State. The official and non-official visitors visited the Jails and District and Special Lockups regularly and suitable action was taken by the Department on their suggestions.

The Health, discipline and conduct of the prisoners continued to be good and the working of the Prisons Department during the year under report was satisfactory.

READ—

1. Government Order No. P & D 456 FND 57-58, dated 21st February 1958, prescribing a uniform and simplified accounting procedure to be followed in the Community Development/National Extension Service Blocks from 1st April 1958.

2. Official Memorandum No. P & D 456-FND 57, dated 2nd September 1958, prescribing the returns to be submitted to the Planning and Development Department.

3. Government Order No. P & D 479 CDP 57, dated 20th November 1958, delegating powers in respect of Grant-in-aid works and prescribing the procedure to be followed in the matter of payment of Grants, etc.

4. Government Order No. P & D 138 CCH 58, dated 27th March 1959, entrusting the Panchayets and other village institutions with the responsibility for Planning and Executing the local works portion of the Schematic Budget with the guidance and approval of the Block Development Committee.

ORDER NO. P & D 80 AFN-59, DATED BANGALORE, THE 1ST, JULY 1959

(ASHADHA 10, SAKA ERA 1881).

In the Government Order cited fourth above, Government has already laid down the principle that the responsibility for execution of all new works and Schemes under certain heads of the Development Block Budget and incurring of expenditure vests with the Panchayets, wherever they exist, from the date of that order. The order covers the following works :

STAGE I BUDGET.

(i) Non-recurring—		
Drinking water supply	Rs. 0.50 lakh	
Drainage and sanitation	Rs. 0.25 lakh	
Education	Rs. 0.45 lakh	
Social Education	Rs. 0.30 lakh	
Communications	Rs. 0.85 lakh	
Total	Rs. 2.35 lakh	

(ii) Recurring—		
Education and Social Education	Rs. 0.55 lakh	
Grand Total	Rs. 2.90 lakh	

STAGE II BUDGET.

(i) Non-recurring—		
Health and Rural Sanitation	Rs. 0.50 lakh	
Education	Rs. 0.50 lakh	
Social Education	Rs. 0.15 lakh	
Communications	Rs. 0.50 lakh	
Total	Rs. 1.65 lakh	

(ii) Recurring—		
Social Education	Rs. 0.35 lakh	
Grand Total	Rs. 2.00 lakhs	

2. An illustrative list of works and schemes is appended to this Order.

3. In order that Panchayets may be enabled to carry out their responsibilities within the framework of Rules, the following procedure is prescribed with regard to the formulation and implementation of the works and schemes under the above categories:

A. *Works.*—(i) The proposals for works will be sent up by the Panchayets along with a brief estimate of the probable cost and plans to the Block Development Officer, who will place it before the Block Development Committee for approval.

(ii) After the approval of the Block Development Committee for the Scheme, the Block Development Officer, will get the necessary detailed estimates and plans through the concerned Extension Officer and will issue formal sanction up to the limit of his delegated powers or will obtain the sanction of the authority empowered and he will entrust the work to the Panchayet for execution. The sanction Order will clearly indicate the Government share and the People's Contribution in terms of labour, cash or material.

(iii) The Block Development Officer will make an advance payment of 50 (fifty) per cent of the Government share on the production of a work commencement certificate from the Gramasevak of the Circle. He will make a second advance payment of 45 (forty-five) per cent of the Government share on the production of a certificate by the Extension Officer for Engineering, that the amount of Government share so far paid, and the People's Contribution has been fully utilised, and the work has progressed and is in keeping with the estimate and plans. The balance of 5 (five) per cent of the Government share will only be paid after a certificate of completion according to plan and of satisfactory work is issued by the Extension Officer for Rural Engineering.

(iv) Before the Government share is paid to the Panchayets, an agreement in the prescribed form has to be entered into between the Chairman, Village Panchayet and the Block Development Officer that—

(a) the work would be executed as per approved plans and designs ;
 (b) the amount would be utilised for the purpose for which it is intended ;
 (c) the work would be subjected to the supervision of the technical staff and administrative Officers, of the Community Development Programme ;

(d) the work would be completed within a period of one year from the date of drawal of the first instalment ;

(e) where the actual expenditure exceeds the estimated cost, then to the extent of Government share payable in respect of the excess expenditure incurred a revised estimate would be prepared if it exceeds 5 (five) per cent over the original estimate and the same put up before the Block Development Committee for consideration ;

(f) where the excess expenditure incurred is less than 5 (five) per cent, the Panchayet itself should meet the excess expenditure out of its own resources ; and

(g) where however, the actual expenditure on the work is less than the sanctioned estimate, the Government share shall be proportionately reduced and will be adjusted in the final instalment, and any excess paid shall be refunded to Government.

(v) If the Panchayet becomes a defaulter and fails to execute the work within a period of one year from the date of payment of the first instalment, the entire amount paid by Government shall be due to the Government and shall be liable to be credited back to the Government. The Block Development Committee are however authorised to extend the time for execution for a further period not exceeding 6 months. Further extension should be avoided but in special cases, the Deputy Commissioner is empowered to extend it by a further period of 6 months.

(vi) The works executed by the Panchayets will form the property of the respective Panchayets, the maintenance of which should be carried out by the Panchayets themselves after the works are completed. However, in cases of buildings provided for Governmental Institutions such as schools, medical and veterinary dispensaries, etc., the property shall vest in the Department concerned, who will be responsible for the maintenance. The works should be carried out as per plans and estimates, approved by the Block Development Committee and sanctioned by a competent authority. Type designs should be adopted in respect of works for which type designs have been prescribed. The works executed by the Panchayets by their own staff will be subject to supervision by the technical staff of the Block.

(vii). At present, in respect of works for which Grants-in-aid are sanctioned in accordance with Government Order No. PD 479 CDP 57, dated 20th November 1958, by the competent authority, the Extension Officer for Rural Engineering or other Officers are charged with the responsibility of furnishing a certificate as to the starting of the work, progress of the work, etc. He is required to record the first, intermediate and final measurements of all such works for which Grant-in-aid is given and produce the same for inspection of the Block Development Officer or other higher Officers and also to the Audit. In respect of works entrusted to and executed by the Panchayets also under the provisions of this Government Order, a similar procedure should be followed by the Extension Officer for Rural Engineering or other Officers should be charged with responsibility of furnishing a certificate as to the starting of work, progress and plan of work, etc. Any lapse on the part of these Officers in furnishing certificates after proper scrutiny, regarding the works for which Grants-in-aid have been given for advance payments to Panchayets towards Government share of expenditure, are made under 3A (iii) above, will entail personal responsibility for the excess payments made being fixed against such Officers.

B. Schemes other than works.—In regard to the Schemes other than works, the proposals will first be sent by the Panchayets to the Block Development Officer, who will place it before the Block Development Committee for approval. After the approval of the Block Development Committee is obtained, necessary sanction will be issued by the Block Development Officer or other competent authority. Thereafter, the following procedure will be followed:—

(i) **Equipment.**—The Block Development Officer may advance to the Panchayet the full cost of the equipment, if the expenditure to be incurred is within his powers of sanction or if the expenditure to be incurred is beyond his powers of sanction, the Block Development Officer will arrange to have the sanction obtained from the authority competent to accord sanction and shall require the Panchayet to produce a certificate from the Chairman of the Panchayet duly countersigned by the Gramasevak of the Circle with a certificate of verification that the equipment sanctioned has been purchased and taken to stock and is being properly utilised.

(ii) In regard to recurring expenditure of the Schemes, the Block Development Officer may advance to the Panchayet an amount not exceeding 6 months' recurring expenditure on the Scheme. The subsequent advances will be paid only on production of a certificate of expenditure indicating the details of actual expenditure incurred. The concerned Extension Officers and the Gramasevaks shall inspect the equipment and the Schemes and works periodically and shall send in reports as to the proper utilisation or otherwise and these reports will be placed before the Block Development Committee.

(iii) The Panchayets will furnish a list of equipment purchased for the various Schemes for record and verification at the Block Development Office.

(iv) The Block Development Officer will forward to the Gramasevak a copy of all sanctions relating to his area for information and shall require the Gramasevak to maintain a register of such sanctions, wherein the periodical inspection and progress will be indicated.

(v) The certificates as to the inspection and verification of equipment purchased by the Village Panchayets under the provisions of this Government Order shall be furnished by the following:

Gramasevaks	Up to value of Rs. 250.
Extension Officers	Equipment of value exceeding Rs. 250 up to Rs. 1,000.
Block Development Officers	Equipment of value exceeding Rs. 1,000.

In case of equipment supplied to Government institutions, such as medical dispensaries, veterinary dispensaries, schools, etc., the concerned local Departmental Officer may furnish the report.

4. **Crediting of People's Contribution, etc.**—In the case of works for which Grants-in-aid are sanctioned as per Government Order No. P & D 479 CDP 57, dated 20th November 1958, the Contributions in cash should not be received and credited as Revenue or Deposits by the Block Development Officers, as it would be the responsibility for the grantee to collect and spend the Contribution. The transactions relating to Cash contributions from the people should not also enter the

accounts of the Block. The grantees should be allowed to credit the Cash Contributions to their own accounts in a Post Office Savings Bank Account or in a Co-operative institution or Savings Bank Account in a Treasury. On the same analogy, the Panchayets shall be required to deposit their money including the Local Cash Contributions in a Savings Bank Account at the Treasury or in a Co-operative institution, approved by the Block Development Officer and shall draw the amounts as and when necessary.

5. The Block Development Officers will plan their Programme for these works for the entire period of the Block well in advance and will obtain the approval of the Block Development Committees. Any variations from the original Programme will be made only with the approval of the Block Development Committee.

6. All payments for the works and Schemes indicated in this Order will be on a Payee's Receipt countersigned by the Block Development Officer or Project Executive Officer or Deputy Development Commissioner, as the case may be and shall be payable at the Taluk Treasury.

7. **Sanctions:**—The Officers competent to accord sanction to the payment of Government share of expenditure on works executed by the Panchayets under the provisions of this Government Order are listed below and the powers up to which they can accord sanction to the payment of Government share of expenditure on works are indicated against each of them.

Divisional Commissioner and Joint Development Commissioners	Rs. 20,000
Deputy Commissioners and Deputy Development Commissioners	15,000
Assistant Commissioners and <i>Ex-officio</i> Project Executive Officers	7,500
Block Development Officers	3,000

8. Difficulties if any in the implementation of this Order may promptly be brought to the notice of Government by the Divisional Commissioners/Deputy Commissioners.

By Order and in the name of the Governor of Mysore,
G. V. K. RAO,
Secretary to Government,
Planning and Development Department.

Executive orders regarding the Supply of Water to the Irrigators of Ghataprabha Left Bank Canal during the monsoon season of 1959.

OFFICIAL MEMORANDUM

No. PWD 12 MGL 59, DATED BANGALORE, THE 27TH JUNE 1959
(ASHADHA 6, SAKA ERA 1881).

In accordance with instructions issued in Government Order No. PWD 12 MGL 59, dated 1st April 1959, Government have undertaken to supply water free of water rate to all lands under the Ghataprabha Project (excluding those under Gokak Canal), which have not so far utilised water for purposes of irrigation during the ensuing Kharif Season from 15th June 1959 for growing Kharif Crops (except Sugarcane). It is clarified for information of the Officers concerned that, as such supply is not made at the instance of any person desiring to have a supply of water from a canal, it is not a case coming under Section 27 of the Bombay Irrigation Act, 1879 and consequently the rules relating thereto do not apply.

FINANCE SECRETARIAT

Prescribes the Calendar for Budget Works 1960-61.

ORDER No. FD.74.BUD 59, DATED BANGALORE,
THE 11TH JULY 1959.

The attached Calendar for regulating the Budget work for 1960-61 is approved. The object with which an interval is allowed for several items of work is to secure even flow of work in the Finance Department (Budget) and thus avoid rush of work in the last stages. Estimating officers are requested *not* to take up the entire interval but to see that **top priority** is given to the Budget work and that returns are sent direct to the **Budget Branch** of the Finance Department addressed to the Under Secretary to Government, Finance Department (Budget) by name as soon as they are completed without waiting for the prescribed date.

2. All estimates are to be framed with the greatest possible care and with particular regard to *sanctions* and *actual requirements*. Those relating to receipt heads should aim at forecasting the realisable result as closely as possible; and those relating to expenditure heads—Revenue and Capital—should be limited to the minimum requirements.

3. Only such sanctions to establishment and other recurring charges as are communicated on or before 1st September 1959 may be ordinarily taken into account in framing the expenditure estimates. But a list of fresh sanctions should be sent to the Finance Department as on 1st January 1960, immediately after that date as in the previous year.

4. According to the existing procedure of framing the Plan Programme for the Budget year, the Planning and Development Department holds discussions with the Heads of Departments and prepares the Schemewar details which are finalised after discussion with the Planning Commission. On the basis of this, the Finance Department prepares a booklet of Plan Outlay according to Budget Heads giving details of Central assistance and the same is placed before the Legislature along with the Budget Estimates. The Planning and Development Department thereafter prepares a Plan Book giving a description of the Schemes and this is also supplied to members of the Legislature after the Budget Estimates are presented. Now that the Plan Programme prepared by the Planning and Development Department contains most of the details of the schemes in the Second Plan and there is limited scope for addition of new schemes, it is now decided that the Planning and Development Department should prepare a draft of the Plan booklet for 1960-61 (last year of the II Plan) by 15th December 1959 and thereafter the Finance Department will prepare the Plan Outlay according to Budget heads. In order that the Finance Department may be able to check up and finalise, if necessary after discussion with the Departments, the grants to be provided according to Budget heads indicating Central assistance, the Planning and Development Department should specify in respect of each Scheme the following details:

1. Outlay debitable to Revenue;
2. Outlay debitable to Capital heads;
3. Outlay debitable to Loan and Advance heads; and
4. Central assistance (percentage) of outlay—Loan or grant anticipated.

5. If in the Plan Programme prepared by Planning and Development Department in consultation with Finance Department, the Schemes are arranged under each Plan group head in the order of priority, it will be easier to omit less important schemes with reference to the Plan Ceiling fixed on the basis of resources. It is, therefore, requested that Heads of Departments should from now alone prepare the details, so that the time schedule could be adhered to. The Planning and Development Department will, however, issue instructions separately.

6. In giving details, such of the schemes not included in the Budget of 1959-60 and which come under the definition of New Service should be indicated separately, so that Finance Department could bring specifically these to the notice of the Legislature, if they are finally included in the Plan Programme within the ceiling. The expenditure estimates as a whole will be finalised in the Finance Department after incorporating the several provisions for Plan Schemes and the Centrally Sponsored Schemes as fixed above.

7. The Estimates should not be sent piecemeal. The Heads of Departments and Divisional Commissioners should forward consolidated estimates in the printed form to the Finance Department (Budget) in a complete manner. The Heads of

Departments including Divisional Commissioners should make special arrangements well in advance for obtaining information from the subordinate officers. In spite of allowing sufficient time and repeated instructions from time to time, the Finance Department experienced much difficulty, while framing Estimates of 1959-60 as the Departments went on proposing alterations even after the Estimates were finalised. In some cases consolidated estimates were not properly prepared.

8. In some cases the Heads of Departments and other Estimating Officers had simply forwarded without proper scrutiny copies of estimates received from their subordinate officers which were prepared in manuscript in different forms and in varying sizes. It should be noted that the work of consolidation of the estimates received from the subordinate officers after scrutiny is the responsibility of the Chief Controlling Authority who has to exercise control over the estimated expenditure of the entire department.

9. The subordinate officers are still in the habit of either forwarding estimates direct to the Finance Department without routing them through their Heads of Departments or they endorse copies of estimates sent by them for information of Government. It may be clearly understood that Finance Department will not take cognisance of such data furnished directly by subordinate officers. It is the duty of the Heads of the Departments to issue necessary instructions to their subordinate officers not to repeat such procedure this year. Each Head of the Department has to see that the work of consolidation of the estimates received from their subordinates in the prescribed standard forms is done and *only such consolidated estimates pertaining to his department are sent to Finance Department (Budget) on or before the due dates fixed.* It may be noted that any Estimates received after the due dates cannot obviously be considered and the Departments will be responsible for omissions as a result of such belated proposals. Any delay in forwarding of the estimates beyond the due dates prescribed will be brought to the notice of the Ministers in charge.

10. It has been decided that with effect from 1960-61, a list of *New Items* of Expenditure should be printed separately as an Appendix to the Budget Memorandum. It is, therefore, necessary for the Heads of Departments to furnish detailed explanatory note for each such item as may be treated as an item of New Expenditure in accordance with the definition given in the Annexure-I. Such items should be clearly indicated both in respect of expenditure proposed within the Plan and outside the Plan separately. The acceptance of any of the items referred to will depend upon the resources available after providing for all Committed Items and Schemes already sanctioned and in progress. It is, therefore, very necessary that proper priorities should be fixed for the New Items of Expenditure.

11. In respect of Works Expenditure, particular attention is invited to Official Memorandum No. FD 11 BPL 59, dated 30th May 1959 and the Heads of Departments will keep in view the instructions contained therein. A copy of the said O.M. is also appended to this calendar (*vide* Annexure II).

12. In the consolidated Budget Estimates, the totals of major heads will be worked to thousands of rupees and those of minor heads to hundreds of rupees. In fixing the provision under individual heads of account, the provisions will have to be rounded to the nearest hundreds. This may be kept in view in preparing the Estimates.

13. The Director of Printing, Stationery and Publications is requested to treat all Budget work as urgent and return the Budget sheets on the dates prescribed by the Finance Department. The Director is personally responsible to see that no delay occurs at any stage in the Press and that the Budget work is given the highest priority.

14. Government desire to impress on all Heads of Departments, Chief Engineers and Divisional Commissioners that it is their duty to pay special attention to Budget work and to see that the time limits prescribed are strictly adhered to so that the work in the Budget Branch of the Finance Department is not held up in any stage for want of information from the departments concerned.

By Order and in the name of the Governor of Mysore,

G. MATHIAS,

Secretary to Government,
Finance Department.

By 30th January 1960.

16. Preparation of Group and Major head abstracts, Ways and Means, preparation of the Council Note, Budget Memorandum, etc. The Ways and Means Estimates will be verified by the Accountant General.

1st February to 10th February, 1960.

17. Finalisation of Budget proposals by Government.

15th February 1960.

18. Forwarding of Budget Proofs to the Press with final print order.

By 20th February 1960.

19. Completion of printing and despatch of printed copies to Government by the Director of Government Printing.

Departments including Divisional Commissioners should make special arrangements well in advance for obtaining information from the subordinate officers. In spite of allowing sufficient time and repeated instructions from time to time, the Finance Department experienced much difficulty, while framing Estimates of 1959-60 as the Departments went on proposing alterations even after the Estimates were finalised. In some cases consolidated estimates were not properly prepared.

8. In some cases the Heads of Departments and other Estimating Officers had simply forwarded without proper scrutiny copies of estimates received from their subordinate officers which were prepared in manuscript in different forms and in varying sizes. It should be noted that the work of consolidation of the estimates received from the subordinate officers after scrutiny is the responsibility of the Chief Controlling Authority who has to exercise control over the estimated expenditure of the entire department.

9. The subordinate officers are still in the habit of either forwarding estimates direct to the Finance Department without routing them through their Heads of Departments or they endorse copies of estimates sent by them for information of Government. It may be clearly understood that Finance Department will not take cognisance of such data furnished directly by subordinate officers. It is the duty of the Heads of the Departments to issue necessary instructions to their subordinate officers not to repeat such procedure this year. Each Head of the Department has to see that the work of consolidation of the estimates received from their subordinates in the prescribed standard forms is done and *only such consolidated estimates pertaining to his department are sent to Finance Department (Budget) on or before the due dates fixed.* It may be noted that any Estimates received after the due dates cannot obviously be considered and the Departments will be responsible for omissions as a result of such belated proposals. Any delay in forwarding of the estimates beyond the due dates prescribed will be brought to the notice of the Ministers in charge.

10. It has been decided that with effect from 1960-61, a list of *New Items* of Expenditure should be printed separately as an Appendix to the Budget Memorandum. It is, therefore, necessary for the Heads of Departments to furnish detailed explanatory note for each such item, as may be treated as an item of New Expenditure in accordance with the definition given in the Annexure I. Such items should be clearly indicated both in respect of expenditure proposed within the Plan and outside the Plan separately. The acceptance of any of the items referred to will depend upon the resources available after providing for all Committed Items and Schemes already sanctioned and in progress. It is, therefore, very necessary that proper priorities should be fixed for the New Items of Expenditure.

11. In respect of Works Expenditure, particular attention is invited to Official Memorandum No. FD 11 BPL 59, dated 30th May 1959 and the Heads of Departments will keep in view the instructions contained therein. A copy of the said O.M. is also appended to this calendar. (*vide* Annexure II).

12. In the consolidated Budget Estimates, the totals of major heads will be worked to thousands of rupees and those of minor heads to hundreds of rupees. In fixing the provision under individual heads of account, the provisions will have to be rounded to the nearest hundreds. This may be kept in view in preparing the Estimates.

13. The Director of Printing, Stationery and Publications is requested to treat all Budget work as urgent and return the Budget sheets on the dates prescribed by the Finance Department. The Director is personally responsible to see that no delay occurs at any stage in the Press and that the Budget work is given the highest priority.

14. Government desire to impress on all Heads of Departments, Chief Engineers and Divisional Commissioners that it is their duty to pay special attention to Budget work and to see that the time limits prescribed are strictly adhered to so that the work in the Budget Branch of the Finance Department is not held up in any stage for want of information from the departments concerned.

By Order and in the name of the Governor of Mysore,

G. MATHIAS,

Secretary to Government,
Finance Department.

ANNEXURE I
(MISCELLANEOUS)

NEW SERVICE.

(Subject to approval by the Public Accounts Committee)

Sl. No.	Item of Expenditure	Criteria for treating the expenditure as on a 'New Service'
1	Additional staff for normal increase of work or for a purely temporary need in Government Department.	The employment of additional staff in connection with an existing service or for a purely temporary need, need not be treated as a 'New Service', whatever be the amount involved. But if the extra expenditure on the expansion of an existing service exceeds Rs. 30,000 recurring per annum taking the scheme as a whole (i.e., cost of Establishment, Buildings, equipment and other amenities, etc.), the scheme should be brought specifically to the notice of the Legislature. <i>Illustration.</i> —(1) <i>Extra expenditure on staff in particular establishment.</i> If, owing to increase in work, the number of typists in all Government Offices is increased or if an extra clerk is given for each Taluk Office owing to the growth of Land Revenue work, the extra cost does not constitute a 'New Service' or 'New Instrument of Service', as it is obviously the result of a normal growth of Government work.
		(2) <i>Introduction of new Schemes.</i> —If, however, on the introduction of a new scheme (e.g., Community Development Work), an additional Revenue Inspector or Accountant is given to each taluk, the expenditure involved will be one on 'New Service', if the total annual cost exceeds Rs. 30,000 and as it involved the adoption of a new policy by Government, i.e., the sanction of increase of the cadres of services or number of posts of a particular kind (either permanently or as a temporary measure).
2	Cases other than those referred to in Sl. Nos. 1, 6 and 8, already approved by the Legislature, but where expenditure subsequently expected to exceed appreciably the amount originally intimated to the Legislature.	<i>Explanation.</i> —The term 'recurring' means the expenditure which extends beyond the financial year in which it is sanctioned. These cases need not be treated as 'New Service' provided the increase over the grant previously voted does not exceed four times the previous grant or 2 lakhs whichever is less.
3	Grants and contributions for existing purposes.	When the amount involved exceeds Rs. 15,000 recurring or Rs. 50,000 non-recurring.
4	Works	New works including Electricity Schemes expected to cost more than Rs. 1,00,000. In the case of extensions and improvements the limit is, however, Rs. 2,00,000.
5	Committees constituted by Government from time to time.	When the expenditure is estimated to exceed Rs. 15,000 per annum recurring or Rs. 50,000 non-recurring.

ANNEXURE I (concl'd.)

Sl. No.	Item of Expenditure	Criteria for treating the expenditure as on a 'New Service'
1	Expenditure on the purchase of land and buildings for the purpose of the Government of Mysore.	When the expenditure exceeds Rs. 50,000 per annum.
7	Experiments, investigations and demonstrations.	As a rule, expenditure on experiments, investigations, etc., need not be treated as on a 'New Service'. However, all expenditure of this character incurred each year without fruitful results should be reported to the Accountant General for incorporation in the Appropriation Accounts with suitable explanation for report to the Public Accounts Committee in due course.
8	Loans and advances carrying interest not covered by the provisions in the Budget.	When the amount exceeds rupees one lakh.
9	Change in classification of expenditure.	Expenditure on an existing service under one head but involving provision of funds under a different head due to change in classification of expenditure need not be considered as an expenditure on a 'New Service'.

ANNEXURE II.

OFFICIAL MEMORANDUM.

No. FD 11-BPL 59, DATED BANGALORE, 30TH MAY 1959.

(JYEISHTA 9, SAKA ERA 1881).

Subject:—Inclusion of Plan Schemes in the Budget according to priorities.

In the course of certain discussions held recently about sanctions to schemes included in the State Plan for 1959-60, it came to notice that there was no adequate understanding of the way in which the lumpsum provisions made in the Budget for works relating to Minor Irrigation Schemes should be allocated. The view was even expressed wrongly, that in order that sanction to any work may be proposed or even plans and estimates may be got ready, there should be provision included in the Budget for the work.

2. One of the fundamental rules of budgeting is that no work which has not received sanction or administrative approval of competent authority should be included in the Budget. Unfortunately, it has not been possible to observe this rule strictly, and it has happened that there are a number of cases in which either lumpsum provisions are made for unspecified works or token or rough provisions are made for specified works which have not been sanctioned and for which even plans and estimates may not be ready. It is proposed that from the year 1960-61 at least, every attempt should be made to conform to the abovementioned rule, but that in doing so, due account should be taken of the practice that has gone on for a long period, and some relaxation for an year or two may be necessary. In this view, it is requested that the Heads of Departments, while making proposals in regard to inclusion in the Budget for 1960-61, should divide works into the following categories, and assign priorities in the manner indicated while forwarding the proposals to the Finance Department sending a copy simultaneously to the Administrative Department (Public Works Department):—

(a) In any given year, there will be a number of incomplete or spill-over works. These will be of two categories:—

- (i) Those which have been started in the previous year or years and on which some money has already been spent;
- (ii) Those which were proposed to be started during the previous year, but could not be started either because sanctions were not given in time or for some other reason.

With regard to works which have been started and on which some money has been spent, there can be no question that they should receive first priority in regard to making provision in the Budget. There should also be no difficulty in specifying them by name, and giving particulars as to the estimated cost, expenditure so far incurred, and the provision proposed for the year in question (which may either be the entire balance required or a portion of it, depending on whether it is proposed or possible to complete the work during the year or not). As regards works which were included specifically in the previous year's budget, and which have not been taken up, they would no doubt have the next priority, but if these works have not been sanctioned or plans and estimates have not been prepared, it would be open to the Head of the Department to review the necessity for including all or any of these works in the Budget of the year in question and unless any of these works are urgent, priority should be given to new works for which plans and estimates are ready as indicated in the following sub-para:—

(b) The second priority in regard to inclusion of works in the budget should necessarily be in respect of all those for which plans and estimates are ready and have also been sanctioned. Among them, those for which acquisition proceedings are necessary and have to be initiated, will have to come after those for which no such proceedings are necessary and in regard to which commencement of work is immediately possible. All these works also could be named specifically while sending up budget proposals and the exact amounts required could be stated. In this category would also come such works as have been included in the previous year's budget but have not yet been taken up, although sanctioned, either because sanction was not received in time or the Department was busy with other works.

(c) Works which have not been sanctioned, but which have been investigated completely, and for which plans and estimates are ready would receive the next priority for inclusion in the budget. It should be possible to mention both the names of these works and the amounts of estimates involved as each of them would have been investigated completely.

(d) Works which have been investigated and for which plans and estimates are being prepared would receive the lowest priority, and those that have not even been investigated, no priority at all. It is contemplated that in future, no work which has not even been investigated and for which plans and estimates have not even been begun to be prepared should be included in the budget, even against lumpsum provisions.

3. With regard to lumpsum provisions under "18 Other Revenue Expenditure Financed From Ordinary Revenues" and "68 Construction of Irrigation, Navigation, Embankment and Drainage Works", in particular, it was found as a result of the discussions referred to above that there was not only no attempt at drawing a distinction between those Heads, but also no indication of the incomplete works that have been taken up under the lumpsum provisions in previous year's budget and for which a part or whole of the current year's lumpsum provisions stands committed. To take an example, against the lumpsum provision of Rs. 40 lakhs under "68A. Construction of Irrigation, Navigation, Embankment and Drainage Works" in the Budget for 1959-60, works to the extent of only about Rs. 3.5 lakhs have been specifically mentioned (Appendix 'E'). It was nevertheless understood that a number of works have been taken up and are still incomplete and expenditure on these has to be debited against this lumpsum provision. So far as the year 1959-60 is concerned, and even for subsequent years, action should be taken to see that the incomplete works are adequately provided for against the lumpsum provisions, and that only such works as it is possible to take up against the balance remaining over (either out of those specified in the Budget or out of those unspecified but which may be ready to be taken up) are included and taken up against the balance available. The present practice, more or less universal, of seeing whether a work is included in the Budget before sanction to it or even preparation of estimates and plans therefor is thought of, should cease and it should be ensured that whenever a request is made for taking up a work, necessary investigations are made and plans and estimates also prepared, so that whenever it is possible to provide for it in the Budget, its inclusion can be effected in accordance with such priorities as may be assigned to it by the Departments.

4. These instructions will also apply, *mutatis mutandis*, to other works like buildings, roads and all works for which lumpsum provisions are made. The Chief Engineer (General) and the Chief Engineer, Irrigation and Public Health are particularly requested to see that in future in regard to the Road Works as well as Minor Irrigation Works action is taken as indicated above in assigning priorities to works under lumpsum provisions. Where for the year 1959-60 no sanctions have been obtained in spite of inclusion in the Budget, action should be taken to see that by 15th of June such sanctions are obtained. Where a further examination shows that it is not possible to execute the work this year because land acquisition proceedings cannot be completed or for other reasons, or the work is not feasible, a clear and definite report should be made to the effect that those works although included in the Budget cannot be taken up. To the extent budget provision is released on this account, other sanctioned or priority works could be taken up if reappropriation is permissible.

5. In respect of the building programmes of the Departments to be included in the annual Plan for 1960-61, the following special procedure may be followed from now onwards:—

(i) All non-Plan items under "81 Capital" are normally described and location clearly indicated. Even in respect of these non-plan items, there may be a few, in whose case, locations will have to be given. The administrative department will furnish a complete list to the Chief Engineer (General) by November 1st, 1959, i.e., the date by which the Budget Estimates of the Department are to be prepared. The Chief Engineer (General) will then forward the consolidated lists to Finance Department by November 21st.

(ii) In regard to Plan items, the administrative departments are requested to work out a list of buildings likely to be required in respect of the next year's Plan. In doing so, they may assume an outlay roughly equal to that of the current year, but will have to provide within this amount both for completion of old works as well as for new works. In this connection priorities should be fixed as detailed in sub-para (a) to (d) under para 2.

(iii) The Administrative Departments will know their actual Plan provisions for the year by January 1960. The Secretary of the Administrative Department concerned will then inform the Chief Engineer (General) immediately the amount earmarked in the Plan of his Department/Departments against "81 Capital". Normally, this provision should be shown against specific building items, as the Administrative Department is expected to draw up its building programme from now onwards, having regard to availability of land, etc. If, however, there is some portion remaining to be earmarked to specific items, action should be taken to have the location and other details finalised on the lines of the instructions already given in the Official Memorandum dated 16th April 1959.

6. The receipt of this Circular may be acknowledged and a report furnished to Government by the end of June indicating the action taken to ensure that the terms of the Circular are conformed to.

N. S. BHARATH,

Deputy Secretary to Government,
Finance Department (Budget).

LOCAL SELF-GOVERNMENT AND PUBLIC HEALTH SECRETARIAT

Reviews the Administration of Municipalities in the State for the year 1956-57.

READ—

1. Letter No. LG 1/GL/147/1768, dated 30th October 1957, from the Divisional Commissioner, Gulbarga, forwarding the Administration report of the municipalities in the Division for the year 1956-57.
2. Letter No. M1/C/1184/57-58, dated 1st—7th November 1957, from the Divisional Commissioner, Bangalore Division, forwarding the Administration report on the working of the Municipalities in the Division for the year 1956-57.

4. Letter No. GB/MUN/PR 1, dated 27th March 1958, from the Divisional Commissioner, Bangalore Division, forwarding the Administration report of the Municipalities of the Division for the year 1956-57.

ORDER NO. LLH 13 CAO 57, DATED BANGALORE, THE 2ND JUNE 1959
(JYEISHTA 12, SAKA ERA 1881).

The reports were not submitted in time and were received only after repeated reminders. The Divisional Commissioners are, therefore, requested to get the reports in time and forward the same to Government before the due dates.

2. *Gulbarga Division.*—This division has been formed with Hyderabad Karnataka Area on 1st November 1956, as a result of the reorganisation of the States consisting of three districts, *viz.*, Gulbarga, Raichur and Bidar. Due to the reorganisation of the States, the following taluks of the three districts form the Division:—

- | | |
|-----------------------|--|
| (i) Gulbarga District | (10) Gulbarga, Yadgir, Shorapur, Shahapur, Jewargi, Chincholi, Sedam, Chitapur, Afzalpur and Alland. |
| (ii) Raichur District | (9) Raichur, Manvi, Sindhnoor, Gangawati, Koppal, Yelburga, Kushtagi, Lingsugur and Deodurg. |
| (iii) Bidar District | (4) Bidar, Bhalki, Santapur and Humnabad. |

Belgaum Division.—As a result of the reorganisation of the States with effect from 1st November 1956, four Kannada Districts of former Bombay State, *viz.*, Belgaum, Bijapur, Dharwar and North Kanara were included in the New Mysore State and a Division was formed.

Bangalore and Mysore Divisions.—The Commissioner for Local Self-Government was the Head of the Local Self-Government Department of the Ex-Mysore State till the end of October 1956. Consequent on the reorganisation of the States with effect from 1st November 1956, the post of the Commissioner for Local Self-Government was abolished with effect from 1st November 1956, and the control of the local bodies was entrusted to the four Divisional Commissioners whose posts were created for the four Divisions into which the New Mysore State was divided for the better administration of the State. The Municipalities in Coorg Area and the Mangalore and Udupi Municipalities of the Ex-Madras State have been included in the Mysore Division.

Constitution.—There are Town, City and Borough Municipalities in the four divisions of the State as detailed below:—

Name of the Division	Number of Town and District Municipalities	Number of City Municipalities	Number of Borough Municipalities	Total
Gulbarga	15	9	...	24
Bangalore	48	2	...	50
Mysore	69	2	...	71
Belgaum	27	2	6	35

Gulbarga.—The present Municipal and Town Committees and the Councils in the City and Town Municipalities which have been constituted under the repealed Act of 1951 are deemed to continue under the present Hyderabad District Municipalities Act, 1956 (Act No. XVIII of 1956), which is in force now in this area until new Committees are constituted under the 1956 Act.

Belgaum.—The administration of the Municipalities was continued during the year under report under the provisions of the Acts, Rules and Orders of the Bombay State which were in force in that area.

Reconstitution of the Athani, Saundatti-Yellamma, Hubli and Ranebennur Municipalities on the basis of 1951 Census figures was sanctioned by Government during the year.

General elections were held during the year under report in Rabkavi-Banhatti, Ranebennur, Haveri Navalgund, Kumta and Haliyal Municipalities. Bye-elections were held in eight Municipalities.

The Rabkavi-Banhatti Municipality which was under supersession from 25th July 1952, was restored to the elected body during the year under report. The Dharwar Municipal Borough, which is under supersession from 1st October 1955, continued under supersession during the year.

Bangalore and Mysore Divisions.—All the Municipal Councils (excepting Pavagada and Y. N. Hoskote in Tumkur District) were reconstituted for a further period of four years as per the provisions of the Mysore Town Municipalities Act 1951, during the year. Pavagada Town Municipal Council in Tumkur District which was dissolved for a period of six months was reconstituted with effect from 8th September 1956. The newly elected Hospet Council of Bellary District assumed office from 1st November 1956.

BOUNDARIES.

Bangalore and Mysore Divisions.—There was no change in the area or boundaries of any of the Municipalities in the Divisions.

Belgaum Division.—There was no change in the area of the Municipalities except in the case of Ramdurg Municipality.

The financial position of most of the municipalities is not sound.

RECOVERY OF MUNICIPAL DUES.

Bangalore.—Out of the total demand of Rs. 42,06,376 (Rs. 42,50,312) in all the municipalities including arrears, a sum of Rs. 28,77,212 (Rs. 29,33,652) was collected leaving a balance of Rs. 13,29,164 (Rs. 13,16,660).

Mysore Division.—Out of the total demand of Rs. 38,25,884 including arrears, a sum of Rs. 26,37,964 (Rs. 25,01,904) was collected during the year leaving a balance of Rs. 11,87,920 at the end of the year.

Belgaum Division.—Out of the total demand of Rs. 71,26,308 a sum of Rs. 46,55,310 was collected during the year leaving a balance of Rs. 24,70,998 at the end of the year.

Arrears outstanding are heavy. Efforts should be made to recover the arrears.

GRANTS TO MUNICIPALITIES.

Gulbarga.—During the year the Government had sanctioned a sum of Rs. 58,900 and it was distributed to the several municipalities in this Division.

Bangalore and Mysore Divisions.—A total sum of Rs. 2,94,187 and Rs. 2,48,540 was respectively sanctioned as grant for Town Improvement Works in the Bangalore and Mysore Divisions.

Belgaum.—During the year, grants to the extent of Rs. 22,93,411 were paid to the municipalities.

OCTROI.

Bangalore Division.—A sum of Rs. 11,25,036 (Rs. 9,44,744) was realised under octroi during the year. The levy of octroi in Hospet Municipality was introduced with effect from 1st March 1957.

Mysore Division.—A sum of Rs. 13,66,752 (Rs. 13,24,730) in the municipalities of the old Mysore area and Rs. 2,01,891 in the municipalities of Coorg District were realised during the year. There was no octroi in municipalities of South Kanara District (*viz.*, Udupi and Mangalore).

Belgaum.—The gross collection from octroi amounted to Rs. 63,96,081 during the year.

REVISION OF ASSESSMENT.

Bangalore Division.—Revision of assessment was taken up and completed the municipalities of Channapatna, Doddaballapur, Nelamangala, Vijayapura of Bangalore District and Tumkur.

Mysore Division.—The revision of assessment of annual letting value basis was completed in the Town Municipal Councils of Yelandur, Heggadadevanakote and Nanjangud in Mysore District and in Honnali, Channagiri, Bhadravati in Shimoga District during the year.

GENERAL.

Mysore and Bangalore Divisions.—The administration of Municipal affairs was generally satisfactory except that in a considerable number of municipalities the collection work, disposal of audit objections, maintenance of accounts, etc., did not receive adequate attention.

Belgaum Division.—Many welfare activities like granting freeships to the backward class students in High Schools, free supply of slates and books to the backward classes pupils in primary schools, conducting night schools, slum clearance, etc., were undertaken during the year by the Belgaum, Nipani, Bailhongal, Bijapur and Kumta municipalities. Recovery of dues, removal of encroachments, disposal of audit notes and inspection notes, implementation of suggestions made in Master Plans, implementation of the recommendations of the Scavengers' Living Conditions Enquiry Committee are some of the important duties generally neglected by municipalities. Enforcement of the Bombay Shops and Establishments Act, Prevention of Food Adulteration Act and Vaccination Act by Municipalities was fairly adequate.

Gulbarga Division.—More amenities should be provided in the municipalities of this area.

Revision of Scales of Pay and Grant of Special Allowance to the Public Health Department Personnel.

READ—

Government Order No. FL(B), 14034-14133/Bud. 119-56-3, dated the 25th January 1957, sanctioning the scales of pay and allowances for the State of Mysore, from 1st January 1957.

2. Government Order No. LLH 153 PHA 58, dated the 30th September 1958, sanctioning the creation of a new grade of Rs. 150-10-300 to be designated as Health Officers, Second Class (Junior).

ORDER No. LLH 566 PHP 58, DATED BANGALORE, THE 1ST JULY, 1959
(ASHADHA 10, SAKA ERA 1881).

The Public Health Department has undertaken several schemes relating to the Public Health Services during the Second Five-Year Plan. Some of these Schemes could not be implemented for want of doctors and other ancillary personnel, such as Public Health Nurses, Health Visitors and Midwives. One of the reasons for the shortage of these personnel is the low scales of pay and non-payment of rural allowance. In order to overcome the difficulty of shortage of these personnel, Government had under consideration the question of revising the scales of pay of certain categories of health personnel and of granting them suitable allowance. After considering all aspects of the question, Government are pleased to accord sanction to the following:—

(i) Health Officers, Class II (Senior), in the grade of Rs. 250-25-450-30-600 be given a Special allowance of Rs. 50 p.m.

(ii) Health Officers, Class II (Junior), be granted Rs. 180 p.m. during the period of probation and, on completion of the probationary period, be started on Rs. 200 p.m. in the scale of pay of Rs. 150-10-300. They will be given a Special Allowance of Rs. 50 p.m.

(iii) Health Officers, Class II (Junior), who have completed 5 years of service in rural areas will, immediately on completion of five years of service, be appointed as Health Officer, Class II (Senior), the number of posts of Health Officers, Class II (Senior), and Class II (Junior), being adjusted suitably.

Rural areas for the above purpose mean all places outside District Headquarters, and outside Hubli, Davangere and Kolar Gold Fields.

- (iv) Assistant Medical Officers of Health, i.e., Health Officers, Class III, be given a pay of Rs. 100 p.m. during the period of probation and, on completion of the probationary period, be started in the grade of Rs. 120-5-170-8-210-10-250, with a Special Allowance of Rs. 25 p.m.
- (v) The two grades of Public Health Nurses and the grade of Health Visitors be combined and the scale of pay be Rs. 75-5-90-6-150-10-180. A Special Allowance of Rs. 10 p.m. be granted to the Public Health Nurses and Health Visitors who work outside District Headquarters and outside Hubli, Davangere and Kolar Gold Fields. Public Health Nurses and Health Visitors working in Rural Health Centres or outside Taluka Headquarters, will, however, be granted a Special allowance of Rs. 15 p.m. (instead of Rs. 10 p.m.).
- (vi) The Senior and Junior Health Inspectors working outside District Headquarters and outside Hubli, Davangere and Kolar Gold Fields be granted a special allowance of Rs. 10 p.m.
- (vii) Midwives who work in Rural Health Centres, or outside District Headquarters and outside Hubli, Davangere and Kolar Gold Fields, be granted a Special Allowance of Rs. 5 p.m.
- (viii) Compounders who work outside District Headquarters and outside Hubli, Davangere and Kolar Gold Fields, be granted a Special Allowance of Rs. 5 p.m.

2. The revised scales of pay and special allowance will come into effect from 1st July 1959.

3. The revised pay scales and special allowance sanctioned above will apply to new entrants. The existing employees may continue on their existing pay scales or opt to the new pay scales. They should exercise their option within a period of three months from the date of these orders. Those who exercise option to come on the new scales will draw pay and allowances under these orders from 1st July 1959.

4. The fixation of initial pay in the revised scale from 1st July 1959 will be in accordance with the provisions of Rule 43 of the Mysore Civil Services Rules, 1958.

5. The special allowance will not count for pension, travelling allowance and leave purposes.

HOME SECRETARIAT

Delegation of powers to Deputy Inspectors General of Police to sanction the Journeys of Police Officers beyond the limits of the State.

REFERENCE—

Correspondence resting with letter No. A5C. 35/59, dated 13th April 1959 from the Inspector General of Police.

ORDER NO. HD 23 PEG 59, DATED BANGALORE, THE 6TH JUNE 1959.

According to Notes (5) and (6) to clause (b) of Rule 16 of the Mysore Civil Services Rules, 1958 Police Officers both Gazetted and non-Gazetted are permitted to proceed beyond the limits of the State on duties connected with Police Officers' meetings, investigation of Crime, etc., specified therein subject to the sanction of the Head of the Department. The Inspector General of Police has reported to Government that large number of Police Officers and men have to proceed, in the interest of Police duties, beyond the limits of the State and that in all such cases the journeys have to be sanctioned by him. Obtaining sanction of Inspector General of Police in all such cases involves avoidable delay and correspondence. He has, therefore, requested to delegate to the Deputy Inspectors General of Police the powers of the Head of the Department under Notes (5) and (6) of clause (b) of Rule 16 of the said rules.

Government have examined the proposal of the Inspector General of Police. With a view to ensure expeditious despatch of work, Government are pleased to delegate to the Range Deputy Inspectors General of Police and the Deputy Inspector General of Police, C.I.D. the powers to sanction journeys beyond the limits of the State of Police Officers and men under their respective control for purposes mentioned in Notes (5) and (6) of Rule 16(b) of the M.C.S.R., 1958.

By Order and in the name of the Governor of Mysore,

K. NARAYANASWAMY,

*Secretary to Government,
Home Department.*

Sanctions the Re-organisation of the Tumkur District Police Force.

READ—

Letter No. HD 54 ESF 57, dated the 22nd April 1957, from the Secretary to Government, Home Department, to the Inspector General of Police, Mysore State, calling for proposals for re-organising the Police Department, in order to secure all possible economy in expenditure.

2. Letter No. 160/RA/57, dated the 16th June 1958 from the Inspector General of Police forwarding Re-organisation proposals of the District Police in Tumkur District.

ORDER No. HD 146 EHT 58, DATED BANGALORE, THE 23RD JUNE 1959
(ASHADHA 2, SAKA ERA 1881).

The Inspector General of Police has forwarded proposals for the re-organisation of the Police force in Tumkur District, in pursuance of the instructions issued by Government.

In formulating these proposals, the Inspector General of Police has adopted a definite basis for fixing the strength of the staff, keeping in view the local, economic and geographical conditions, incidence of crime and other special problems of the area. The existing and proposed set up of the Police force are set out in Appendices A and B respectively.

The salient features of the proposals are indicated below :—

(1) Creation of a new Sub-Division with headquarters at Tumkur, and re-distribution of the jurisdiction equitably between the two Sub-Divisions—Tiptur and Tumkur—as indicated in Appendix C thus relieving the District Superintendent of Police of the direct charge of Taluks. The Deputy Superintendent of Police, Tumkur, will also function as Personal Assistant to the District Superintendent of Police in addition to holding executive charge of the Tumkur Division.

(2) Creation of a separate Police Circle for Pavagada Taluk in view of its peculiar geographical location, with jurisdiction over 3 Police Stations and one Out-post;

(3) Creation of 8 new Police Stations in the following places :—

- (i) Tilak Park in Tumkur Town.
- (ii) Midigesi in Madhugiri Taluk.
- (iii) Tirumani in Pavagada Taluk.
- (iv) Nonavinakere in Tiptur Taluk.
- (v) Kallambella in Sira Taluk.
- (vi) Amruthur in Kunigal Taluk.
- (vii) Chandrasekharapura in Chikkanaikanahalli Taluk.
- (viii) Dandinasivara in Turuvekere Taluk.

(4) Creation of the following additional posts :—

Deputy Superintendent of Police	1
Sub-Inspectors	10
Assistant Sergeant	1
Head Constables	36

(5) Abolition of the posts of 3 Inspectors, 7 Police Constables and 8 Dalayats :

(6) Abolition of 15 out-posts namely those at Someswara in Tumkur Town; Nelhal and Honnudukere in Tumkur Taluk, Chandrasekharapura in Gubbi Taluk, Kallambella in Sira Taluk, Midigesi, Ittigadibbanahalli and Kodagadala in Madhugiri Taluk, Koratagere Town in Koratagere Taluk, Thirumani in Pavagada Taluk, Honnavalli and Nonavinakere in Tiptur Taluk, Bellara in Chikkanaikanahalli Taluk, Amruthur in Kunigal Taluk and Dandinasivara in Turuvekere Taluk ;

No. HD 146 EHT 58, DATED 23RD JUNE 1959.

159

(7) Abolition of 34 posts of Police Constables sanctioned for the District Vacancy Reserve and provision of vacancy reserve of 10 per cent of the total strength of Head Constables and Police Constables both in Armed and Civil Police;

(8) Abolition of Daffedars and Police Constables as Motor Vehicle drivers and provision of drivers and cleaners to the required extent in the Headquarters Platoon of the District Armed Reserve;

(9) Formation of a Prohibition Intelligence Bureau under the direct administrative control of the District Superintendent of Police with a strength of 1 Sub-Inspector and 5 Head Constables with its Headquarters at Tumkur and with adequate strength in each of the 28 Police Stations for enforcement of prohibition;

(10) Re-organisation of the District Special Branch as indicated below:—

<i>Existing</i>		<i>Proposed</i>	
Sub-Inspector	1	Sub-Inspector	1
Head Constables	2	Head Constables	5
Police Constables	4		

(11) Re-organisation of the District Intelligence Branch as indicated below in order that it may function effectively and independent of the Special Branch:—

<i>Existing</i>		<i>Proposed</i>	
Head Constables	1	Sub-Inspector	1
Police Constables	2	Head Constables	5

(12) Re-organisation of the Armed Reserve Police as indicated below:—

<i>Existing</i>		<i>Proposed</i>	
		<i>Headquarters Platoon</i>	<i>Active Platoon</i>
Subedar-Major	1	Sergeant	1
Subedar	1	Assistant Sergeant	1
Havildars	2	Head Constables	6
Naiks	4	Police Constables	36
Constables	62	(Vide Appendix C).	

The proposals result in an extra expenditure of Rs. 47,000 per annum.

After careful consideration, Government are pleased to sanction the proposals of the Inspector General of Police. Appendix E indicates the existing distribution of the Police Force and Appendix F indicates the re-organised distribution.

In working out the net financial effect of the Re-organisation proposals, the revised pay scales have been taken into account for the surplus and additional posts required. Separate orders will issue regarding the continuance, rationalisation or otherwise of the allowances. The present Re-organisation Order fixes only the strength of the Police personnel in each category as set out in Annexures A and B. As regards the incumbents that occupy these posts, their scales of pay will depend on whether or not they opt to the new scales. As some time lag is involved in the sanction of the re-organisation proposals of all the Districts the incumbents of the surplus posts will continue as supernumeraries from the date of this order till the re-organisation of the entire department is completed. The Inspector General of Police is requested to send a statement of re-distribution of forces of the entire State for the information of Government when all the proposals are finalised and also the necessary proposition statement.

A notification indicating the changes in the existing jurisdiction of Police Stations and Out-Posts will be issued separately.

Under Secretary to Government,
General Administration Department
(Services-1).

FINANCE SECRETARIAT

Prescribes the Calendar for Budget Work, 1960-61.

ORDER No. FD 74 BUD 59, DATED BANGALORE,
THE 11TH JULY 1959.

The attached Calendar for regulating the Budget work for 1960-61 is approved. The object with which an interval is allowed for several items of work is to secure even flow of work in the Finance Department (Budget) and thus avoid rush of work in the last stages. Estimating officers are requested not to take up the entire interval but to see that **top priority** is given to the Budget work and that returns are sent direct to the **Budget Branch** of the Finance Department addressed to the Under Secretary to Government, Finance Department (Budget) by name as soon as they are completed without waiting for the prescribed date.

2. All estimates are to be framed with the greatest possible care and with particular regard to *sanctions* and *actual requirements*. Those relating to receipt heads should aim at forecasting the realisable result as closely as possible; and those relating to expenditure heads—Revenue and Capital—should be limited to the minimum requirements.

3. Only such sanctions to establishment and other recurring charges as are communicated on or before 1st September 1959 may be ordinarily taken into account in framing the expenditure estimates. But a list of fresh sanctions should be sent to the Finance Department as on 1st January 1960, immediately after that date as in the previous year.

4. According to the existing procedure of framing the Plan Programme for the Budget year, the Planning and Development Department holds discussions with the Heads of Departments and prepares the Schemewar details which are finalised after discussion with the Planning Commission. On the basis of this, the Finance Department prepares a booklet of Plan Outlay according to Budget Heads giving details of Central assistance and the same is placed before the Legislature along with the Budget Estimates. The Planning and Development Department thereafter prepares a Plan Book giving a description of the Schemes and this is also supplied to members of the Legislature after the Budget Estimates are presented. Now that the Plan Programme prepared by the Planning and Development Department contains most of the details of the schemes in the Second Plan and there is limited scope for addition of new schemes, it is now decided that the Planning and Development Department should prepare a draft of the Plan booklet for 1960-61 (last year of the II Plan) by 15th December 1959 and thereafter the Finance Department will prepare the Plan Outlay according to Budget heads. In order that the Finance Department may be able to check up and finalise, if necessary after discussion with the Departments, the grants to be provided according to Budget heads indicating Central assistance, the Planning and Development Department should specify in respect of each Scheme the following details:

1. Outlay debitable to Revenue;
2. Outlay debitable to Capital heads;
3. Outlay debitable to Loan and Advance heads; and
4. Central assistance (percentage) of outlay—Loan or grant anticipated.

5. If in the Plan Programme prepared by Planning and Development Department in consultation with Finance Department, the Schemes are arranged under each Plan group head in the order of priority, it will be easier to omit less important schemes with reference to the 'Plan Ceiling' fixed on the basis of resources. It is, therefore, requested that Heads of Departments should from now alone prepare the details, so that the time schedule could be adhered to. The Planning and Development Department will, however, issue instructions separately.

6. In giving details, such of the schemes not included in the Budget of 1959-60 and which come under the definition of New Service should be indicated separately, so that Finance Department could bring specifically these to the notice of the Legislature, if they are finally included in the Plan Programme within the ceiling. The expenditure estimates as a whole will be finalised in the Finance Department after incorporating the several provisions for Plan Schemes and the Centrally Sponsored Schemes as fixed above.

7. The Estimates should not be sent piecemeal. The Heads of Departments and Divisional Commissioners should forward consolidated estimates in the printed form to the Finance Department (Budget) in a complete manner. The Heads of Departments including Divisional Commissioners should make special arrangements well in advance for obtaining information from the subordinate officers. In spite of allowing sufficient time and repeated instructions from time to time, the Finance Department experienced much difficulty, while framing Estimates of 1959-60 as the Departments went on proposing alterations even after the Estimates were finalised. In some cases consolidated estimates were not properly prepared.

8. In some cases the Heads of Departments and other Estimating Officers had simply forwarded without proper scrutiny copies of estimates received from their subordinate officers which were prepared in manuscript in different forms and in varying sizes. It should be noted that the work of consolidation of the estimates received from the subordinate officers after scrutiny is the responsibility of the Chief Controlling Authority who has to exercise control over the estimated expenditure of the entire department.

9. The subordinate officers are still in the habit of either forwarding estimates direct to the Finance Department without routing them through their Heads of Departments or they endorse copies of estimates sent by them for information of Government. It may be clearly understood that Finance Department will not take cognisance of such data furnished directly by subordinate officers. It is the duty of the Heads of the Departments to issue necessary instructions to their subordinate officers not to repeat such procedure this year. Each Head of the Department has to see that the work of consolidation of the estimates received from their subordinates in the prescribed standard forms is done and *only such consolidated estimates pertaining to his department are sent to Finance Department (Budget) on or before the due dates fixed.* It may be noted that any Estimates received after the due dates cannot obviously be considered and the Departments will be responsible for omissions as a result of such belated proposals. Any delay in forwarding of the estimates beyond the due dates prescribed will be brought to the notice of the Ministers in charge.

10. It has been decided that with effect from 1960-61, a list of *New Items of Expenditure* should be printed separately as an Appendix to the Budget Memorandum. It is, therefore, necessary for the Heads of Departments to furnish detailed explanatory note for each such item as may be treated as an item of New Expenditure in accordance with the definition given in the Annexure I. Such items should be clearly indicated both in respect of expenditure proposed within the Plan and outside the Plan separately. The acceptance of any of the items referred to will depend upon the resources available after providing for all Committed Items and Schemes already sanctioned and in progress. It is, therefore, very necessary that proper priorities should be fixed for the New Items of Expenditure.

11. In respect of Works Expenditure, particular attention is invited to Official Memorandum No. FD 11 BPL 59, dated 30th May 1959 and the Heads of Departments will keep in view the instructions contained therein. A copy of the said O.M. is also appended to this calendar. (*vide* Annexure II).

12. In the consolidated Budget Estimates, the totals of major heads will be worked to thousands of rupees and those of minor heads to hundreds of rupees. In fixing the provision under individual heads of account, the provisions will have to be rounded to the nearest hundreds. This may be kept in view in preparing the Estimates.

13. The Director of Printing, Stationery and Publications is requested to treat all Budget work as urgent and return the Budget sheets on the dates prescribed by the Finance Department. The Director is personally responsible to see that no delay occurs at any stage in the Press and that the Budget work is given the highest priority.

14. Government desire to impress on all Heads of Departments, Chief Engineers and Divisional Commissioners that it is their duty to pay special attention to Budget work and to see that the time limits prescribed are strictly adhered to so that the work in the Budget Branch of the Finance Department is not held up in any stage for want of information from the departments concerned.

By Order and in the name of the Governor of Mysore,

G. MATHIAS,

Secretary to Government,
Finance Department.

CALENDAR FOR BUDGET WORK, 1960-61.

By 1st September 1959.

ANNEXURE I

NEW SERVICE.

(Subject to approval by the Public Accounts Committee)

Sl. No.	Item of Expenditure	Criteria for treating the expenditure as on a 'New Service'
1	2	3
1	Additional staff for normal increase of work or for a purely temporary need in Government Department.	The employment of additional staff in connection with an existing service or for a purely temporary need, need not be treated as a 'New Service', whatever be the amount involved. But if the extra expenditure on the expansion of an existing service exceeds Rs. 30,000 recurring per annum taking the scheme as a whole (i.e., cost of Establishment, Buildings, equipment and other amenities, etc.), the scheme should be brought specifically to the notice of the Legislature. <i>Illustration.</i> —(1) <i>Extra expenditure on staff in particular establishment.</i> If, owing to increase in work, the number of typists in all Government Offices is increased or if an extra clerk is given for each Taluk Office owing to the growth of Land Revenue work, the extra cost does not constitute a 'New Service' or 'New Instrument of Service', as it is obviously the result of a normal growth of Government work.
		(2) <i>Introduction of new Schemes.</i> —If, however, on the introduction of a new scheme (e.g., Community Development Work), an additional Revenue Inspector or Accountant is given to each taluk, the expenditure involved will be one on 'New Service', if the total annual cost exceeds Rs. 30,000 and as it involved the adoption of a new policy by Government, i.e., the sanction of increase of the cadres of services or number of posts of a particular kind (either permanently or as a temporary measure).
		<i>Explanation.</i> —The term 'recurring' means the expenditure which extends beyond the financial year in which it is sanctioned.
2	Cases other than those referred to in Sl. Nos. 1, 6 and 8, already approved by the Legislature, but where expenditure is subsequently expected to exceed appreciably the amount originally intimated to the Legislature.	These cases need not be treated as 'New Service' provided the increase over the grant previously voted does not exceed four times the previous grant or 2 lakhs whichever is less.
3	Grants and contributions for existing purposes.	When the amount involved exceeds Rs. 15,000 recurring or Rs. 50,000 non-recurring.
4	Works	New works including Electricity Schemes expected to cost more than Rs. 1,00,000. In the case of extensions and improvements the limit is, however, Rs. 2,00,000.
5	Committees constituted by Government from time to time.	When the expenditure is estimated to exceed Rs. 15,000 per annum recurring or Rs. 50,000 non-recurring.

OFFICIAL MEMORANDUM.

No. FD 11 BPL 59, DATED BANGALORE, 30TH MAY 1959,

(JYEISHTA 9, SAKA ERA 1881).

Subject:—Inclusion of Plan Schemes in the Budget according to priorities.

In the course of certain discussions held recently about sanctions to schemes included in the State Plan for 1959-60, it came to notice that there was no adequate understanding of the way in which the lumpsum provisions made in the Budget for works relating to Minor Irrigation Schemes should be allocated. The view was even expressed wrongly, that in order that sanction to any work may be proposed or even plans and estimates may be got ready, there should be provision included in the Budget for the work.

2. One of the fundamental rules of budgeting is that no work which has not received sanction or administrative approval of competent authority should be included in the Budget. Unfortunately, it has not been possible to observe this rule strictly, and it has happened that there are a number of cases in which either lumpsum provisions are made for unspecified works or token or rough provisions are made for specified works which have not been sanctioned and for which even plans and estimates may not be ready. It is proposed that from the year 1960-61 at least, every attempt should be made to conform to the abovementioned rule, but that in doing so, due account should be taken of the practice that has gone on for a long period, and some relaxation for an year or two may be necessary. In this view, it is requested that the Heads of Departments, while making proposals in regard to inclusion in the Budget for 1960-61 should divide works into the following categories, and assign priorities in the manner indicated while forwarding the proposals to the Finance Department sending a copy simultaneously to the Administrative Department (Public Works Department):—

(a) In any given year, there will be a number of incomplete or spill-over works. These will be of two categories:—

(i) Those which have been started in the previous year or years and on which some money has already been spent;

(ii) Those which were proposed to be started during the previous year, but could not be started either because sanctions were not given in time or for some other reason.

With regard to works which have been started and on which some money has been spent, there can be no question that they should receive first priority in regard to making provision in the Budget. There should also be no difficulty in specifying them by name, and giving particulars as to the estimated cost, expenditure so far incurred, and the provision proposed for the year in question (which may either be the entire balance required or a portion of it, depending on whether it is proposed or possible to complete the work during the year or not). As regards works which were included specifically in the previous year's budget, and which have not been taken up, they would no doubt have the next priority, but if these works have not been sanctioned or plans and estimates have not been prepared, it would be open to the Head of the Department to review the necessity for including all or any of these works in the Budget of the year in question and unless any of these works are urgent, priority should be given to new works for which plans and estimates are ready as indicated in the following sub-para:—

(b) The second priority in regard to inclusion of works in the budget should necessarily be in respect of all those for which plans and estimates are ready and have also been sanctioned. Among them, those for which acquisition proceedings are necessary and have to be initiated will have to come after those for which no such proceedings are necessary and in regard to which commencement of work is immediately possible. All these works also could be named specifically while sending up budget proposals and the exact amounts required could be stated. In this category would also come such works as have been included in the previous year's budget, but have not yet been taken up, although sanctioned, either because sanction was not received in time or the Department was busy with other works.

(c) Works which have not been sanctioned, but which have been investigated completely, and for which plans and estimates are ready, would receive the next priority for inclusion in the budget. It should be possible to mention both the names of these works and the amounts of estimates involved as each of them would have been investigated completely.

(d) Works which have been investigated and for which plans and estimates are being prepared would receive the lowest priority, and those that have not even been investigated, no priority at all. It is contemplated that in future, no work which has not even been investigated and for which plans and estimates have not even been begun to be prepared should be included in the budget, even against lumpsum provisions.

3. With regard to lumpsum provisions under "18 Other Revenue Expenditure Financed From Ordinary Revenues" and "68 Construction of Irrigation, Navigation, Embankment and Drainage Works", in particular, it was found as a result of the discussions referred to above that there was not only no attempt at drawing a distinction between those Heads, but also no indication of the incomplete works that have been taken up under the lumpsum provisions in previous year's budget and for which a part or whole of the current year's lumpsum provisions stands committed. To take an example, against the lumpsum provision of Rs. 40 lakhs under "68A. Construction of Irrigation, Navigation, Embankment and Drainage Works" in the Budget for 1959-60, works to the extent of only about Rs. 3.5 lakhs have been specifically mentioned (Appendix 'E'). It was nevertheless understood that a number of works have been taken up and are still incomplete and expenditure on these has to be debited against this lumpsum provision. So far as the year 1959-60 is concerned, and even for subsequent years, action should be taken to see that the incomplete works are adequately provided for against the lumpsum provisions, and that only such works as it is possible to take up against the balance remaining over (either out of those specified in the Budget or out of those unspecified but which may be ready to be taken up) are included and taken up against the balance available. The present practice, more or less universal, of seeing whether a work is included in the Budget before sanction to it or even preparation of estimates and plans therefor is thought of, should cease and it should be ensured that whenever a request is made for taking up a work, necessary investigations are made and plans and estimates also prepared, so that whenever it is possible to provide for it in the Budget, its inclusion can be effected in accordance with such priorities as may be assigned to it by the Departments.

4. These instructions will also apply, *mutatis mutandis*, to other works like buildings, roads and all works for which lumpsum provisions are made. The Chief Engineer (General) and the Chief Engineer, Irrigation and Public Health are particularly requested to see that in future in regard to the Road Works as well as Minor Irrigation Works action is taken as indicated above in assigning priorities to works under lumpsum provisions. Where for the year 1959-60 no sanctions have been obtained in spite of inclusion in the Budget, action should be taken to see that by 15th of June such sanctions are obtained. Where a further examination shows that it is not possible to execute the work this year because land acquisition proceedings cannot be completed or for other reasons, or the work is not feasible, a clear and definite report should be made to the effect that those works although included in the Budget cannot be taken up. To the extent budget provision is released on this account, other sanctioned or priority works could be taken up if reappropriation is permissible.

5. In respect of the building programmes of the Departments to be included in the annual Plan for 1960-61, the following special procedure may be followed from now onwards:—

(i) All non-Plan items under "81-Capital" are normally described and location clearly indicated. Even in respect of these non-plan items, there may be a few, in whose case, locations will have to be given. The administrative department will furnish a complete list to the Chief Engineer (General) by November 1st, 1959, i.e., the date by which the Budget Estimates of the Department are to be prepared. The Chief Engineer (General) will then forward the consolidated lists to Finance Department by November 21st.

(ii) In regard to Plan items, the administrative departments are requested to work out a list of buildings likely to be required in respect of the next year's Plan. In doing so, they may assume an outlay roughly equal to that of the current year, but will have to provide within this amount both for completion of old works as well as for new works. In this connection priorities should be fixed as detailed in sub-paras (a) to (d) under para 2.

(iii) The Administrative Departments will know their actual Plan provisions for the year by January 1960. The Secretary of the Administrative Department concerned will then inform the Chief Engineer (General) immediately the amount earmarked in the Plan of his Department/Departments against '81. Capital'. Normally, this provision should be shown against specific building items, as the Administrative Department is expected to draw up its building programme from now onwards, having regard to availability of land, etc. If, however, there is some portion remaining to be earmarked to specific items, action should be taken to have the location and other details finalised on the lines of the instructions already given in the Official Memorandum dated 16th April 1959.

6. The receipt of this Circular may be acknowledged and a report furnished to Government by the end of June indicating the action taken to ensure that the terms of the Circular are conformed to.

Deputy Secretary to Government,
Finance Department (Budget).

PROCEDURE FOR RENEWAL OF LAPSED SANCTIONS.

OFFICIAL MEMORANDUM

No. FD 5 RFC 59, DATED BANGALORE, THE 16TH JUNE 1959

(JYEISHTA 26, SAKA ERA 1881).

Attention is invited to Article 305 of the Mysore Financial Code, 1958, reproduced below:

"305. A sanction for any fresh charge which has not been acted upon for a year must be held to have lapsed unless it is specifically renewed.

Note.—Wherever sanctions to expenditure of Rs. 5,000 and more debitable to service heads contain a specific clause, that the charge should be met from the budget provisions of a specified financial year, the sanctions should be treated as lapsed, if the expenditure is not incurred before the close of that financial year. If the expenditure is to be incurred during the next year, a renewal of the sanction would be necessary. This restriction is not applicable to sanctions to loans and advances and items which are accountable under the section 'Public Account'.

2. According to the above Article, in a case in which the Government Order specifically mentions that the charge should be met from the budget provision of a specific financial year, such sanction should be treated as lapsed, if the expenditure is not incurred before the close of that financial year, and renewal of sanctions is necessary, for the payment of the charge in the budget provision of the succeeding year.

3. It has been brought to notice that in some cases although there is provision in the subsequent year's Budget, payments are held up due to delay in getting the sanctions renewed.

4. With a view to avoid delay in payment in such cases, the following instructions are issued.

(i) The Head of each Department should submit to Government on or before 20th March of each year, a list of Government sanctions accorded during that year (to be met out of the budget provision of that year) the funds relating to which are not likely to be drawn from the Treasury before the close of that year, in the Appended Form.

5. A supplemental pro forma should be submitted to Government in the same form in the first week of April in respect of items not included in the original statement.

6. There should be no difficulty for the Departments in indicating the provision in the subsequent year's Budget, as the Budget Estimates will have been presented to Legislature and copies made available to Departments within one week of presentation.

7. The Administrative Branch of the Secretariat will deal with these statements expeditiously, and in all cases where the budget provision will be available, will communicate renewals of sanctions through the Finance Department (Budget Branch) promptly.

8. According to the above arrangement, renewals of sanctions could be communicated to the Departments before 15th April 1959 to enable the Departments to meet the claims on such renewals of sanction without delay.

By Order and in the name of the Governor of Mysore,

N. S. BHARATH,
Deputy Secretary to Government,
Finance Department (Budget).

PLANNING AND DEVELOPMENT SECRETARIAT

Fifth meeting of the State Development Council held on 30th May 1959—Sanction of T.A., D.A. and sitting fees to the non-official members of the State Development Council and non-official invitees who attend the meeting on special invitation.

AD—

(1) Government Order No. PD 47 SFY 57, dated 12th August 1957.

(2) Government Order No. PD 47 SFY 57, dated 29th October 1957.

(3) Government Order No. PD 42 SFY-58, dated 24th September 1958.

ORDER No. P & D 15 PDC 59, DATED BANGALORE, THE 7TH JULY 1959
(ASHADHA 16, SAKA ERA 1881).

At the 5th meeting of the State Development Council, held on 30th May 1959 it was decided that all M.Ps. of Mysore be invited to the meetings of the State Development Council to be held in future.

2. The M.Ps. whose Headquarters are at Bangalore can draw sitting fees according to Government Order No. PD 42 SFY-58, dated 24th September 1958, but in the case of members coming from outside Bangalore their T.A. and D.A. will have to be provided for. As members of Parliament they possess free railway passes. Hence sanction is accorded to the payment of T.A. (exclusive of Railway fare) and D.A. as per list "A" of the Mysore T.A. Rules 1957, published in Notification No. COD 1168-57, dated 23rd August 1957 to the members of the Parliament who attend the meetings of the State Development Council on invitation. These orders will *mutatis mutandis* apply to the meeting held on 30th May 1959.

The expenditure on this account shall be met from the provision made under the Budget head "25 G.A. EI XIII Expenditure connected with the State Development Council."

EDUCATION SECRETARIAT

Sanction of Uniform concessions for training in B.Ed. course—Deputation of Teachers in High Schools in the New Mysore State.

READ—

Representation dated 30th September 1958 from the Vice-President, Students Union, B.Ed. College, Gulbarga.

Correspondence resting with the letter No. H 4. 69119-409/58-59, dated 4th May 1959, from the Director of Public Instruction in Mysore, Bangalore.

ORDER No. ED 52 SES 59, DATED BANGALORE, THE 29TH JUNE 1959
(ASHADHA 8, SAKA ERA 1881).

The Director of Public Instruction has stated that at present concessions allowed in the different areas of the State are different and it is considered very desirable that uniform concessions should be given to all the trainees in the New Mysore State. He has reported that the following concessions are granted at present, to the teachers under training in the various integrated areas:—

(a) *Hyderabad-Karnatak area.*—Teachers are deputed for training on half average pay with proportionate D.A. in accordance with the procedure followed by the Education Department of Ex-Hyderabad State.

(b) *Bombay-Karnatak area.*—Teachers deputed for B.Ed. training gets full basic pay plus full dearness allowance.

(c) *Ex-Mysore area.*—B.Ed. trainees deputed by Government get full basic pay plus full D.A. plus Rs. 10 nP. as family allowance and Aided School Teacher deputed for B.Ed. gets two-third of basic pay of Rs. 75, 7-50 nP. D.A. and Rs. 10 family allowance.

(d) *Coorg and South Kanara Districts.*—It is reported that there are no fixed rules to send teachers for training as in other areas of this State and therefore, only trained teachers are appointed.

2. The Director of Public Instruction has further stated that in Hyderabad-Karnatak area 40 seats have been allotted at the B.Ed. College, Gulbarga for the selection of 35 teachers from Government Schools and 5 from Aided Schools. It is also reported that since the teachers selected for training will draw their pay and D.A. admissible to them no special provision is needed to be made in the budget except for family allowance for a period of 10 months and for the pay of respective graduate substitutes will have to be made at the rate of 'basic pay' plus D.A. for 10 months. In Bombay-Karnatak area, only Rs. 10 per trainee will be the extra cost towards family allowance and only two teachers from Bombay-Karnatak area are deputed each year. Thus the extra cost to Government for the B.Ed. trainees in Hyderabad-Karnatak and Bombay-Karnatak would be as under:—

	Rs.
Expenditure on account of deputing 35 Government teachers in Hyderabad-Karnatak area.	40,250
Expenditure on account of deputing 5 Aided School teachers, in Hyderabad-Karnatak area.	3,375
Bombay-Karnatak area	200
Total cost	43,825
Deduct existing cost	18,200
Net extra cost	25,625

The Director of Public Instruction has therefore, requested Government to accord sanction to give uniform concessions and also to make necessary provision in the Budget of 1959-60 and subsequent years.

3. After examining all aspects of the proposal Government are pleased to direct that in order to secure uniformity, all teachers who have opted or may opt to the new scales of pay as revised in the Government Order No. Fl. (B) 14034-14133—Bud. 119-56-3, dated 25th January 1957, irrespective of the area to which they belong, be paid the same pay and allowances (i.e. basic pay, dearness allowance and family allowance) as in Old Mysore area, during the period of their training.

4. The expenditure on this account be met out of the sanctioned grants under "37 Education" by suitable re-appropriation to the appropriate minor Budget head of expenditure during the current year, necessary provision being made in the Budget of the next and subsequent years.

By Order and in the name of the Governor of Mysore,

AHMED ABDUL AZIZ,

Under Secretary to Government,
Education Department.

Advise Local Bodies in the State regarding the Insurance of Motor Vehicles in Mysore Government Insurance Department against third party risks.

OFFICIAL MEMORANDUM

No. LLH 57 GGL 59, DATED BANGALORE, THE 23RD JUNE 1959
(ASHADHA 2, SAKA ERA 1881).

According to sub-section (2) of Section 94 of the Motor Vehicles Act, 1939 (Central Act IV of 1939), all the vehicles owned by or on behalf of Government used for Government purposes unconnected with any commercial enterprises are exempted from insurance against third party risks.

Yet as an administrative convenience and in order to ensure prompt settlement of all claims against Government, as well as Local Bodies in respect of death or bodily injury or damage to the property of third parties, which might arise out of accidents in which the vehicles owned by Government, as well as the Local Bodies are involved, it is desirable to have the vehicles owned by Government as well as the Local Bodies insured against third party risks.

In the Official Memorandum No. FD 51 INS 57, dated the 22nd May 1958 all the Secretaries to Government, Heads of Departments, Divisional Commissioners of Divisions, Deputy Commissioners of Districts and Director of Government Industrial Concerns have been advised to get all the vehicles belonging to the Departments of Government or Government Industrial Concerns, insured in the Mysore Government Insurance Department against third party risks, the cost of insurance being met from the grants of the several Departments.

It is ascertained that in the case of motor vehicles owned by the Local Bodies in the State certain motor vehicles have been insured with private companies and some of the local bodies are not insuring their motor vehicles at all. The amount of premium paid in cases where such vehicles are insured with private companies is more than what would have been payable if they had been insured with the Government Insurance Department.

In the interest of uniformity of procedure and of economy, the various Local Bodies in the State are hereby advised to insure all their motor vehicles whether cars, lorries, or vans, etc., maintained by them in their own interest and in doing so to insure the vehicles only with Mysore Government Insurance Department, the expenditure in this connection being met from out of the funds of the Local Bodies concerned.

HOME SECRETARIAT

Reviews the Administration Report of the Borstal Schools of Prisons Department for the year 1957.

READ—

From the Inspector-General of Prisons, Mysore, Bangalore. Letter No. P8/348/58, dated 31st October 1958, forwarding the report on the Administration of the Borstal Schools at Dharwar and Alipuram, Bellary, for the calendar year 1957.

ORDER No. HD 1 (A) PAD 58, DATED BANGALORE, THE 27TH FEBRUARY 1959
(PHALGUNA 8, SAKA ERA 1880).

The charge of the Borstal School, Dharwar, was held by Sri R. F. Josefs, as Governor, Borstal School, from the commencement of the year to the end of 1957 while the charge of the Alipuram Borstal School was held by Sri H. Chandrasekhar who was also the Superintendent, Alipuram Jail.

2. During the year facilities were provided for inmates at Dharwar as ordered by Magistrates in the courts of Bombay, while similar facilities ordered by the Magistrates in the court of Andhra Pradesh were extended to Andhra inmates. The cost of maintenance was recovered from the Government of Andhra Pradesh and the recovery of cost of maintenance for the lads lodged in the Dharwar Borstal School is being pursued with the Government of Bombay.

3. At the beginning of the year there were 616 inmates in both the schools, 205 inmates were newly admitted and 48 inmates were discharged leaving a balance of 363 inmates in both the schools at the end of the year. The daily average number of inmates numbered 361.

4. One hundred and forty-two lads were sentenced for detention by Magistrates, 10 were admitted on transfer, 20 inmates returned from parole, 2 inmates were transferred under Section 11 of the Borstal School Act, 9 were transferred under orders of Government, 21 inmates were returned from Civil Hospital and 1 inmate was in transit making a total of 205 inmates.

Out of 821 inmates, 2 were transferred, 1 was discharged on appeal, 256 were discharged on expiry, 129 were discharged under extra supervision, 9 were discharged conditionally under orders of Government, 13 were released on parole, 19 were transferred to Civil Hospital, 2 escaped, 17 were transferred under T.A., leaving 363 inmates at the end of the year. The daily average was 361.

5. *Age.*—The number of the inmates on both the schools under 18 years of age was 42 and of them between 18 and 21 years was 163.

Literacy.—Out of 205 inmates 96 were literate and 109 illiterate.

Previous occupation.—130 inmates were engaged in miscellaneous professions, 1 in service, 11 in agriculture, 3 in commerce, 6 were employed in Mechanical Arts and Crafts and 54 were without employment.

6. Out of 205 inmates admitted to the schools, 85 were sentenced to be detained for 2 years, 102 for 3 years, 6 for 4 years, 8 for 5 years and 4 for terms exceeding 10 years.

7. *Escapes*.—There were two escapes during the year under report, one who escaped during the previous year was re-captured and the number that remained at large was 14 including those of the previous year.

Seventy-four inmates committed major offences, 83 committed minor offences relating to discipline, and 84 cases were dealt with by the Governor and the Superintendent of the school.

8. *Financial*.—A total expenditure of Rs. 2,08,352-31 nP. was incurred during the year for maintaining the inmates in the two schools.

The average strength of inmates was 361 and the average cost of maintenance per year was Rs. 577-15.

The total value of the articles manufactured in the industries of the two schools was Rs. 62,000 and a sum of Rs. 0,021 was remitted to treasury under sale of manufactured articles. The net profit earned amounted to Rs. 4,832.

PART II:

Literary classes are being conducted daily in the mornings. The inmates of the Borstal School were grouped as ordinary grade, star grade and special star grade. The division of the school into houses, yellow, red and violet has created a team spirit among the boys. Physical exercises P.T. and drill were conducted regularly, every morning for half an hour. The school band was managed by the inmates. The band set was also hired out for outside functions and the amount realised was credited to the Treasury.

The school canteen was run for the benefit of the boys. Tea, Coffee, Fruits, Sweets, Stationery and other miscellaneous articles were sold under the coupon system.

Monthly and bi-monthly meetings were regularly held by the visiting Committee. The Deputy Minister for Home and the Chief Minister visited the Borstal School at Alipuram on 5th September 1957 and 9th October 1957 respectively. School inmates took part in public functions along with the scouts and conducted themselves very well.

The health, discipline and conduct of the inmates were good in both the Borstal Schools and the work turned out by these institutions during the year under report was satisfactory.

By Order and in the name of the Governor of Mysore,

R. J. REGO,

Secretary to Government,
Home Department.

Sanctions the establishment of Welfare Services in the Prisons of Bangalore, Bellary and Belgaum including the Office Staff.

REFERENCE—

Correspondence ending with the un-official note No. JB (MH)6A, dated the 9th February 1959 from the Director of Social Welfare and Chief Inspector of Certified Schools, State of Mysore, Bangalore, regarding the establishment of Welfare Services in Prisons.

ORDER No. HD.111 PRA 59, DATED BANGALORE, THE 10TH JULY 1959.
(ASHADHA 19, SAKA ERA 1881).

Under the programme for 1959-60 in the Second Five-Year Plan, Welfare Services in Prisons have been included as one of the Schemes, (Scheme No. 714) for due implementation.

(2) The Scheme is primarily intended to offer guidance and advice to prisoners while they are still in Prison; but shortly in advance of their actual

release. This scheme of advice and guidance is intended to prepare them for the needs of every day life in the outside World. It also specifically involves advice regarding replacement in occupation ;

(ii) It is however contemplated that mere advice during the prisoner's stay in jail may not suffice to achieve the full objective. It may be necessary to follow up this advice with a certain amount of help as soon as the prisoner is discharged. He may have to be found accommodation immediately prior to his getting a fresh start in life. During this period which will be restricted to as short a duration as possible and preferably not more than a month or two the discharged prisoner should be enabled to have a home and to seek employment therefrom. He must also have the advice of the Liaison Officer on the spot, as the intention is to have both office and residential portion in the same building ;

(iii) In this place of habitation, some essential requirements of furniture, utensils, etc., are also to be provided ;

(iv) Later on, it is necessary to develop some institutions like the Discharged Prisoners' Aid Society to receive the discharged prisoners in such a manner that it may not be necessary to provide separate accommodation for them under the Scheme.

Keeping the above objectives in view, the Director of Social Welfare and the Chief Inspector of Certified Schools has forwarded a Scheme for the introduction of Welfare service and to the appointment of Liaison Officers (Probation Officers) in the Central Jails at Bangalore, Bellary and at the Central Prison, Belgaum at an estimated expenditure of Rs. 18,000 for the three centres, the Government of India sharing a moiety of the cost.

Government have examined these proposals and consider that the provision of accommodation, etc., is not necessary at Belgaum as there is a District Shelter which can very well receive these discharged prisoners and that the cost of the maintenance of the Centre should be reduced proportionately. It has also been considered desirable to introduce the Welfare Scheme in the Central Prison, Gulbarga, in addition to the other three Centres.

Government are accordingly pleased to accord sanction to the starting of Welfare Services in Prisons in the Central Jails at Bangalore, Bellary and Gulbarga and at the Central Prison, Belgaum, under the Care and After-care programme in Second Five-Year Plan with effect from the 1st July 1959 and to their continuation up to the end of the Second Plan Period.

Sanction is also accorded to the appointment of four Liaison Officers (Probation Officers) and to other establishment up to the end of February 1960 as per details noted in the annexure to these proceedings at a total estimated expenditure not exceeding Rs. 14,685 to the Four Prison Institutions referred to. The expenditure involved in this behalf will be borne by this State Government and the Government of India on a 50:50 basis. The Director of Social Welfare and the Chief Inspector of Certified Schools, Bangalore is requested to ensure that the Central assistance to this scheme is obtained and credited to the account of this Government under the appropriate Head.

The expenditure is debitable to the Head "47 Miscellaneous Departments—Miscellaneous—b—Schemes, under the Second Five-Year Plan—Centrally sponsored Schemes 12 Prisons Welfare Scheme" in the Budget.

Government are further pleased to direct that this implementation of the Scheme of Welfare Services in Prisons be entrusted to the Director of Social Welfare and Chief Inspector of Certified Schools.

The Inspector General of Prisons is requested to render necessary assistance for the due implementation of the Scheme.

By Order and in the name of the Governor of Mysore,

D. SUBBA RAO,
Under Secretary to Government,
Home Department.

IMPORTANT GOVERNMENT ORDERS

FINANCE SECRETARIAT

Prescribes the Calendar for Budget Work, 1960-61.

ORDER No. FD 74 BUD 59, DATED BANGALORE,

THE 11TH JULY 1959.

The attached Calendar for regulating the Budget work for 1960-61 is approved. The object with which an interval is allowed for several items of work is to secure even flow of work in the Finance Department (Budget) and thus avoid rush of work in the last stages. Estimating officers are requested not to take up the entire interval but to see that top priority is given to the Budget work and that returns are sent direct to the Budget Branch of the Finance Department addressed to the Under Secretary to Government, Finance Department (Budget) by name as soon as they are completed without waiting for the prescribed date.

2. All estimates are to be framed with the greatest possible care and with particular regard to sanctions and actual requirements. Those relating to receipt heads should aim at forecasting the realisable result as closely as possible; and

those relating to expenditure heads—Revenue and Capital—should be limited to the minimum requirements.

3. Only such sanctions to establishment and other recurring charges as are communicated on or before 1st September 1959 may be ordinarily taken into account in framing the expenditure estimates. But a list of fresh sanctions should be sent to the Finance Department as on 1st January 1960, immediately after that date as in the previous year.

4. According to the existing procedure of framing the Plan Programme for the Budget year, the Planning and Development Department holds discussions with the Heads of Departments and prepares the Schemewar details which are finalised after discussion with the Planning Commission. On the basis of this, the Finance Department prepares a booklet of Plan Outlay according to Budget Heads giving details of Central assistance, and the same is placed before the Legislature along with the Budget Estimates. The Planning and Development Department thereafter prepares a Plan Book giving a description of the Schemes and this is also supplied to members of the Legislature after the Budget Estimates are presented. Now that the Plan Programme prepared by the Planning and Development Department contains most of the details of the schemes in the Second Plan and there is limited scope for addition of new schemes, it is now decided that the Planning and Development Department should prepare a draft of the Plan booklet for 1960-61 (last year of the II Plan) by 15th December 1959 and thereafter the Finance Department will prepare the Plan Outlay according to Budget heads. In order that the Finance Department may be able to check up and finalise, if necessary after discussion with the Departments, the grants to be provided according to Budget heads indicating Central assistance, the Planning and Development Department should specify in respect of each Scheme the following details:

1. Outlay debitable to Revenue;
2. Outlay debitable to Capital heads;
3. Outlay debitable to Loan and Advance heads; and
4. Central assistance (percentage) of outlay—Loan or grant anticipated.

5. If in the Plan Programme prepared by Planning and Development Department in consultation with Finance Department, the Schemes are arranged under each Plan group head in the order of priority, it will be easier to omit less important schemes with reference to the Plan Ceiling fixed on the basis of resources. It is, therefore, requested that Heads of Departments should from now alone prepare the details, so that the time schedule could be adhered to. The Planning and Development Department will, however, issue instructions separately.

6. In giving details, such of the schemes not included in the Budget of 1959-60 and which come under the definition of New Service should be indicated separately, so that Finance Department could bring specifically these to the notice of the Legislature, if they are finally included in the Plan Programme within the ceiling. The expenditure estimates as a whole will be finalised in the Finance Department after incorporating the several provisions for Plan Schemes and the Centrally Sponsored Schemes as fixed above.

7. The Estimates should not be sent piecemeal. The Heads of Departments and Divisional Commissioners should forward consolidated estimates in the printed form to the Finance Department (Budget) in a complete manner. The Heads of Departments including Divisional Commissioners should make special arrangements well in advance for obtaining information from the subordinate officers. In spite of allowing sufficient time and repeated instructions from time to time, the Finance Department experienced much difficulty, while framing Estimates of 1959-60 as the Departments went on proposing alterations even after the Estimates were finalised. In some cases consolidated estimates were not properly prepared.

8. In some cases the Heads of Departments and other Estimating Officers had simply forwarded without proper scrutiny copies of estimates received from their subordinate officers which were prepared in manuscript in different forms and in varying sizes. It should be noted that the work of consolidation of the estimates received from the subordinate officers after scrutiny is the responsibility of the Chief Controlling Authority who has to exercise control over the estimated expenditure of the entire department.

9. The subordinate officers are still in the habit of either forwarding estimates direct to the Finance Department without routing them through their Heads of Departments or they endorse copies of estimates sent by them for information of Government. It may be clearly understood that Finance Department will not take cognisance of such data furnished directly by subordinate officers. It is the duty of the Heads of the Departments to issue necessary instructions to their subordinate officers not to repeat such procedure this year. Each Head of the Department has to see that the work of consolidation of the estimates received from their subordinates in the prescribed standard forms is done and *only such consolidated estimates pertaining to his department are sent to Finance Department (Budget) on or before the due dates fixed.* It may be noted that any Estimates received after the due dates cannot obviously be considered and the Departments will be responsible for omissions as a result of such belated proposals. Any delay in forwardal of the estimates beyond the due dates prescribed will be brought to the notice of the Ministers in charge.

10. It has been decided that with effect from 1960-61, a list of *New Items* of Expenditure should be printed separately as an Appendix to the Budget Memorandum. It is, therefore, necessary for the Heads of Departments to furnish detailed explanatory note for each such item as may be treated as an item of New Expenditure in accordance with the definition given in the Annexure I. Such items should be clearly indicated both in respect of expenditure proposed within the Plan and outside the Plan separately. The acceptance of any of the items referred to will depend upon the resources available after providing for all Committed Items and Schemes already sanctioned and in progress. It is, therefore, very necessary that proper priorities should be fixed for the New Items of Expenditure.

11. In respect of Works Expenditure, particular attention is invited to Official Memorandum No. FD, 11 BPL 59, dated 30th May 1959 and the Heads of Departments will keep in view the instructions contained therein. A copy of the said O.M. is also appended to this calendar (*vide* Annexure II).

12. In the consolidated Budget Estimates, the totals of major heads will be worked to thousands of rupees and those of minor heads to hundreds of rupees. In fixing the provision under individual heads of account, the provisions will have to be rounded to the nearest hundreds. This may be kept in view in preparing the Estimates.

13. The Director of Printing, Stationery and Publications is requested to treat all Budget work as urgent and return the Budget sheets on the dates prescribed by the Finance Department. The Director is personally responsible to see that no delay occurs at any stage in the Press and that the Budget work is given the highest priority.

14. Government desire to impress on all Heads of Departments, Chief Engineers and Divisional Commissioners that it is their duty to pay special attention to Budget work and to see that the time limits prescribed are strictly adhered to so that the work in the Budget Branch of the Finance Department is not held up in any stage for want of information from the departments concerned.

By Order and in the name of the Governor of Mysore,

G. MATHIAS,

Secretary to Government,

Finance Department.

ANNEXURE I

NEW SERVICE.

(Subject to approval by the Public Accounts Committee).

Sl. No.	Item of Expenditure	Criteria for treating the expenditure as on a New Service
1	2	3
1	Additional staff for normal increase of work for or for a purely temporary need in Government Department.	The employment of additional staff in connection with an existing service or for a purely temporary need, need not be treated as a 'New Service', whatever be the amount involved. But if the extra expenditure on the expansion of an existing service exceeds Rs. 30,000 recurring per annum taking the scheme as a whole (i.e., cost of Establishment, Buildings, equipment and other amenities, etc.), the scheme should be brought specifically to the notice of the Legislature. <i>Illustration.</i> —(1) <i>Extra expenditure on staff in particular establishment.</i> If, owing to increase in work, the number of typists in all Government Offices is increased or if an extra clerk is given for each Taluk Office owing to the growth of Land Revenue work, the extra cost does not constitute a 'New Service' or 'New Instrument of Service', as it is obviously the result of a normal growth of Government work. (2) <i>Introduction of new Schemes.</i> —If, however, on the introduction of a new scheme (e.g., Community Development Work), an additional Revenue Inspector or Accountant is given to each taluk, the expenditure involved will be one on 'New Service', if the total annual cost exceeds Rs. 30,000 and as it involved the adoption of a new policy by Government, i.e., the sanction of increase of the cadres of services or number of posts of a particular kind (either permanently or as a temporary measure). <i>Explanation.</i> —The term 'recurring' means the expenditure which extends beyond the financial year in which it is sanctioned.
2	Cases other than those referred to in Sl. Nos. 1, 6 and 8, already approved by the Legislature, but where expenditure subsequently expected to exceed appreciably the amount originally intimated to the Legislature.	These cases need not be treated as 'New Service' provided the increase over the grant previously voted does not exceed four times the previous grant or 2 lakhs whichever is less.
3	Grants and contributions for existing purposes.	When the amount involved exceeds Rs. 15,000 recurring or Rs. 50,000 non-recurring.
4	Works	New works including Electricity Schemes expected to cost more than Rs. 1,00,000. In the case of extensions and improvements the limit is, however, Rs. 2,00,000.
5	Committees constituted by Government from time to time.	When the expenditure is estimated to exceed Rs. 15,000 per annum recurring or Rs. 50,000 non-recurring.

ANNEXURE I—concl'd.

Sl. No.	Item of Expenditure	Criteria for treating the expenditure as on a 'New Service'
1	2	3
6	Revision of scales of pay	When the extra cost exceeds Rs. 50,000 per annum.
7	Experiments, investigations and demonstrations.	As a rule, expenditure on experiments, investigations, etc., need not be treated as on a 'New Service'. However, all expenditure of this character incurred each year without fruitful results should be reported to the Accountant General for incorporation in the Appropriation Accounts with suitable explanation for report to the Public Accounts Committee in due course.
8	Loans and advances carrying interest not covered by the provisions in the Budget.	When the amount exceeds rupees one lakh.
9	Change in classification of expenditure.	Expenditure on an existing service under one head but involving provision of funds under a different head due to change in classification of expenditure need not be considered as an expenditure on a 'New Service'.

ANNEXURE II

OFFICIAL MEMORANDUM

No. FD 11 BPL 59, DATED BANGALORE, THE 30TH MAY 1959

(JYEISHTA 9, SAKA ERA 1881).

Subject:—Inclusion of Plan Schemes in the Budget according to priorities.

In the course of certain discussions held recently about sanctions to schemes included in the State Plan for 1959-60, it came to notice that there was no adequate understanding of the way in which the lumpsum provisions made in the Budget for works relating to Minor Irrigation Schemes should be allocated. The view was even expressed wrongly, that in order that sanction to any work may be proposed or even plans and estimates may be got ready, there should be provision included in the Budget for the work.

2. One of the fundamental rules of budgeting is that no work which has not received sanction or administrative approval of competent authority should be included in the Budget. Unfortunately, it has not been possible to observe this rule strictly, and it has happened that there are a number of cases in which either lumpsum provisions are made for unspecified works or token or rough provisions are made for specified works which have not been sanctioned and for which even plans and estimates may not be ready. It is proposed that from the year 1960-61 at least, every attempt should be made to conform to the abovementioned rule, but that in doing so, due account should be taken of the practice that has gone on for a long period, and some relaxation for an year or two may be necessary. In this view, it is requested that the Heads of Departments, while making proposals in regard to inclusion in the Budget for 1960-61, should divide works into the following categories, and assign priorities in the manner indicated while forwarding the proposals to the Finance Department sending a copy simultaneously to the Administrative Department (Public Works Department):—

(a) In any given year, there will be a number of incomplete or spill-over works. These will be of two categories:—

- (i) Those which have been started in the previous year or years and on which some money has already been spent;
- (ii) Those which were proposed to be started during the previous year, but could not be started either because sanctions were not given in time or for some other reason.

With regard to works which have been started and on which some money has been spent, there can be no question that they should receive first priority in regard to making provision in the Budget. There should also be no difficulty in specifying them by name, and giving particulars as to the estimated cost, expenditure so far incurred, and the provision proposed for the year in question (which may either be the entire balance required or a portion of it, depending on whether it is proposed or possible to complete the work during the year or not). As regards works which were included specifically in the previous year's budget, and which have not been taken up, they would no doubt have the next priority, but if these works have not been sanctioned or plans and estimates have not been prepared, it would be open to the Head of the Department to review the necessity for including all or any of these works in the Budget of the year in question and unless any of these works are urgent, priority should be given to new works for which plans and estimates are ready as indicated in the following sub-para:—

(b) The second priority in regard to inclusion of works in the budget should necessarily be in respect of all those for which plans and estimates are ready and have also been sanctioned. Among them, those for which acquisition proceedings are necessary and have to be initiated will have to come after those for which no such proceedings are necessary and in regard to which commencement of work is immediately possible. All these works also could be named specifically while sending up budget proposals and the exact amounts required could be stated. In this category would also come such works as have been included in the previous year's budget, but have not yet been taken up, although sanctioned, either because sanction was not received in time or the Department was busy with other works.

(c) Works which have not been sanctioned, but which have been investigated completely, and for which plans and estimates are ready would receive the next priority for inclusion in the budget. It should be possible to mention both the names of these works and the amounts of estimates involved as each of them would have been investigated completely.

(d) Works which have been investigated and for which plans and estimates are being prepared would receive the lowest priority, and those that have not even been investigated, no priority at all. It is contemplated that in future, no work which has not even been investigated and for which plans and estimates have not even been begun to be prepared should be included in the budget, even against lumpsum provisions.

3. With regard to lumpsum provisions under "18 Other Revenue Expenditure Financed From Ordinary Revenues" and "68 Construction of Irrigation, Navigation, Embankment and Drainage Works", in particular, it was found as a result of the discussions referred to above that there was not only no attempt at drawing a distinction between those Heads, but also no indication of the incomplete works that have been taken up under the lumpsum provisions in previous year's budget and for which a part or whole of the current year's lumpsum provisions stands committed. To take an example, against the lumpsum provision of Rs. 40 lakhs under "68A. Construction of Irrigation, Navigation, Embankment and Drainage Works" in the Budget for 1959-60, works to the extent of only about Rs. 3.5 lakhs have been specifically mentioned (Appendix 'E'). It was nevertheless understood that a number of works have been taken up and are still incomplete and expenditure on these has to be debited against this lumpsum provision. So far as the year 1959-60 is concerned, and even for subsequent years, action should be taken to see that the incomplete works are adequately provided for against the lumpsum provisions, and that only such works as it is possible to take up against the balance remaining over (either out of those specified in the Budget or out of those unspecified but which may be ready to be taken up) are included and taken up against the balance available. The present practice, more or less universal, of seeing whether a work is included in the Budget before sanction to it or even preparation of estimates and plans therefor is thought of, should cease and it should be ensured that whenever a request is made for taking up a work, necessary investigations are made and plans and estimates also prepared, so that whenever it is possible to provide for it in the Budget, its inclusion can be effected in accordance with such priorities as may be assigned to it by the Departments.

4. These instructions will also apply, *mutatis mutandis*, to other works like buildings, roads and all works for which lumpsum provisions are made. The Chief Engineer (General) and the Chief Engineer, Irrigation and Public Health are particularly requested to see that in future in regard to the Road Works as well as Minor Irrigation Works action is taken as indicated above in assigning priorities to works under lumpsum provisions. Where for the year 1959-60 no sanctions have been obtained in spite of inclusion in the Budget, action should be taken to see that by 15th of June such sanctions are obtained. Where a further examination shows that it is not possible to execute the work this year because land acquisition proceedings cannot be completed or for other reasons, or the work is not feasible, a clear and definite report should be made to the effect that these works although included in the Budget cannot be taken up. To the extent budget provision is released on this account, other sanctioned or priority works could be taken up if reappropriation is permissible.

5. In respect of the building programmes of the Departments to be included in the annual Plan for 1960-61, the following special procedure may be followed from now onwards:—

(i) All non-Plan items under "81-Capital" are normally described and location clearly indicated. Even in respect of these non-plan items, there may be a few, in whose case, locations will have to be given. The administrative department will furnish a complete list to the Chief Engineer (General) by November 1st, 1959, i.e., the date by which the Budget Estimates of the Department are to be prepared. The Chief Engineer (General) will then forward the consolidated lists to Finance Department by November 21st.

(ii) In regard to Plan items, the administrative departments are requested to work out a list of buildings likely to be required in respect of the next year's Plan. In doing so, they may assume an outlay roughly equal to that of the current year, but will have to provide within this amount both for completion of old works as well as for new works. In this connection priorities should be fixed as detailed in sub-para (a) to (d) under para 2.

(iii) The Administrative Departments will know their actual Plan provisions for the year by January 1960. The Secretary of the Administrative Department concerned will then inform the Chief Engineer (General) immediately the amount earmarked in the Plan of his Department/Departments against '81: Capital'. Normally, this provision should be shown against specific building items, as the Administrative Department is expected to draw up its building programme from now onwards, having regard to availability of land, etc. If, however, there is some portion remaining to be earmarked to specific items, action should be taken to have the location and other details finalised on the lines of the instructions already given in the Official Memorandum dated 16th April 1959.

6. The receipt of this Circular may be acknowledged and a report furnished to Government by the end of June indicating the action taken to ensure that the terms of the Circular are conformed to.

Deputy Secretary to Government,
Finance Department (Budget).

**TOP PRIORITY
BUDGET****GOVERNMENT OF MYSORE****MYSORE GOVERNMENT SECRETARIAT,
"VIDHANASOUDHA",***Circular No. FD 93 BUD 59.**Bangalore, dated 23rd July 1959.*

To

ALL ESTIMATING OFFICERS.

SIR,

*Subject.—Budget 1960-61—Appendix 'B' Estimates—Pay of Officers,
Establishment and other fixed Allowances.*

As a preliminary to the preparation of the Budget Estimates for 1960-61, Appendix 'B' containing the details for the undermentioned heads on the expenditure side, pertaining to fixed charges, has to be framed in the first instance:—

- (a) Pay of Officers.
- (b) Pay of Establishment.
- (c) Allowances and Honoraria—
 - (i) T.A. (Fixed).
 - (ii) Dearness Allowance.
 - (iii) Other Allowances.
 - (iv) Medical Charges.

2. The allowances that can be included under items (a) and (b) above are Personal Pay, Deputation Allowance, Cash Allowance or Cashier's Allowance and Special Pay. All other allowances [excepting (c) (i) and (ii)] such as Special Locality Allowance, House Rent Allowance, Ration and Uniform Allowance, Project Allowance, City Compensatory Allowance, Personal Allowance towards protection granted to officials of Integrated Areas have to be included under c (iii). Provision towards Medical Charges to be reimbursed to Government Servants, etc., have to be shown under the detailed head c. (iv) "Medical Charges" to be newly opened during 1960-61.

3. Estimates for 1960-61 have to be furnished in the blank forms of Appendix B (which will follow shortly) relating to heads, of which you are concerned and sent to this office (Finance Department, Budget) not later than 1st September 1959 with subsidiary statements showing details of calculation working up to each item of provision (Annexure 3) accompanied by explanation in the form (Annexure 1) for the variations from the corresponding number and provision for 1959-60.

4. It is imperative that the Estimates framed by Heads of Departments and other Estimating Officers should be based on the information compiled or collected from their subordinate officers in the prescribed form (Annexure 2). This annexure with names is not only intended to provide data for the Estimates and to serve as working sheet but also to facilitate the Accountant General for verification of the estimates with the details as per Audit Registers. The Estimates furnished have also to be supported by the statement (Annexure 3).

5. The following are some of the important points to be kept in view while preparing the Estimates:—

(a) *Pay of Officers and Pay of Establishment.*—The number of posts (with authoritative explanation for variation, if any), the rate of pay, the rate and nature of allowances should be furnished in the text of the details for each item for which a total is given in the inner column. Permanent establishment should be

distinguished from Temporary and when provision for a portion of the year is only made for the latter, *the period should be specified duly noting the number and date of the Government Order.* The Estimates should ordinarily be based on sanction existing as on 1st September 1959 and on the pay as it would stand on 1st April 1960, making the provision for increments falling due subsequently during the year. (The method of calculating increments to be included in the provision is explained in the Note to Annexure 3). Any sanction accorded subsequent to the despatch of the Estimates, vitally affecting the same may be intimated separately before 1st January 1960 indicating details of posts, the provision and the appropriate place in the Appendix. Pay and allowances of an officer for a month become due only after the close of the month. Accordingly in respect of sanctions expiring on 31st March 1960, provision for one month has to be made in the estimates of 1960-61. If, however, provision for further period or full year is necessary, the same may be indicated, taking appropriate action for obtaining sanction before the date on which such sanction ceases. Provision on the basis of minimum pay may be made in respect of vacant posts indicating them specifically, provided they are likely to be filled up.

(b) The estimates in respect of Temporary Establishments should be furnished in separate sets of forms clearly indicating the head of debit of the expenditure according to the classification in the Budget. These estimates should not be mixed up with the estimates of the permanent establishments and one set should be forwarded to the concerned administrative departments of Government and the other set to the Budget Branch of the Finance Department along with estimates of permanent establishments. The concerned administrative departments will scrutinise the estimates in respect of temporary establishments and transmit the same to the Finance Department (Budget) with the recommendations or other remarks either for including the provision in the Estimates for 1960-61 or otherwise within three days of its receipt. It is the duty of every estimating officer to see that action is taken for obtaining sanction of Government for the continuance of temporary establishments well in time.

(c) Where the officials have not opted out to the New Scales of pay and allowances, the scales of pay and allowances they would be drawing at the time of submission of the estimates may be taken into account and provisions included accordingly in the estimates in the light of protection given for the pay and allowances in O.M. No. SRDI—I APM 57, dated 11th May 1957 and clarifications thereon issued by Government from time to time on several points raised.

(d) With regard to T.A. this head comprises ordinary T.A. as also Fixed Travelling Allowance, Permanent Monthly Travelling Allowance and Conveyance Allowance and such details have to be furnished so as to admit of verification of the provision asked for. The provision should be included under the detailed head "Travelling Allowance". In respect of the above items only and the provision for ordinary T. A. (on tour, etc.) should not be included at this stage.

(e) *Dearness Allowance.*—The details may be indicated thus : 2 (60), 3 (55), 7 (50), 15 (40), 30 (35) and 20 (30) [the number outside brackets representing the number of persons and that inside showing the rate of allowance drawn by them]; by giving a separate abstract to each Establishment in Annexure 2. It may be noted that higher rates of Dearness Allowance are admissible only in Cities and Towns with a population of one lakh and above (*vide* Annexure 4) wherever the new pay scales and rates of D.A. have been accepted. In other cases, where the option has not been exercised for new pay scales and D.A., the D.A. admissible according to G.O. No. SRDI—4 SRM 57, dated 2nd May 1957 may be provided for.

(f) With regard to "Other Allowances", the nature of the allowance, the designation of the officers entitled to it, the number and rate should be clearly indicated. When details cannot be conveniently entered in full, only rate and the number of persons drawing each allowance need be entered, further details about designation of the officers being given in an annexure.

(g) There should be separate estimate for each Major head. Thus, for instance, if the Deputy Commissioner has several Establishments whose pay is debitable to different Major Heads, the details and estimates should be furnished separately and should not be included in one estimate.

(h) The printed Appendix 'B' forms will be supplied along with the forms of Annexures 1 to 3. Where there are changes in designations, number of posts, change of Grade pay, etc., they have to be incorporated in RED INK in the printed form. In case new establishments are sanctioned the details of which are not found in the printed form of Appendix 'B', typed slips showing details such as strength, number and designation of posts and the provision proposed to be included for the year 1960-61 (corresponding to details furnished in Annexures 1 to 3) may be pasted indicating exactly the place where they are to be included. The estimates without printed Appendix "B" forms duly filled up as detailed above will be returned for supply of the omission.

6. Immediate action should be taken to have the details ready so that the blank forms (referred to in paragraph 3 above) when received could be returned duly completed without any loss of time whatsoever.

7. The Budget work can neither start earlier nor close later than the dates fixed for the purpose. As the entire work has to proceed as per schedule, **Topmost priority** has to be given to Budget returns, adhering to due dates, by bestowing your personal attention in the matter.

8. Posts already retrenched should be omitted and variations explained in the prescribed form (Annexure 1). If further retrenchments are proposed, the same should be indicated in a separate statement and not merged in the regular estimates.

9. Estimates relating to Gazetted Officers should be sent separately with annexures and not to be mixed up in the Estimates relating to Non-Gazetted and inferior establishment, as they are verified in the Accountant General's Office in separate sections. This will avoid delay, and facilitate quick finalisation of estimates. The inferior establishments should be distinctly shown in the Estimates relating to Non-Gazetted Establishment and should not be mixed up with the superior Establishment.

10. Details of establishments in the areas that have come over to the New State of Mysore from Bombay, Hyderabad, Madras and Coorg have to be included in the Estimates distinctly. The Heads of Departments should make special arrangements to collect this information from the Deputy Commissioners of Districts or other authorities concerned of the respective areas integrated with the State.

11. If provision for Temporary Establishment is included in the Estimates in anticipation of obtaining sanction for the continuance, copies of the proposals for continuance submitted to Government in the Administrative Department may also be enclosed to the estimates to be submitted to the Administrative Department and also with the copies of estimates to be endorsed to the Finance Department (Budget).

12. The Estimating Officers should particularly see that all points raised by the Accountant General, Mysore, while the estimates for the current year (1959-60) were sent to him for verification and also during the course of audit in the current year are set right while furnishing the estimates for the year 1960-61.

13. In spite of repeated instructions certain Heads of Departments and Estimating Officers include only lumpsum provisions in the Estimates without giving details of establishments. Such proposals are common in respect of provisions for the several Plan Schemes. It is once again stressed that details in the forms prescribed should invariably be furnished for all the establishments whether under Normal or under Plan Schemes.

14. In no case should estimates of Subordinate Offices be merely forwarded. It is the responsibility of the Head of the Department or Divisional Commissioner or Chief Controlling Officer, as the case may be, to consolidate such statements and forward them to the Finance Department (Budget) in prescribed forms only complete in all respects. This Department will not take any action on the returns sent directly by any of the Subordinate Officers. It may be clearly

understood that any provision for any establishment is the responsibility of the concerned Head of the Department and it is, therefore, necessary to see that estimates are properly framed and only consolidated estimates are sent to the Finance Department.

15. The Budget work should be dealt with at all stages on *Top Priority* basis and the prescribed due dates should not be transgressed for any reason.

16. All Budget correspondence may be addressed to the personal name of Under Secretary (Budget) and arranged to be delivered directly in the Budget Section of the Finance Department to minimise delays in transit.

Yours faithfully,

N. S. BHARATH,

*Budget Officer Ex-officio and
Deputy Secretary to Government,
Finance Department.*

Government Order No. GAD 26 ORR 59, dated the 13th May 1959, and subsequent Official Memoranda No. GAD 26 ORR 1959, dated 28th May and 30th June 1959 publishing the list of Other Backward Classes of citizens who are not adequately represented in the State services.

ORDER No. GAD 32 ORR 59, DATED BANGALORE, THE 18TH JULY 1959
(ASHADHA 27, SAKA ERA 1881).

Government have, in their Order No. GAD 26 ORR 59, dated the 13th May 1959 and subsequent Official Memoranda of even number dated the 28th May and 30th June 1959, notified the lists of other Backward Classes of citizens who, in the opinion of the State, are not adequately represented in the services of the State. In the Government Order dated the 13th May 1959, it has also been directed that the reservation for other Backward Classes shall be 57 per cent. In order to ensure that all the Backward Classes not adequately represented in the services get adequate representation it is considered necessary that the other Backward Classes should be separately grouped and the percentage of reservations for each such group fixed. Accordingly, it is hereby ordered that the various other Backward Classes be grouped as specified in Column 2 of the following Table and the percentage of reservation in respect of each group be as specified in Column 3 of the corresponding entry in respect of each group.

COMMERCE AND INDUSTRIES SECRETARIAT

Approves the formation of an Industrial Cadre for the State.

ORDER No. CI 4 SAA 59, DATED BANGALORE, THE 6TH JULY 1959
(ASHADHA 12, SAKA ERA 1881).

The Department of Industries and Commerce in Mysore State, apart from looking to the industrial development and the exploitation of the resources in the State, also manages several industrial concerns. Some of these concerns are entirely owned and managed by the Government, whereas in others Government have some share. The concerns which are being directly managed by the Department normally follow a fixed pattern. The actual day-to-day management of the concerns, is left to an officer variously styled as Manager or General Manager, whereas the more important duties and responsibilities are discharged by the Director or the Additional Director of Industries and Commerce. It is apparent that this arrangement is not conducive to the efficient and profitable working of a business concern. The above arrangement was partly necessitated due to the fact that the Managers of these concerns were not of sufficiently high status and therefore could not be safely entrusted with appreciably higher responsibilities. In most of these cases, the technical personnel working in the factories themselves have been promoted to officiate as General Managers, whereas in others like the REMCO and the Government Electric Factory, Officers of the Electricity Department have been deputed for the purpose. In short, each concern has to find its own personnel from wherever it can manage to get.

2. The Government concerns to be provided with General Managers of a suitable status are as follows:—

- (1) Government Central Industrial Workshop, Bangalore.
- (2) Government Central Workshop, Mercara.
- (3) Government Electric Factory, Bangalore.
- (4) Government Porcelain Factory, Bangalore.
- (5) Mysore Implements Factory, Hassan.
- (6) Government Sandalwood Oil Factory, Mysore.
- (7) Government Sandalwood Oil Factory, Shimoga.
- (8) Government Soap Factory, Bangalore.
- (9) Government Silk Weaving Factory, Mysore.
- (10) Government Silk Filature, Mysore.
- (11) Government Silk Filature, Kamakapura.
- (12) Government Silk Filature, Kollegal.
- (13) Saw Mills, Dandeli.

3. After providing these concerns with General Managers to look after their day-to-day affairs, a new level of authority has to be created in order to take decisions which cannot be delegated to the General Managers but which are too unimportant to be handled by the Board of Management for Industrial Concerns. To entrust the task of managing these concerns to the Director of Industries and Commerce or the Additional Director of Industries and Commerce is basically wrong and is considered not conducive to a businesslike management of the Industrial Concerns. The Director and the Additional Director of Industries and Commerce have therefore to be divested of all responsibility in connection with the day-to-day management and administration of these concerns.

4. Apart from the Industrial Concerns owned by Government, in the following joint stock companies Government has an interest and an officer of the Government occupies the position of Chairman and the Managing Director:—

- (1) The Mysore Chrome Tanning Company, Ltd., Bangalore.
- (2) The Mysore Chemicals and Fertilisers, Ltd., Mysore.
- (3) The Bangalore Ex-servicemen's Transport Co., Ltd., Bangalore.
- (4) The Mysore Lamp Works, Ltd., Bangalore.
- (5) The Mysore Lac and Paint Works, Ltd., Mysore.
- (6) The Radio and Electricals Manufacturing Co., Ltd., Bangalore.
- (7) The Mysore Spun Silk, Mills, Ltd., Channapattana.
- (8) The Mysore Sugar Company, Ltd., Mandya.
- (9) The Sugar Factory, Pandavapura.
- (10) The Mysore Tobacco Company, Ltd., Bangalore.
- (11) The Mysore Match Company, Ltd., Shimoga.

5. The present system by which the Director or the Additional Director of Industries and Commerce works as the Managing Director of several joint stock companies is not in conformity with the provisions of the Companies Act, 1956 and the Government of India have been pressing to modify it. The law requires that a person should not be the Managing Director of more than two joint stock companies. Moreover he should be a wholetime Managing Director and should not combine that task with that of the Director of Industries, etc. Apart from the legal objection, the arrangement suffers from a serious defect inasmuch as a single individual is called upon to run a large number of industrial concerns.

6. Apart from the management of the industrial concerns, a large number of officers are required by the Industrial Department for administrative duties. A number of these officers are at present drawn from the Mysore Administrative Service, a system which has a few demerits. The management of industrial concerns is more or less a specialised job and an officer with a short tenure in the Department can hardly be expected to acquire the specialised knowledge which is necessary.

7. Looking to all these considerations, Government are pleased to sanction the formation of separate industrial cadre for the management of the industrial concerns and for manning the administrative jobs in the Industries Department. The types of jobs that will be held by the officers of the Industrial Cadre will be as follows:—

(a) Industrial Side

- (1) Managing Directors of the various concerns.
- (2) General Managers.
- (3) Secretaries.
- (4) Sales Managers.
- (5) Purchase Managers.
- (6) Personnel Managers.
- (7) Administrative Officers of Industrial Estates.

(b) Administrative Side

- (1) Joint Directors.
- (2) Deputy Directors.
- (3) Assistant Directors.

8. The Industrial Cadre will consist of officers of three grades:—

Grade

Pay Scale
Rs.

Grade I 800-1,200

Grade II 550-860

Grade III 250-600

Separate orders will issue regarding the number of posts in the various grades.

9. So far as the General Managers are concerned, the following basis may be adopted for fixing their grades:—

- (a) Concerns with an invested capital or annual production not exceeding Rs. 20 lakhs. General Manager, III-Grade.
- (b) Concerns with an invested capital or annual production between Rs. 20 lakhs and Rs. 50 lakhs. General Manager, Grade-II.
- (c) Concerns with an invested capital or annual production exceeding Rs. 50 lakhs. General Manager, Grade-I.

10. The Managing Directors of the concerns will necessarily be officers of the first grade, since they will be exercising the powers now exercised by the Director of Industries and Commerce. As each and every concern cannot afford to have such a high officer as its Managing Director, the Government concerns and the Government-aided joint stock companies will be grouped and given in charge of Managing Directors. The Director of Industries and Commerce is requested to forward suitable proposals in this regard.

11. For the initial formation of the Cadre, the Officers manning the industrial concerns in the various capacities may be screened and those found suitable brought on to the Cadre. Officers working in the Industries Department or have previously worked in the Department on deputation from other Departments will also be considered if they are found suitable for inclusion in the cadre. In future, a liberal direct recruitment to the Industrial Cadre will be made.

12. In view of the creation of an industrial cadre the post of the Additional Director of Industries and Commerce is abolished.

Implementation of the Modified Scheme of Rebate on Sales of Handloom Cloth.

READ—

Government Order No. CI 48 RHS 59, dated the 11th May 1959, sanctioning the continuance of the scheme of rebate during the year 1959-60.

2 Letter No. 4(46)-Tex. (C)/59, dated 27-28th June 1959, from the Government of India, Ministry of Commerce and Industry.

ORDER No. CI 48 RHS 59, DATED BANGALORE, THE 8TH JULY 1959

(ASHADHA 17, SAKA ERA 1881).

The Government of India, having carefully considered the question of continuing the scheme of rebate on retail and wholesale sales of handloom cloth in its present form, have decided to introduce certain modifications in the scheme in order to minimise the expenditure on the rebate scheme so that larger sums may be available for other developmental schemes and to plug loopholes which result in abuses.

The State Government have decided to adopt the modified scheme of rebate with effect from 15th July 1959. The modified scheme of rebate which will come into force from 15th July 1959 will entitle the following categories of sales of handloom cloth to the grant of rebate at the rates specified :—

- I. *Retail rebate.*—(1) A rebate at the rate of 6 naye paise in the rupee will be allowed on genuine retail sales of handloom cloth worth Rs. 2 or over (a) from Weavers' Co-operative Societies and/or State-owned depots, and (b) from Consumers' Co-operative Societies which purchase handloom cloth only from Weavers' Co-operative Societies and which deal, so far as cloth business is concerned, only in hand-woven cloth (2) A special additional rebate at the rate of 4 naye paise in the rupee will be allowed on genuine retail sales of handloom cloth for a total period of 15 days in a year for 8 days during the annual Handloom Week Celebrations, and for 7 days on suitable festival occasions to be decided by the State Government with the prior approval of Government of India. Specific orders will be issued for such special rebates in due course.
- II. *Rebate on Wholesale Sales.*—A rebate at the rate of 3 naye paise in the rupee will be allowed on wholesale sales of handloom cloth by Weavers' Co-operative Societies. For this purpose, a wholesale sales will constitute sale of handloom cloth worth Rs. 100 or above at a time in a single transaction.
- III. *Rebate on Export Sales.*—A rebate at the rate of 6 naye paise in the rupee will be admissible to (i) Co-operative Societies or State Trading Organisations on sales for export of handloom cloth purchased from Weavers' Co-operative Societies, and (ii) Co-operative Societies exporting handloom cloth direct.

No rebate will be allowed on categories of sales other than those mentioned at Items I—III above. All other categories of sales of handloom cloth on which such rebate might have been allowed up till now will cease to have the benefit of the rebate with effect from the 15th July, 1959.

It is expected that the provision of Rs. 10 lakhs provided for the rebate scheme during 1959-60 would be adequate under the modified scheme of rebate. Action should, however, be taken by the Director of Industries and Commerce to estimate the expenditure accurately and limit the same to the plan provision. He should also take action for the recovery of the back log for 1958-59 from the Government of India, promptly.

The Director of Industries and Commerce should take immediate necessary steps for giving wide and adequate publicity to the modified scheme of rebate being brought into force with effect from 15th July 1959 and he should see that the ceiling fixed for expenditure on the rebate scheme for the year 1959-60 is adhered to strictly. If considered necessary, he should suggest further measures for adoption with a view to keeping the expenditure well within the ceiling limit.

Training Course for Tourist Guides in Mysore State.

REFERENCE—

Letter No. TST/161/59-60, dated 4th May 1959 from the Principal Information Officer.

ORDER No. HD 77 TTT 59, DATED BANGALORE,
THE 17TH JULY 1959.

The Principal Information Officer has reported that in connection with the promotion of Tourist Traffic in the State it is necessary to train young and intelligent persons as Tourist Guides specially to assist Home and Foreign Tourists who visit the State and to afford them a correct idea of the several tourist spots.

2. He has with this object prepared a Scheme of Training, lasting for three months which will be conducted by the Department of Information. In the first instance the course will be confined to a maximum of 50 students. A fee of Rs. 15 per student will be charged for the entire course and a sum of Rs. 10 as examination fees. In the case of candidates belonging to Scheduled Castes and Scheduled tribes they are eligible to the same concessions as are being given to them in the Educational Institutions in the State. The candidates have themselves to bear the expenses of the practical demonstration classes.

3. The minimum qualification required for candidates will be a pass in the Intermediate or any equivalent examination in Arts subject, preferably History, Geography and Indology. Candidates will be interviewed by a Selection Committee and only the selected candidates will be admitted. At the end of the Course there will be an examination and certificates will be awarded to the successful candidates. The names of the successful candidates will be published in the *Mysore Gazette*.

4. Trained Tourist Guides will be authorised to collect from Tourists the fees that may be fixed by Government from time to time. Sixteen Readers will handle the classes. The Readers will set question papers for the examination on the subjects in which they deal, correct answer books and submit the statement of marks to the Chairman of the Mysore State Tourists' Publication Committee who in turn will transmit the same with his remarks to Government, before publication of the final results.

5. In view of the Cultural and economic importance of Tourism Government consider that it is necessary to have a scheme for training Tourist Guides on sound and up-to-date lines. They are accordingly pleased to approve the training/course for Tourist Guides as detailed in Annexure I, II and III for a period of one year, temporarily. A remuneration of Rs. 100 each will be paid to the Readers for the entire Course, as in Annexure IV. A clerk and a peon attending to the work connected with the Training Course are also eligible to a remuneration of Rs. 30 and Rs. 15 respectively per month, for three months. The realisation from fees will be Rs. 2,250 for one term and the expenditure Rs. 5,280 resulting in an excess expenditure of Rs. 3,030. The extra expenditure of Rs. 3,030 involved under this Scheme may be met out by re-appropriation from the Budget grants of the Information Department or by obtaining additional grants, if necessary later on. The details of Receipts and Expenditure are noted below. The Director of Archaeology will be the *ex-officio* Principal of the training course.

	Income.		Rs.

LOCAL SELF-GOVERNMENT AND PUBLIC HEALTH SECRETARIAT

Issues orders regarding Revision of Scales of Pay and Allowances in Local Bodies.

READ—

1. Circular No. LLH 580 TML 57, dated 23rd April 1957 of the Secretary to Government, Local Self-Government and Public Health Department.
2. Government Order No. LLH 385 GSH 57, dated 16th May 1958 of the Local Self-Government and Public Health Department.
3. Government Order No. LLH 89 GSH 58, dated 4th October 1958 of the Local Self-Government and Public Health Department.
4. Circular No. LLH 412 (Genl.)/58, dated 14th October 1958 of the Secretary to Government, Local Self-Government and Public Health Department.
5. Circular No. LLH 355 CSG 58, dated 13th January 1959, from the Secretary to Government, Local Self-Government and Public Health Department.

ORDER No. LLH 72 CET 59, DATED BANGALORE, THE 18TH JULY 1959.

The local bodies in the State were permitted to revise the scales of pay of their employees in accordance with the terms and conditions laid down in Government Circulars and Orders cited above. However, clarifications are still being sought stating that for many posts existing in the local bodies, equivalent posts could not be found in the Government Order No. Fl. (B). 14034-14133-BUD 119-56-3, dated the 25th January 1957 of the Finance Department. It is, therefore considered necessary to indicate the maximum scales of pay which could be prescribed for the various posts under the local bodies, other than teaching staff employed in the educational institutions managed by local bodies, and for this purpose, a schedule indicating the maximum scales of pay for the various posts under the local bodies is appended. As the scales of pay have to be revised on a functional basis, the revised scales have been indicated, as far as possible, keeping in view the existing scales and also the duties and responsibilities attached to the posts concerned.

2. The schedule mentioned above only indicates the maximum scales of pay which may be given for the various posts under the local bodies and it is left to the entire discretion of the local bodies concerned to give these scales of pay or any reduced scales of pay, keeping in view their financial position.

3. So far as Government servants on deputation are concerned, as distinguished from the employees of local bodies, the benefits of the revised scales of pay and dearness allowance should be given in accordance with the provisions of the Government Order of the Finance Department dated the 25th January 1957, with reference to their allocation in the revised scales in the parent departments.

4. The conditions for fixation of pay, weightage, etc., laid down in the Government Order of the 25th January 1957, will be applicable *mutatis mutandis* in respect of the employees of the local bodies also and should be strictly adhered to.

5. Many local bodies have already revised the scales of pay with the approval of Government. In such cases, the scales of pay already sanctioned will continue to hold good and the revised scales of pay mentioned in the enclosed Schedule will not be applicable to the existing incumbents but only to new entrants.

6. The employees of local bodies in service on 1st November 1956, including those employed in the local bodies of the integrated areas, should be allowed to exercise their option in writing for the revised scales of pay and dearness allowance within a period of ninety (90) days from the date the respective local bodies notify the revised scales of pay and dearness allowance adopted by them. Such option once exercised will be final. The option should be for both the scale of pay and dearness allowance.

7. The Deputy Commissioners and the Divisional Commissioners should scrutinise and approve the allocation statements of the employees of local bodies, keeping in view the terms laid down in the foregoing paragraphs. It is possible that other posts which may exist in some local bodies may not have been included in the schedule appended. In such cases, the Deputy Commissioner should forward their recommendations for revision of scales of pay through the Divisional Commissioners for the approval of Government. In respect of employees of the

City Municipalities of Bellary, Davangere and Mysore, the allocation statements should be got verified by the State Accounts Department before giving effect to the revised scales of pay.

8. The date from which the revised scales of pay and dearness allowance may be given to the employees of the local bodies who opt for them, shall be either 1st January 1957 or any later date, at the discretion of the local bodies.

9. Those who do not opt to the new scales of pay will continue in old scales of pay. The rate of dearness allowance indicated in Appendix III of the Government Order, dated 25th January 1957 will, however, be applicable even to officers and officials who do not opt to the new scales of pay from 1st July 1959. Where the basic pay plus dearness allowance (at new scales) of the non-optees is less than the basic pay plus dearness allowance drawn for October 1956, the difference will be treated as personal allowance to be absorbed in future increments accruing after 1st July 1959. Where the rate of increment is more than one-third of the difference, only one-third of the difference will be absorbed in each of the next three increments accruing after 1st July 1959. Where the rate of increment is less than one-third of the difference the full increment will be adjusted to reduce the personal allowance, until the entire difference is adjusted.

10. As regards the teaching staff employed in the schools managed by local bodies, separate orders have been issued in Government Order No. LLH 72 (1) CET 59, dated 18th July 1959.

By Order and in the name of the Governor of Mysore

R. SRINIVASAN,
Secretary to Government,
Local Self-Government and
Public Health Department.

Letter No. A2. 1235-116/59-60, dated 18th June 1959 from the Director of Public Instruction in Mysore, Bangalore.

ORDER No. ED 114 SES 59, DATED BANGALORE, THE 24TH JULY 1959
(SHRAVANA 2, SAKA ERA 1881).

The Director of Public Instruction has stated that prior to reorganisation of the States there was a Staff Selection Committee in Hyderabad-Karnatak area, constituted by the ex-Government of Hyderabad, with the Secretary to Government, Education Department as Chairman, Director of Public Instruction and other representatives of Government with some non-officials as members to select candidates for the appointments of teachers in High Schools and Training Institutions as per Government Notification No. 644—GAD SRC—19-Edn.—52, dated 29th October 1953 of erstwhile Government of Hyderabad. This Committee has not been reconstituted after the reorganisation of the States and there was a proposal to fill up these vacancies according to Public Service Commission Rules obtaining in Old Mysore State. But these rules of recruitment of Graduate Teachers in ex-Mysore area are not made applicable to that area so far. In view of this, the Director of Public Instruction has stated that the vacancies in the High Schools in the Hyderabad-Karnatak area could not be filled up on a permanent basis and only local candidates are being appointed by the Deputy Director, Gulbarga, purely on a temporary basis. As this kind of arrangement affects the efficiency in the schools and therefore, cannot be continued indefinitely, the Director of Public Instruction has suggested that a Staff (Graduates) Selection Committee with the personnel as noted below as members, may be reconstituted in Hyderabad-Karnatak

area with immediate effect so that appointments of all graduate teachers may be made immediately and added that the term of the Staff Selection Committee for a period of two years from 1959-60 or until common rules of recruitment are evolved for the entire Mysore State.

Names of Staff (Graduates) Selection Committee.

- 1 The Secretary to Government, Education Department—(Chairman).
- 2 The Director of Public Instruction in Mysore, Bangalore.
- 3 Karnatak University Representative.
- 4 Employment Exchange Representative.
- 5 Sri Ayyangowda Lingangowda, M.L.C., Sanganhali Post, Yelburga Taluk, Raichur District.
- 6 Smt. Vijaya Raghavendra Rao, M.L.A., No. 1-1-458, Station Road, Gulbarga.
- 7 Sri R. S. Rampure, B.A., LL.B., Pleader, Gulbarga.
- 8 Sri Bhima Rao, Vakill, Bidar.

2. After considering all aspects of the case, Government are pleased to direct that a Committee for Selection of the Teachers in the Hyderabad-Karnatak area be constituted with the following members to make local appointments on the conditions stipulated below:—

Members of the Committee.

- 1 The Director of Public Instruction in Mysore, Bangalore—(Chairman).
- 2 Karnatak University Representative.
- 3 Employment Exchange Representative.
- 4 Sri Ayyangowda Lingangowda, M.L.C., Sanganhali Post, Yelburga Taluk, Raichur District.
- 5 Srimati Vijaya Raghavendra Rao, M.L.A., No. 1-1-458, Station Road, Gulbarga.
- 6 Sri R. S. Rampure, B.A., LL.B., Pleader, Gulbarga.
- 7 Sri Bhima Rao, Vakill, Bidar.
- 8 The Deputy Director of Public Instruction, Gulbarga—(Secretary).

Conditions for appointment of the Staff by the Selection Committee.

(A) Applications may be called for by the Director of Public Instruction specifying the following conditions:—

- (i) that the age limit be at 30, 28 and 25 as in Rule 6 of the Notification No. GAD (OM) 2 GRR 57, dated 10th February 1958;
- (ii) that the minimum qualification be a Degree of the University for appointments to Secondary Schools and that for Primary Schools, S.S.L.C. trained teachers being preferred;
- (iii) that the intending applicants be specifically informed that the appointments to be made by this Committee will be purely temporary of a local nature, subject to their replacement by the candidates to be appointed by the Public Service Commission.

(B) That the Committee may select the candidates for appointments on the basis of reservation for Scheduled Castes and Scheduled Tribes and Backward Classes at 15 per cent, 3 per cent and 57 per cent respectively, the rest of the appointments and posts being on the basis of merit as per Government Order No. GAD 26 ORR 59, dated 13th May 1959.

3. The Director of Public Instruction is requested to send up requisitions for filling up the vacancies in the form prescribed, to the Public Service Commission immediately within a week for calling for applications and for selection by the Public Service Commission. The candidates selected by this Committee may also be allowed to apply and take their chances, along with others.

4. The term of the Staff Selection Committee mentioned above will be for a period of one year.

5. The non-official members of the Committee be classified under "B" list under Mysore Civil Services Rules for the grant of Travelling Allowance and Daily Allowance.

6. The Director of Public Instruction is requested to point the budget head to which the expenditure regarding Travelling Allowance and Daily Allowance will be debited under "37-Education".

By Order and in the name of the Governor of Mysore,

AHMED ABDUL AZIZ,
Under Secretary to Government,
Education Department.

(ASHADHA 27, SAKA ERA 1881).

Recorded

2. *General Administration.*—Shri V. S. Kuppaswamy Mudaliar, G. M. V. C., P. G., was the Head of the Department up to 7th May 1956 in addition to his duties as Superintendent, Mysore Serum Institute. Shri J. Muniappa succeeded him on 7th May 1956 and continued till 31st October 1956. Dr. K. S. Shetty, G. M. V. C., Ph.D. (Edin.), who was allotted to this State from Hyderabad, held the post with effect from 1st November 1956 for the reorganised Mysore State for the rest of the year under report.

3. *Seasonal Conditions.*—The seasonal conditions were satisfactory throughout the year. There was adequate supply of water and fodder to the cattle.

4. *Veterinary Service.*—There were three outbreaks of Rinderpest in addition to two pending attention at the commencement of the year. They were promptly attended by protecting 31,623 head of cattle by preventive inoculations. The Pilot project for eradication of Rinderpest partly financed by Government of India was continued. Under this scheme, mass inoculation of 3,01,902 (9,19,202) cattle over six months of age was carried on in the Districts of Tumkur, Mandya, Kolar and Mysore. There were 16 (23) outbreaks of Black Quarter pending attention at the commencement of the year. Two thousand four hundred and forty-three (4,307) outbreaks were registered during the year and 2,423 (4,296) were attended to protecting 6,04,642 (7,53,833) animals against the disease by vaccination. Two outbreaks of Haemorrhagic Septicaemia were pending attention and 2,494 (1,249) were registered and 2,449 (1,230) were dealt with during the year protecting 6,78,137 (2,80,990) animals against the disease. Four hundred and forty-seven (1,089) cases of Anthrax were registered during the year in addition to 3 pending at the commencement of the year and 441 (607) were attended to protecting 53,612 (81,225) cattle and sheep against the disease. Sheep-pox disease was mostly prevalent in Tumkur, Kolar, Bangalore and Chitaldrug Districts. Four hundred and ten (325) cases were registered and 407 (283) were attended to conducting 1,34,439 (1,42,539) vaccinations. One thousand eight hundred and eighty-seven cases of contagious diseases which do not come under any species mentioned above were registered and 1,883 were combated. Eleven lakhs ninety-six thousand nine hundred and sixty-five (11,96,062) poultry birds were protected against Ranikhet disease. In addition 17,207 (8,079) birds were vaccinated against Fowl-pox.

5. *Veterinary Institutions.*—There were 226 (225) Veterinary Hospitals and Dispensaries in the earstwhile Mysore at the commencement of the year. One more hospital was given to Hosur during October 1956. After reorganisation of the State, 134 institutions and touring billets were added on and seven new dispensaries were opened. At the close of the year there were 368 institutions comprising 22 major Hospitals, 142 Taluk Dispensaries, 176 Rural Dispensaries and 28 touring billets.

6. *Cattle Fairs.*—One hundred and twenty-nine (163) cattle fairs were held. Except in seven cases, the Department made arrangements at the fairs to open temporary dispensaries for providing veterinary aid. Eleven lakhs sixty-eight thousand one hundred and forty-one (8,18,320) head of cattle were estimated to have gathered in the above fairs. Prizes worth Rs. 13,700 (Rs. 11,899) were distributed to the best exhibits.

7. *Rural Development Work.*—In the N.E.S. and C.D. Block areas, the staff of the Department castrated 91,920 scrub bulls, rams and bucks; treated 5,04,276 ailing birds and conducted 8,68,663 inoculations and vaccinations. In addition 1,11,688 cattle and buffaloes were systematically dosed by the staff employed. Nine hundred and fifty-one (511) birds and cockerels were issued to upgrade the local indigenous stock and in addition 18,001 hatching eggs were sold to *bona fide* breeders at concessional rates. Artificial insemination centres and model poultry farms were also established in selected places.

8. *Veterinary Education and Training.*—Ten (8) candidates were deputed for training in the different Veterinary Colleges in India. A Stockmen's Training School at Dharwar and Compounders' Training Centres at Bangalore and Mysore were opened during the year. Thirty Compounders and 45 stockmen were trained at these centres.

9. *Development Schemes.*—During the year, under 'Veterinary Research' sanction was accorded for expansion of the Mysore Serum Institute at a total cost of Rs. 1,84,000 under the Key Village Scheme, two more centres were opened at Kunigal in Tumkur District and Aminathi in Coorg District. The Hessarghatta and Ajjampur Centres were upgraded by including two more sub-centres to each. The Poultry Centres started at Gundlupet and Kurikuppi were continued, the nature of its working being changed from Pilot scheme to regular self-contained centre. A centre located at Ponnampet (Coorg) came to the fold of the Department after the reorganisation of the States.

10. *Amritmahal Section.*—The Research Officer, A. H., was in charge of this Section. The strength of the herd in the Four Economic Farms at the beginning of the year was 1,556 (1,594). During the year there were 306 (270) births and 171 (154) deaths. The year closed with 1,732 (1,556) animals of both sexes.

11. *Cattle Breeding Station, Ajjampur.*—The seasonal conditions were satisfactory. The health of Livestock was fairly good. The year commenced with a total strength of 1,144 (1,210) head of cattle at both Basur and Ajjampur farms. The total births were 165 (223) of which 84 (93) were males and 81 (130) females. There were 186 (97) deaths. The strength of the cattle at the close of the year was 1,108 (1,144). The total quantity of milk produced was 25,603½ lbs (49,316) and the total revenue realised was Rs. 4,303 (8,343).

PLANNING AND DEVELOPMENT SECRETARIAT

Issues orders placing the overall responsibility for the execution of the Minor Irrigation Programme in the Development Blocks on the Executive Engineer in charge of the P.W. Division in the District and also issues procedural instructions for implementing the programmes.

READ—

1. Official Memorandum No. P & D 767 GDP 57, dated 28th—31st March 1958 conveying detailed instructions with regard to the execution of the Minor Irrigation Programme in the Development Blocks.
2. Extract from the Tour Notes of the Adviser (Irrigation), Ministry of Community Development after his visit to the State from 1st to 7th June 1958, pointing out *inter alia*, the need for effective utilisation of Minor Irrigation Funds.

ORDER No. P & D 316 CDP 58, DATED BANGALORE, THE 15TH JULY 1959
(ASHADHA 24, SAKA ERA 1881).

There is a provision of Rs. 34 lakhs for Minor Irrigation in the Budget of Stage-I Blocks and a provision of Rs. 85,000 in the Schematic Budget of Stage-II Blocks. A fairly comprehensive Programme of works to be undertaken out of these funds, as well as the funds available under the normal budget of the Public Works Department has been prepared by many Block Development Committees in accordance with the Circular instructions issued in the past. The Deputy Commissioners and the Executive Engineers have scrutinised these programmes, and have, in many cases, approved the programmes. The allocation between works to be executed by the Public Works Department and those to be executed by the Block Agency has also been made.

Government have recently reviewed the progress of the Minor Irrigation Programme in the Development Blocks. It has been considered necessary to place the overall responsibility for the execution of the programme on the Executive Engineer in charge of the Public Works Division in the District. Close co-ordination will be necessary between him, the Deputy Commissioner, the block staff and the Block Development Committees. The Engineering Officer in the Block, *viz.*, Sub-Engineer/Overseer/Sub-Overseer, will work under the technical control of the regular P.W.D. Officer having jurisdiction over the Block. In pursuance of this general decision, the following detailed procedural instructions are also given :

(1) In the case of Minor Irrigation works costing Rs. 2,500 or less, where the works are in the nature of restoration, not involving masonry works, such as earthwork to bunds, desilting, channel clearing, etc., the Block Agency will have the final authority to sanction and execute the work subject to the technical supervision of officer of the Public Works Department having jurisdiction over the Block.

(2) In the case of works of the same magnitude (*i.e.*, costing Rs. 2,500 or less), but which involve masonry work such as repairs to sluices, waste-weirs, etc., execution will be the responsibility of the Block Agency, subject to prior technical approval by the Assistant Engineer having jurisdiction over the Block.

(3) In the case of works such as construction of pickups, anicuts, etc., which cost Rs. 2,500 or less and which are likely to intercept the waters impoundable in the valley, the execution will be the responsibility of the Block staff, subject to prior technical approval by the Assistant Engineer having jurisdiction over the Block.

(4) All Minor Irrigation Works costing above Rs. 2,500 will be executed by the Public Works Department.

(5) All works costing less than Rs. 2,500 will therefore be executed by the Block Agency. These may be given for execution to local people at estimated rates and there is no need to work through the Registered Contractors in such cases.

It is reiterated that the Programme of Minor Irrigation should be an integrated one and that in drawing up the Programme, the list of works are so drawn up that the funds available in the Development Block Budget and the funds available under the Minor Irrigation Programme of the Public Works Department are fully utilized and no portion of the amount is allowed to lapse.

Issues instructions prescribing the Road Margin at 50 ft. on either side from the centre of the road in respect of Inter-Village communication and approach roads to Villages constructed under the C.D. Programme.

C I R C U L A R

No. P & D 633 NES 57, DATED BANGALORE,
THE 15TH JULY 1959 (ASHADHA 24, SAKA ERA 1881).

The Sixth Development Commissioners' Conference held at Mussoorie from the 26th April to 30th April 1957, has recommended that "as far as possible, building line should be prescribed in order to prevent ribbon development". In furnishing comments on the above recommendation, the Ministry of Transport and Communications, Department of Transport (Roads Wing) has stated that "after roads have been constructed, building activity in the area is increased and in order, therefore, to ensure that the area does not become congested owing to the construction of buildings close to the roads and thus cause hindrance in the way of speedy flow of traffic, it is necessary to demarcate a line within which no building activity should be allowed".

In view of the above recommendation and the possibility of the Inter-Village Communication Roads and the approach roads to villages constructed under the C.D. Programme being converted in due course into District Fund Roads, it is directed that the road margin in such cases be fixed at a clear distance of at least 50 ft. on either side from the Centre of the road. No building or compound wall construction may be allowed within this limit.

CHIEF SECRETARIAT

Creates Technical Audit Cell under the Special Officer, Efficiency, Audit.

ORDER No. GAD. 39 BAC 59, DATED BANGALORE, THE 23RD, JULY 1959,
(SHRAVANA 1, SAKA ERA 1881).

The desirability or otherwise of creating a Technical Audit Cell consisting of the personnel of the Public Works Department in the State on the model of the Cell existing in the Central Public Works Department was receiving the attention of the Government for some time past. With a view to securing economy in expenditure and ensuring better technical and financial control of the works in the Public Works Department and also in consideration of the proposal of the Public Works Department Reorganisation Committee to create a vigilance squad, it has now been decided to create a Technical Audit Cell in the Directorate of Efficiency Audit and Anti-Corruption, for one year in the first instance.

2. Sanction is, therefore, accorded for the creation of a Technical Audit Cell consisting of the following posts in the different cadres. The officers appointed to the posts will draw pay in the scales of pay shown against each post plus the special pay mentioned in column No. 4.

Category of post	No. of posts	Scale of pay	Special pay
1	2	3	4
Class I Post.			
Superintending Engineer	1	Rs. 800-40-1,000-50-1,200	Rs. 100.
Class II Posts.			
Assistant Engineer	1	Rs. 250-25-450-30-600	Rs. 50.
Accounts Officer	1	Rs. 300-25-550-30-700	Rs. 50.
Class III Posts.			
Supervisor	1	Rs. 150-10-300	10 per cent of his pay.
Clerk (1st Division)	1	Rs. 75-5-90-6-150-10-180	10 per cent of his pay.
Stenographer	1	Rs. 75-5-101-8-140-10-250	10 per cent of his pay.
Class IV Posts.			
Peons	4	Rs. 25-1/2-35	No special pay.

3. The functions of the Cell will be:—

(i) Inspection of important works after completion as also during progress for ensuring (a) quality of specifications, (b) execution to schedule and (c) no undue deviations during construction.

(ii) Inspection of works carried out departmentally for ensuring no excess use of materials and labour.

(iii) Checking a percentage of concluded contracts for ensuring reasonable rates and no ambiguity in conditions, description and specifications with particular reference to negotiated contracts.

(iv) Checking a percentage of bills after payment with reference to measurement books as also check on measurements and quality of works executed.

(v) To help the Government in the Public Works Department on technical points in Audit Objections, Bills, Contracts, etc.

4. In order to enable the Cell to perform its duties efficiently, it is essential that full information should be supplied to it and the visiting officers of the Cell should be afforded every assistance in their work and all requests made by them for access to works, drawings, specifications, contracts, measurement books or for any other particular documents or information should be complied with forthwith. For inspection of works on site, all facilities should be afforded to the officers concerned and all materials and information required should be supplied to them expeditiously.

5. The scope of the Cell will be to supplement the existing agencies such as the Chief Engineer, the Standing Technical Advisory Committee, the High Power Project Committee for Bhadra and Sharavati, the Consultative Committee and the team of experts appointed by the Planning Commission to examine all matters relating to efficiency and economy in the execution of Bhadra Project and the system of pre-audit and to co-ordinate with them in their work. The Head of the Department is primarily responsible for economy, efficiency, quality and discipline, and the Cell should not contribute in any manner to slow down the progress of work undertaken by other agencies or to create a sense of unconcern on the Head of the Department.

6. Orders appointing officers to the Cell will be issued by the Public Works Department.

7. The expenditure on this account should be met from the grants under the sub-heads under "25-General Administration—E-i-IV-Efficiency Audit and Anti-Corruption Office—E-i-IV-A-Direction".

By Order and in the name of the Governor of Mysore,

K. M. MIRANI,

3. Letter No. ELN 1816/59, dated 22nd June 1959, from the Chief Electoral Officer for Mysore, Bangalore.

ORDER No. FD 176 SRS 59, DATED BANGALORE, THE 29TH JULY 1959
(SHRAVANA 7, SAKA ERA 1881).

In Government Notification, dated the 17th April 1958, it was ordered that the pending Travelling Allowance claims of the staff appointed in connection with the General Elections, 1957, be paid without pre-audit by the Accountant General, Mysore, Bangalore. The Accountant General suggested in his letter dated the 11th June 1959, the desirability of fixing a suitable time-limit for encashment of such bills in order to avoid likely delays in the preferment of claims causing their verification more and more difficult with the passage of time. The Chief Electoral Officer has, in his letter, dated the 22nd June 1959, reported to Government that there are still many bills pending settlement in the various districts the clearance of which will take some more time and has therefore, recommended that the last date for encashment of the Travelling Allowance claims respecting the above elections without pre-audit, be fixed as 31st March 1960.

Government agree with the recommendation of the Chief Electoral Officer and direct that bills in this behalf presented after 31st March 1960, be got pre-audited by the Accountant General, Mysore, Bangalore, before payment.

Sanctions the Reorganisation of the Divisions and Sub-Divisions in the Public Works Department.

READ—

Government Order No. 2793-2892-CB 93-49-1, dated 27th September 1949, sanctioning the reorganisation of the Public Works Department in the former Mysore State.

2. Government Order No. 6074-77 Est. 37-49-9, dated 4th January 1950, approving the distribution of Divisions and Sub-Divisions under the scheme for the reorganisation of the Public Works Department in the former Mysore State.

3. Government Order No. PW 12230-250 Est. 21-53-11, dated 19th February 1954, ordering the abolition of certain Divisions and Sub-Divisions in the former Mysore State.

4. Government Order No. PWD 450 EWG 57, dated 18th November 1957, constituting a Committee for a comprehensive examination of the question of reorganisation of the departmental set up in the Public Works Department.

5. Chapter VII of the Report of the Committee constituted in the Government Order, dated 18th November 1957 read above.

6. Government Order No. PWD 6 SCO 59, dated 3rd March 1959, according sanction to re-allocation of charges of Chief Engineers.

7. Government Order No. PWD 88 ORG 58, dated 29th April 1959, directing the reconstitution of Public Works Department Circles in the State as indicated therein pending a final decision on the proposals for the reorganisation of the Divisions and Sub-Divisions.

8. Correspondence ending with letter No. 4531/S/Est. 58-9, dated 18th February 1959, from the Chief Engineer (General) submitting proposals for the reorganisation of the Divisions and Sub-Divisions in the Public Works Department.

ORDER No. PWD 63 SCO 59, DATED BANGALORE, THE 22ND JULY 1959

(ASHADHA 31, SAKA ERA 1881).

In Government Order dated 29th April 1959 read above reconstituting the several Circles in the State, the question of reorganisation at Divisional and Sub-Divisional levels was reserved for further consideration and orders in the light of the recommendations of the Public Works Department Reorganisation Committee. The Committee has examined this question at length and has made the following main recommendations with a view to the more effective and prompt execution of Plan and other works and improvement of all round efficiency of the Department:—

(1) The division of work should be on a functional basis only at the Chief Engineers' level and on a territorial basis at the level of the Superintending Engineers, the Executive Engineers and Assistant Engineers;

(2) There is no need for a separate set up outside the Public Works Department for the execution of Public Health Engineering Works;

(3) Consistent with the extra work-load separate Sub-Divisions and Divisions may be created for special works or items of work and attached to the respective Divisions and Circles having territorial jurisdiction;

(4) Civil Works of all Departments of Government should be executed only in the Public Works Department. There should be no separate organisation in other Departments of Government outside the Public Works Department for the execution of such works;

(5) The work-load for a regular Division should be normally Rs. 30 to Rs. 35 lakhs per year and that for a Sub-Division Rs. 5 to Rs. 7 lakhs per year and as far as possible there should be a Public Works Sub-Division for each taluk except in cases where it is possible to combine two or more taluks into a Sub-Division.

(6) The existing Circles, Divisions and Sub-Divisions should be reconstituted having regard to geographical jurisdiction, administrative convenience, economy in expenditure, backwardness of the tract, special works of improvement and development proposed in individual areas and the existing administrative set up in those areas.

2. Government have carefully considered the above recommendations of the Committee and are pleased to accept them.

3. The proposals of the Committee for reorganisation of the Divisions and Sub-Divisions in accordance with the above principles have been finalised in the light of discussions at the meetings of the Officers concerned, and the Divisions and Sub-Divisions as reconstituted under each of the six Public Works Department Circles, viz., Bangalore, Mysore, Shimoga, Belgaum, Raichur and Special-West Coast Circles and finally approved by Government on the basis generally of the work-loads and of the other criteria referred to above are appended (Annexure I).

4. The salient features of the reorganisation are given below:—

Abolition of Divisions and Sub-Divisions

(1) The three Sanitary Divisions with headquarters at Bangalore, Mysore and Davangere and the ten Sub-Divisions working under them and having jurisdiction over each of the ten Districts of the Old Mysore State will be abolished and the works that are at present attended to by these Divisions and Sub-Divisions will be attached to the respective regular Divisions and Circles in their territorial jurisdiction.

(2) The Sugarcane Cess Fund Division, Mandya and its three Sub-Divisions will be abolished and the work of the two Divisions now located at Mandya and of K.R.S. Division will be reallocated as indicated in the subsequent paragraphs and in the annexure and their work distributed among the regular Divisions and Sub-Divisions.

(3) The Malayalli Division, Mandya, with its three Sub-Divisions will be abolished.

(4) The Industries Division, Bangalore and the Sericultural Division, Bangalore, will be abolished along with the Sub-Divisions attached to them and located at Bangalore, and a Special Buildings Division at Bangalore is created with four Sub-Divisions to attend to the Building and other Civil Works of other departments in the Bangalore Corporation Area. The remaining Sub-Divisions located in mofussil places are continued as at present on a temporary basis but attached to the regular Divisions where their continuance is found necessary or where they are considered unnecessary are abolished and their work attached to the respective regular Sub-Divisions, as indicated in the annexure.

(5) The Coorg Minor Irrigation Division and its four Sub-Divisions and the Lakshmanathirtha Division will be abolished and one Sub-Division for Lakshmanathirtha Project will be continued on a temporary basis.

(6) The Irrigation Division, Dharwar and its six Sub-Divisions will be abolished and their work allocated among the newly constituted Divisions and Sub-Divisions.

(7) The Water Supply and Well Sinking Division, Gulbarga and its two Sub-Divisions and the Local Engineering Division, Gulbarga and its seven Sub-Divisions will be abolished and the works that are attended to by them attached to the regular Divisions and Sub-Divisions in Raichur Circle.

(8) The Public Works Department Division, Mangalore, and 4 Sub-Divisions and the Public Health Engineering Division, Mangalore and two Sub-Divisions will be abolished and one Sub-Division, viz., Mangalore Water Supply Sub-Division, Mangalore, will be continued under the control of the newly constituted South Kanara Division, Mangalore on a temporary basis.

Creation of new Divisions and Sub-Divisions.

5. The following new Divisions and Sub-Divisions will be created:

(1) A Special Buildings Division (Temporary) with headquarters at Bangalore with four Sub-Divisions to attend to works in Bangalore that are at present attended to by the Industries and Sericultural Divisions and some of the works attended to at present by the Buildings Division, Bangalore.

(2) One Division with headquarters at Chikballapur with four Sub-Divisions having jurisdiction over Chikballapur, Sidlaghatta, Bagepalli, Gudibanda, Gauribidnur and Chintamani Taluks of Kolar District. The remaining Taluks of Kolar District will be attached to the Kolar Division.

(3) One Division called Gokak Division with head quarters temporarily at Ghataprabha with five Sub-Divisions having jurisdiction over Chikkodi, Hukeri, Athni, Raibag, Gokak and Ramdurg Taluks. The remaining taluks of Belgaum District will constitute the Belgaum Division.

(4) One Division with headquarters at Bagalkot with three Sub-Divisions having jurisdiction over Bagalkot, Badami and Hungund Taluks and Water Supply Sub-Division at Bagalkot. The remaining taluks of Bijapur District will constitute the Bijapur Division.

(5) One Division with headquarters at Haveri with four Sub-Divisions having jurisdiction over Haveri, Shiggaon, Hanagal, Ranebennur, Byadagi and Hirekerur Taluks. The remaining taluks of Dharwar District will constitute the Dharwar Division.

(6) A number of new Sub-Divisions are created in the existing Divisions of Gulbarga, Raichur, Bidar, Bellary, Hassan and South Kanara in view of the work loads.

(7) One Division with headquarters at Mandya with four Sub-Divisions to attend exclusively to Visvesvaraya Canal Works and service roads and tanks in

the Visvesvaraya Canal area. The whole of Mandya District will constitute a Division called Mandya Division with seven Sub-Divisions and will attend to all works in the District except those coming under the jurisdiction of the newly created V. C. Division.

Staff requirements of Divisions and Sub-Divisions.

6. The Public Works Department Reorganisation Committee has recommended that the Executive Engineers of Divisions be given the assistance of an Assistant Engineer at Headquarters to deal with projects and to assist him in routine office work. It has also recommended certain extra staff for the Division Office, including a Junior Engineer, a Head Clerk, a Stenographer and a Second Division Typist. There is at present no Head Clerk in the Division Offices to supervise the administrative, current and Record Branches of the Division Office. The Chief Engineer (General) has recommended that the existing strength of the Division Offices be augmented by the addition of a Head Clerk. Government have carefully examined the recommendations of the Committee and of the Chief Engineer (General) and are pleased to sanction for the time being the undermentioned additional staff for each of the Division Offices. The Division Offices for which an Assistant Engineer has been sanctioned are indicated in Annexure II. Government further direct that pending the fixation of a scale of staff for Division Offices in the State generally, the existing staff be continued with the addition of the aforesaid staff, on a permanent or temporary basis as the case may be depending on whether the Division is permanent or temporary.

One personal Assistant of the rank of Assistant Engineer to the Executive Engineer of every Division, the work load of which exceeds Rs. 40'00 lakhs.

One Junior Engineer in Grade Rs. 150-10-300.

One Head Clerk in Grade Rs. 150-10-250.

One Stenographer in Grade Rs. 75-5-100-8-140-10-250.

One Typist in Grade Rs. 55-3-70-4-110-5-150.

7. In view of the financial powers delegated to the Assistant Engineers in charge of Sub-Divisions, in respect of administrative and technical sanctions to estimates and purchase of stores it is considered that there should be a senior experienced clerk qualified in accounts in the Sub-Division and that the Assistant Engineers should also be given the assistance of an Assistant Draftsman. Government accordingly sanction additional posts of one First Division Clerk and one Assistant Draftsman to each of the Sub-Division Offices, one post of existing Second Division Clerk in each of the Sub-Division Offices being retrenched.

8. The staff (Gazetted and non-Gazetted) of the several Divisions and the Sub-Divisions and the staff sanctioned for the reorganised Divisions and their Sub-Divisions are indicated in Annexure III.

9. The reorganisation of the regular (non-project) Divisions and Sub-Divisions as above will result in a net savings of Rs. 72,732 per annum as shown in the proposition statement appended (Annexure IV).

10. Government desire that the new set up should be brought into being and should be in full and regular working order from the 1st August 1959. In the meantime the Chief Engineers and Superintending Engineers are requested to take action on matters referred to below:—

(1) Wherever the existing Divisions and Sub-Divisions are reconstituted or abolished the accounts of the existing units should be finalised and the records brought up to date with a view to effecting easy and quick transfer to the new Divisions by the specified date. This is particularly necessary in the case of the Sanitary Divisions, and the Divisions and Sub-Divisions in other Departments of Government like Industries, Sericulture, etc.

(2) Wherever shifting of existing headquarters or location of a Division or Sub-Division at a new place is required, arrangements should be made for fixing up necessary accommodation under the new set up. Where the headquarters of a Sub-Division specified in the annexure does not have adequate or suitable accommodation, the Chief Engineer (General) is authorised to fix the headquarters

temporarily at a place within the jurisdiction of the Sub-Division where suitable accommodation is available.

(3) The new Officers will have to have the necessary equipment, furniture, stationery and forms and registers, etc. The Chief Engineer (General) is authorised to make the minimum purchases of articles of furniture required for the new Offices to be established after calling for short-term quotations and after taking into account the furniture released by the abolition of certain Offices. The Director of Stationery is authorised to supply articles of Stationery according to the prescribed scales to the newly created Offices on receipt of indents from the Chief Engineer (General). Where stationery cannot be supplied by the Director of Stationery the Chief Engineer (General) is authorised to purchase stationery up to the limit of his powers as a temporary measure for equipping the new Offices. Contingent grants and imprests to the new Offices are also hereby sanctioned according to prescribed scale.

(4) Prompt arrangements should be made to effect postings and transfers of surplus staff taking care to see that as far as possible subordinate staff stationed in a particular Circle or Division or Sub-Division is retained in the geographical area subject to routine transfers in the public interest.

By Order and in the name of the Governor of Mysore,

D. S. RAGHAVENDRACHAR,

*Deputy Secretary to Government,
Public Works and Electricity Department.*

PREAMBLE—

The Director of National Employment Service in Mysore, Bangalore, after reviewing the expansion programme as sanctioned previously, reported that certain changes in the introduction of Trades and consequent re-adjustments of staff and grants within the ceiling of the sanctioned allocations are inevitable in the interest of successful working of the scheme and forwarded his revised proposals which were forwarded for concurrence to the Government of India. They have since accorded their approval to the above revised proposals in their letter No. TP-7 (20)/58, dated 7th June 1958 which was copied to the Director of Employment Exchanges also.

In view of the above approval of the Government of India, action was taken for the necessary changes in Trades and revised Seating capacity and the re-adjustment of staff pending detailed sanction from the Government of India. The Accountant General, Mysore, Bangalore in the meanwhile in his letter dated 23rd April 1959 requested Government for the detailed sanction of the revisions. Government of India have now communicated their detailed sanctions for the proposed revision in their letters from Sl. Nos. 11 to 17 read above copies of which have been endorsed to the Director of National Employment Service and the Accountant General also.

ORDER No. LLH 20 LTC 59, DATED BANGALORE,
THE 14/16TH JULY 1959.

In the circumstances sanction is accorded to the proposed changes in the introduction of trades and seats and consequent Re-adjustment of staff and grants within the ceiling approved.

The details of staff, grants and seating capacity, etc., as revised and sanctioned are furnished in Appendices I to VII attached to this order. The purchase of tools, equipment, etc., as shown in the appendices to this order should be strictly regulated as per stipulations in the communications of the Government of India read in the preamble. The remaining items, if any, should be purchased through Secretary, Stores Purchase Committee.

The Director of National Employment Service in Mysore, Bangalore, will also take action to send promptly the prescribed statistical returns to the Director General of Resettlement and Employment as required. The State Director of National Employment Service should make necessary arrangements to run the Centres satisfactorily and efficiently in the approved pattern.

The entire expenditure will be shared between the Central and State Governments in the usual ratio of 60:40 and initially met from the provisions made in the State Budget under "57 Miscellaneous (J) Employment Exchanges and Resettlement (C) Schemes in the Second Five-Year Plan (ii) Industrial Training Schemes, etc." during the current year 1959-60. The Director will also arrange to keep clear accounts and also arrange in consultation with the Accountant General for the prompt reconciliation of the expenditure and recovery of the Central Share of the expenditure.

This revision is approved with effect from August 1957.

By Order and in the name of the Governor of Mysore,

I. S. SHAIKH,

Under Secretary to Government,
Local Self-Government and
Public Health Department.

HOME SECRETARIAT

Sanctions the issue of Garments to Prisoners at their choice with colours restrictions.

READ—

Correspondence ending with the letter No. J2/42/58, dated the 14th May 1959, from the Inspector-General of Prisons.

ORDER No. HD 24 PRM 59, DATED BANGALORE, THE 30TH JULY 1959
(SHRAVANA 8, SAKA ERA 1881).

At a meeting held in the Chambers of the Deputy Minister for Home on the 11th October 1958, with the following members:—

- 1 The Deputy Home Minister (*Chairman*)
- 2 The Secretary to Government, Home Department,
- 3 The Inspector-General of Police, Mysore State, Bangalore,
- 4 The Inspector-General of Prisons in Mysore, Bangalore,
- 5 The Director of Social Welfare in Mysore, Bangalore,
- 6 The Chief Engineer in Mysore, Bangalore,
- 7 Representative of the Additional District Magistrate, Bangalore,
- 8 The Under Secretary to Government, Finance Department,
- 9 The Superintendent, Central Jail, Bangalore,
- 10 The Under Secretary to Government, Home Department.

present, it was decided *inter alia*, that as a reformatory measure the inmates of the Jails may be allowed to wear their own cloth of their choice instead of uniform within the budget allotment or out of their earning. It was also decided that this experiment may be tried in a small sub-jail and that if this experiment is found successful, it may be tried in other Major Jails.

In pursuance of the above-said decision, the Inspector-General of Prisons has reported that the experiment of allowing the inmates of the jails to wear garments of their own choice may be tried as an experimental measure in the District Jail, Bidar. He has forwarded a statement showing the details of the proposed clothing to be allowed to the prisoners and the present set of clothing allowed to the prisoners prescribed in the Jail Manual as noted below. The experiment is restricted to 12 prisoners. It is also stated by the Inspector-General of Prisons that by allowing them to wear dress similar to the Dress used by freemen outside the Jail as distinct from Convict dress, it would involve slight extra cost to Government for supply of such dress.

Present set of clothing per head per year	New set of clothing to be issued per prisoner per year
2 Con Caps	1 Gandhi Cap
2 " Shirts	2 " Shirts
2 " Pyjamas	2 Dhories
2 " Towels	2 Towels
2 Nadas	

Government after considering all aspects of the case are pleased to accord sanction to the proposal of the Inspector-General of Prisons to allow the inmates of the District Jail, Bidar, to wear garments of their choice as distinct from the convict clothing allowed under the provisions of the Jail Manual. They further direct that the experiment should be tried within the usual scale of expenditure on account of issue of clothing to the Jail inmates and within the budget allotment without incurring any extra cost to Government.

By Order and in the name of the Governor of Mysore,

D. SUBBA RAO,

Under Secretary to Government,
Home Department.

IMPORTANT GOVERNMENT ORDERS

REVENUE SECRETARIAT

Accords sanction to Fixed Travelling Allowance to Revenue Inspectors.

ORDER No. RD 16 EXE 59, DATED BANGALORE, 4TH AUGUST 1959
(SHRAVANA 13, SAKA ERA 1881).

There is no uniformity at present regarding the payment of Travelling Allowance to Revenue Inspectors for journeys undertaken by them on tour within their jurisdiction.

The different scales of Travelling Allowance that are now being paid in different parts of the State are noted below:—

		Rs. nP.
Coorg District	Parpathegar (Equated as I Grade Revenue Inspector)	33.00
	Assistant Parpathegar (Equated as II Grade Revenue Inspector)	19.50
Kollegal Taluk	Headquarters Revenue Inspector	29.62
	Other Revenue Inspectors	44.25
South Kanara District		39.00
		37.00
Old Mysore Area	No F.T.A. but a conveyance allowance of Rs. 15 per mensem which was reduced to Rs. 10 per mensem from 1st April 1958.	

	F.T.A.	Rs.	nP.
Bellary-District	...	29	62 per mensem
Bombay Area	...	26	25 per mensem
Hyderabad Area	...	15	60 per mensem

With a view to securing uniformity in the entire State the matter was examined in detail and the following uniform rate is now prescribed. It is ordered that all the Revenue Inspectors in the State both in the urban and in the rural areas be paid a F.T.A. of Rs. 20 per mensem. This is in lieu of the conveyance allowance that is being drawn by the Revenue Inspectors of the Old Mysore area.

By Order and in the name of the Governor of Mysore,

A. R. ADINARAYANAI AH,

Under Secretary to Government,
Revenue Department.

Government Order No. ED 706 PAQ 58, dated 10th March 1959, directing that expenditure on construction of Primary School Buildings under the Cheap and Type Design Schemes be treated as Plan expenditure.

Letter No. 32/PSA/58-59, dated 7th May 1959, from the Director of Public Instruction in Mysore, Bangalore, forwarding for information, a provisional statement showing the actual expenditure and Central assistance earned in 1957-58 on the Schemes under the Second Five-Year Plan of the Department (excluding the Scheme for the improvement of Pay Scales of School Teachers) and seeking the orders of Government on certain points relating to the expenditure on school buildings.

U.O. No. 175/PSA/58-59, dated 9th June 1959, from the same Officer furnishing *inter alia* remarks on the classes of works to be booked under the head "82 Capital Account of other works outside the Revenue Account—A. Education Buildings".

ORDER No. ED 29-MES 59, DATED BANGALORE, THE 16—24TH JULY 1959
(ASHADHA 25/SHRAVANA 2, SAKA ERA 1831).

In his letter dated 7th May 1959 read above, the Director of Public Instruction has sought approval of Government to treat the expenditure on construction, extension, improvement and renovation of all school buildings as expenditure under the Second Five-Year Plan. In support of his proposal he has cited the case of Primary School Buildings constructed under the Cheap and Type Design Schemes, the expenditure on which is to be treated as Plan expenditure.

2. In Bombay-Karnatak area, expenditure on construction of Primary School Buildings is first met out of loans granted by Government under the procedure prescribed in Bombay Government Resolution No. DBC 4052, dated 20th October 1954, such loans are repaid by the School Boards in 20 years, in annual instalments, out of the grants made available by Government to the Boards for the purpose. The Director states that the need for the loan arrangement has ceased to exist in the present conditions and proposes that the procedure in vogue in the Ex-Mysore area be adopted in those cases also and the loan system discontinued.

3. Grants for the construction or extension of School Buildings made to the managements of aided Schools including Local Bodies are, at present, being charged to the normal head "37 Education E.s. VI. Miscellaneous—(i) Building Grants". The Director states that such charges are debitable to "Plan" as in the case of expenditure on the construction or extension of Government Schools and adds that part of the expenditure under the head relating to Cheap and Type Design Schemes of Primary School Buildings in Ex-Mysore area, has already been permitted to be treated as Plan expenditure.

4. On detailed consideration of all the points urged by the Director, Government direct as under :—

(a) According to letter No. ED 298 SHS 57, dated 18th October 1957, from the Secretary to Government, Education Department, to the Accountant General, and Government Order No. ED 706 PAQ 58, dated 10th March 1959, grants for construction of Primary or Basic School Buildings under the Cheap and Type Design Schemes in Ex-Mysore area and similar buildings in Hyderabad-Karnatak area come under the Plan. The grants for construction of Middle and High School buildings in Hyderabad-Karnatak area are also debitable as Plan expenditure. The difficulty that has arisen is in respect of grants to other classes of School buildings booked under "37 Education" and expenditure on construction or extension of other classes of Government School buildings booked under the three major heads—"50 Civil Works", "81 Capital" and "82 Capital".

In regard to School Buildings, it is not always possible to provide the buildings or extend them simultaneously with the opening of the relevant schools or their expansion. As observed by the Planning Commission also in their report on the Second Five-Year Plan, once a school is actually functioning, the provision of a building can be taken in hand as soon as circumstances are favourable and local contributions are forthcoming. In this view and in the light of the clarification given in Planning Commission's letter No. Fy. II CD I/13/55, dated 4th April 1955, expenditure on construction and extension of Government Primary, Basic, Middle and High Schools comes under expansion or development and is classifiable as Plan Expenditure. As the booking of such expenditure under a separate detailed head to be opened for the purpose in Accounts is attended with some working difficulty, it is directed that expenditure on such building works be treated as Plan expenditure regardless of the heads under which the expenditure might be booked subject to the ceiling limits and other conditions specified in the Plan Budget. The principle applies also to the expenditure on such works incurred in 1956-57, 1957-58 and 1958-59.

To enable the Director of Public Instruction to watch the expenditure on such buildings, the Public Works Divisional or other Officers concerned will furnish to the District Educational Officers, a quarterly statement showing the expenditure on each such building work. The statement should be furnished so as to reach the District Educational Officers on or before the 20th of the month following each quarter.

(b) For the reasons given by the Director of Public Instruction, the system of financing the expenditure on the construction of Primary School Buildings in Bombay-Karnatak area out of loan funds is no longer considered necessary. Government, therefore, direct that funds for such works be provided under "37 Education" in future. Such expenditure already met out of loans in 1956-57, 1957-58 and 1958-59 should be arranged to be transferred to the Service Head under a separate detailed head (referred to in the next paragraph) during the current year after obtaining necessary funds, either by reappropriation or by an additional grant.

(c) As proposed by the Director of Public Instruction, the grants made to the managements of aided Schools including Local Bodies for construction or extension of Primary, Middle and High School Buildings is classifiable as Plan Expenditure. Government therefore direct that such grants paid, hereafter, be debited to a separate detailed head noted below :—

"37 Education E. General s. Mis. VI. Mis. (ii) Schemes in the Second Five-Year Plan—(A) State Schemes.

(1A) Grants for construction or extension of School Buildings".

The actual expenditure incurred in 1956-57, 1957-58 and 1958-59 on this account under the normal head may be included for the purpose of the final account of Central assistance to be furnished to the Government of India. The Director of Public Instruction will take necessary action to re-adjust the Budget provision

in 1959-60 under the normal head "Building Grants", consequent on this arrangement.

(d) The term "Extension" referred to in the foregoing paragraphs covers improvements to schools for remodelling them to provide additional accommodation, or for new courses like Home Science, etc.

5. The expenditure on buildings referred to in paragraph 4 *supra* excluding those provided for specifically under the relevant main schemes will be brought under the following schemes with a slight modification in their nomenclature, as noted against each:—

Scheme No.	Nomenclature
512 ...	Construction and extension of Buildings for Teachers' Training Institutions
525 ...	Construction and extension of Primary School Buildings including grants for aided school buildings.
541 ...	Providing or improving accommodation for Multipurpose and Higher Secondary Schools including grants for aided school buildings.
544 ...	Construction and extension of High School buildings including grants for aided school buildings.

6. The Director of Public Instruction is requested to finalise the accounts of Plan Expenditure and Central assistance (excluding the account of extra cost by the improvement of Salary Scales of School Teachers) for 1956-57, 1957-58 and 1958-59 on the above basis and furnish them to Government, in triplicate, as early as possible.

Representation for relaxation of the rules in regard to the Purchase of Khadi for
Government Departments

OFFICIAL MEMORANDUM

No. CI 2559/MINES 59, DATED BANGALORE, THE 3RD AUGUST 1959
(SHRAVANA 12, SAKA ERA 1881)

Orders have been issued in Official Memorandum No. CI 89 SPC 57, dated 15th January 1958, to the effect that all Government Departments should purchase their requirements of cloth in Khadi alone, the only exception being the Police Department. In spite of this, on the representation of certain cloth producing institutions, proposals are being received, for one reason or other, from Government Departments to relax the above decision of Government and to allow them to purchase cloth other than Khadi, produced by a particular institution. Such proposals, if agreed to, will create unhealthy precedents. Therefore, all the Heads of Departments are requested to carry out the policy decision of Government in regard to purchase of Khadi cloth and as a Rule not to encourage representations against the decision.

ORDER No. AF 293 AEA 59, DATED BANGALORE, THE 23RD JULY 1959,
(SHRAVANA 1, SAKA ERA 1881).

The Director of Agriculture has stated in his letters cited above that Sri B. C. Patil, B.A., of Kalghatgi, has been appointed as Hon. Secretary, District Development Board, Dharwar, in place of late Sri S. B. Patil and he has suggested that Sri B. C. Patil may also be appointed as the non-Official member of the District Land Improvement Board, Dharwar. The Government are pleased to accept the proposal of the Director of Agriculture and to accord sanction to the appointment of Sri B. C. Patil as the non-official member of the District Land Improvement Board, Dharwar.

3. Letter No. Est. G. O. 1/557/58-59, dated 23rd May 1959, from the Director of Agriculture in Mysore, Bangalore.

ORDER NO. AF 322 GES 58, DATED BANGALORE, THE 15—16TH JULY 1959
(ASHADHA 24/25, SAKA ERA 1881).

In the Government Order first cited above Dr. S. K. Goni, Professor of Animal Husbandry and Dairy College of Agriculture, Dharwar, has been granted earned leave for 106 days from 10th July 1958 to 23rd October 1958 with permission to treat the rest of the period from 24th October 1958 to 31st October 1958 as preparation and joining time as he was transferred to Munirabad as Principal, Extension Training Centre in Government Notification No. AF 86 GES 58, dated 5th August 1958 and assumed charge of the new post on the fore-noon of 1st November 1958. Subsequently the Accountant General has stated in his letter dated 4th March 1959 second cited above that according to the certificate of transfer of charge received in his office Dr. Goni assumed charge of the post of Principal, Extension Training Centre, Munirabad on the fore-noon of 3rd November 1958 and not on the fore-noon of 1st November 1958 as stated in the Government Order first cited above. Hence the period of his absence from 24th October 1958 to 2nd November 1958 requires regularisation. The Director of Agriculture who was addressed in the matter has stated in his letter third cited above that the leave sanctioned to the officer in the Government Order first cited above may be extended by two days on 24th October 1958 and 25th October 1958 so that the date of his assuming charge on 3rd November 1958 may be within the joining time admissible to him from 26th October 1958. In supersession of the Government Order first cited above sanction is accorded for grant of leave to Dr. S. K. Goni as detailed below:—

Earned leave for 108 days from 10th July 1958 to 25th October 1958 with permission to treat the rest of the period from 26th October 1958 to 3rd November 1958 as preparation and joining time as he assumed charge of the new post of Principal, Extension Training Centre, Munirabad on the fore-noon of 3rd November 1958.

Accords sanction to the Opening of State Bank of India at Bagalkot in Bijapur District.

READ—

1. Correspondence ending with letter No. Cy. 676-93-59 of 3rd February 1959 from the Assistant Chief Accountant, Central Office, Reserve Bank of India, Bombay, intimating the purpose to open a branch of the State Bank at Bagalkot and to make arrangements for the handing over to the Bank, the currency chest balances at the above centre and to authorise the State Bank to conduct Government business as from the date the custody of the chest is transferred to Bank's charge.

2. Correspondence ending with letter No. F. 12181-52, dated 3rd August 1959, from the Deputy Secretary and Treasurer, State Bank of India, Madras communicating the proposal to open the branch at Bagalkot on 28th September 1959 and the New Branch will take over the Currency Chest and the Government work from the Bagalkot Sub-Treasury as from the date of its opening.

ORDER No. FD 23 RBK 59, DATED BANGALORE,
THE 10TH AUGUST 1959.

In pursuance of the State Bank of India expansion programme as envisaged in Section 16 (5) of the State Bank of India Act, 1955, a Branch of the State

Bank will be opened at Bagalkot in Bijapur District from 28th September 1959. The Government accordingly authorise the State Bank of India to take over the cash and the currency chest balances and the cash business of the Sub-Treasury at the place with effect from the above date.

2. The special steps to be taken on the eve of the conversion of the Sub-Treasury into a Banking Sub-Treasury and the classes of cash transactions to be taken over by the Bank are detailed in Annexure A to this Order.

3. The Branch will conduct the cash business of the Sub-Treasury and render daily accounts in the manner laid down in the Mysore Treasury Code and in the compilation of the Central Treasury Rules, the more important of which are reproduced in Annexure B.

4. The Deputy Commissioner, Bijapur, is requested to make necessary arrangements in consultation with the Agent of the State Bank of India, if he has already been appointed, or the Secretary and Treasurer, State Bank of India, Madras, to effect the transfer on the stipulated date and report the fact to Government in the Finance Department as soon as he has done so. He is also requested to see that the changes are effected smoothly and that maximum convenience and guidance are afforded to the Departments and the general public in the first few days to obviate difficulties.

5. The maximum normal balance allotted at Bagalkot Sub-Treasury will be treated as withdrawn with effect from the date of its conversion into a Banking Sub-Treasury, the maximum normal balance prescribed for the Bijapur District as a whole being reduced by a corresponding amount.

6. The Accountant General, Mysore, is requested to issue such further instructions as he may consider necessary in the matter to the Sub-Treasury Officer and the District Treasury Officer for guidance.

7. The Deputy Commissioner is requested to submit suitable proposals in due course for reduction of Treasury Staff in view of the transfer of cash business.

8. The Director of Government Printing, Stationery and Publications is requested to treat all requisitions for forms, registers and stationery of the Treasury as on top priority basis and comply with them in time.

G. MATHIAS,

*Secretary to Government,
Finance Department.*

ANNEXURE A.

(i) The contents of the currency chest should be actually verified by a detailed count in the presence of the Sub-Treasury Officer and the Agent, State Bank of India, at the time of transfer. For this purpose the Agent Designate and his staff will commence counting and examination of the Currency notes a week in advance of the date of the opening of the Branch to enable the Bank Staff to complete the detailed check effectively before finally taking over the currency chest balance on the opening date. Pending completion of the taking over, the currency notes which have been examined and counted will be retained in the boxes locked by the Agent and the Head Cashier of the New Branch of the State Bank of India, inside the Sub-Treasury Strong Room. The checked notes will thus be in the joint custody of both the Bank and Sub-Treasury Officer, until the entire chest balance is checked and taken over by the Bank. The correctness of the balance handed and taken over should be certified in the form given below by the Tahasildar and the Agent of the State Bank of India. The certificates will be drawn in quadruplicate, one copy of which will be furnished to the Currency Officer of the Reserve Bank of India, Madras, another copy to the Government in the Finance Department, the third copy to the local Head Office of the State Bank of India at Madras and the fourth to the Deputy Commissioner of Bijapur.

Certificate.

"Certified that the balance in the Bagalkot Sub-Treasury in the Currency Chest on aggregated to Rs. (Rupees in words), that this amount has been ascertained by detailed actual count by us of the contents of the chest and that this amount has been taken over by the Agent of the Branch of the State Bank of India at the Bagalkot Sub-Treasury on behalf of the State Bank of India."

Date.....

AGENT,

STATE BANK OF INDIA.

Tahasildar, Bagalkot.

The Currency Officer, Bangalore, after verifying the certified currency chest balance with the entries in his books will send a confirmatory certificate as to the correctness of the balance to the Deputy Commissioner, Bijapur the Sub-Treasury Officer, Bagalkot and the local Agent of the State Bank of India endorsing copies of it to the Government in Finance Department and to the Local Head Office of the State Bank of India at Madras also.

After the close of the business on 27th September 1959, that part of the cash balance in the Sub-Treasury consisting of currency notes and whole rupees should be paid by the Sub-Treasury Officer into the currency chest to the maximum extent practicable. The residual currency notes and whole rupees as well as small coins should be counted in detail and remitted to the Bank on 28th September 1959 under a separate challan. The Bank will credit the amount as a receipt from Government in the accounts of the day under the head "Cash Remittance between Treasuries—Reserve Bank of India". A report of the Treasury balance so credited signed by the officers concerned should be forwarded to the Government in the Finance Department and the local Head Office of the State Bank of India, Madras, simultaneously.

(ii) The cash transactions connected with the following items of work will be conducted at the treasury itself as heretofore. The remitters of money or the payees, as the case may be, need not in such cases go to the Bank for their transactions:—

- (a) Disbursement of Indian Military Pensions (on muster rolls).
- (b) Collection of Land and Excise Revenue, transactions of Muzrai Funds, V. P. Funds, etc., connected with the Taluk Accounts.
- (c) Any other items of work to be specified by Government.

N.B.—The amounts collected at the Sub-Treasury should be remitted to the Bank daily under challans indicating the heads of account. Separate challans should be used for different major heads.

Amounts required for disbursement should be drawn from the Bank on simple payee's receipts, furnishing the heads of classification in the same way.

(iii) Pensioners will be paid their pension at the Bank on pay orders issued by the Treasury Officer.

(iv) Taxes and fees on motor vehicles hitherto collected at the treasury will be collected at the Bank direct. The licences, etc., will be issued by the authorities concerned as usual on surrender of the challan in Form M.F.C. 3 duly receipted by the Bank for the credit of the taxes or fees.

(v) General, Court Fee, Postal and other Stamps including Postal Stationery will be issued at the treasury itself.

(vi) Cases where remittances into and drawals from the Bank may be arranged directly without obtaining an authorisation from the Treasury Officer are specified in Annexure C. In other cases, the documents on which money is presented or payment claimed at the Bank should have the authorisation of the Sub-Treasury Officer. The challans or bills so authorised, if not presented to the Bank within ten days of their authorisation require revalidation by the Treasury Officer.

(vii) The form of the challan to be used for remittances into the Bank (where no special form is prescribed) is printed as Annexure D. For moneys received at the Bank, the Bank itself will grant acknowledgments. The printed challan forms will be supplied by the treasury.

(viii) Cheques on any Banks presented in payment of Central or State Government dues or in settlement of other Government transactions should be remitted to the Bank direct. Such cheques should be endorsed in favour of the Bank in all cases. Form M.F.C. 3 (Bank) itself may be used as challan in such cases. Pending realisation of the amounts thereof a receipt or token for the cheque only, but not for the amount will be given in the first instance. The final receipt will be delivered to the parties by the Bank soon after the cheques are cleared.

There will be a daily clearance of cheques accepted and the transactions will be included in the daily account rendered to the Sub-Treasury after the cheques have been cleared.

NOTE.—The Bank reserves to itself the right to refuse to accept cheque the collection of which in its opinion cannot reasonably be undertaken and which it would not accept on behalf of its own constituents.

(ix) Cheques drawn by Government officers for drawing funds from the Bank should be addressed to the Bank and not to the Sub-Treasury Officer. Such cheques are negotiable. Until new cheque forms are printed the required correction may be made in the existing forms in manuscript or rubber stamp. Such alterations do not require attestation. Cheque books will not be supplied by the Bank. They will be supplied by the Sub-Treasury as at present.

(x) No Government officer should draw cheque on the Sub-Treasury from the date of its conversion into a Bank Sub-Treasury. Such cheques should be drawn on the Bank itself. Cheques issued on the Sub-Treasury previously will be cashed at the Bank direct subject to the rules of currency, etc. The information required by the Bank in this behalf will be furnished by the Sub-Treasury as indicated at (xi) *infra*.

(xi) The Sub-Treasury Officer will arrange to forward to the Bank one week in advance of the date from which the changes will take place, the specimen signatures of the Government officers authorised to operate on the P.D. Account and other accounts at the Sub-Treasury. Copies of standing instructions, if any, in the assignment drawing or P.D. Accounts, together with the correspondence files pertaining to stopped cheques, etc., should also be forwarded to the Bank on or before the date the changes take place.

(xii) All officers drawing cheques on the Bank should furnish to the Bank, on the date of conversion of the Sub-Treasury into a Bank Sub-Treasury a list of their cheques outstanding payment by obtaining the necessary information from the Sub-Treasury.

(xiii) Monthly pay bills of Government officers and offices should be presented at the Sub-Treasury for scrutiny three days in advance invariably as prescribed in Article 80, M.F.C. Such pay bills with the Pay Order of the Sub-Treasury Officer will be delivered on the last working day. Bills presented for audit should be merely signed without receipting the contents which should be done only after the bill is received from the Sub-Treasury with Pay Orders and before presentation at the Bank.

ANNEXURE B

Note — "Treasury" or "Treasury Officer" refers to "Sub-Treasury" or "Sub-Treasury Officer."

General.

212. All bills, cheques and other documents passed by Treasury Officers for payment at the Bank as well as interest payment orders, etc., being non-negotiable instruments, all such claims have normally to be presented by the payees personally at the Bank. To facilitate business, the Bank will, however, disburse payments of such claims when presented through messengers who can be identified provided the Bank is previously in possession of specimen of payee's signature as recorded thereon.

Payments into Bank.

213. (1) Save as hereinafter provided, and subject as provided in Article 8, Mysore Financial Code, 1958 any person who desires to pay money into the Bank on Government account shall first present at the treasury a challan, in duplicate (which, if necessary, will be prepared in the treasury). The Accountant or other official entrusted with the duty of examining the challans shall, after examination, enter the challan in the appropriate register of challans issued, which is kept under Article 235 of Mysore Treasury Code and write on both original and duplicate the word "correct"; he shall then affix his initials to the challan with the date, specify the head of account and submit the challan with the register to the Treasury Officer who, if it is in order in all respects, shall enface it with an order to the Bank to receive the money and to grant a receipt.

Both the original and duplicate copies of the challan thus enfaced shall then be returned to the payer who will proceed with them to the Bank. There the money will be received and credited to the proper head of account and an acknowledgment will be granted to the payer on one copy of the challan or the remittance book, the duplicate being retained by the Bank to be forwarded to the treasury with the daily account.

(2) In case in which challans are presented in triplicate or quadruplicate, the acknowledgment of the Bank will be given on one copy of the challan, or on such copy as may specially be marked for the purpose, the other copies being retained by the Bank to be forwarded to the treasury with the daily account.

(3) Moneys tendered with a challan signed by a departmental officer under the provisions of Article 8 (4), Mysore Financial Code, 1958, may be received direct at the Bank without the intervention of the Treasury Officer. Moneys tendered with special form of challan prescribed for payment of income-tax (and super-tax) revenue may likewise be received by the Bank direct even when such challans are not signed by the Income-tax Officer.

(4) Challans shall be valid only for a time not exceeding ten days. If they are presented after the allotted time, the money will not be received by the Bank until they are revalidated by the Treasury Officer.

214. Cheques on local banks will be accepted by the Bank in accordance with Article 9, Mysore Financial Code, 1958. There will be a daily clearance of cheques accepted and the transactions will be included in the daily account rendered to the treasury after the cheques have been cleared.

Remittances of Departmental Officers.

215. Moneys received by officers of the departments noted in the margin will be received at the Bank direct without the intervention of the Treasury Officer in accordance with the special rules prescribed therefor in the Code (Mysore Treasury Code).

Defence,
Posts and
Telegraphs,
Public Works
and Forest.

Challan forms shall be supplied to the Bank by the Treasury.

216. In the case of departments, other than those mentioned in the preceding Article, moneys received by departmental officers shall be forwarded by them daily to the Bank direct with a challan in duplicate describing the several items and the heads under which they should appear in the accounts. One copy of the challan will be retained by the Bank and forwarded with the accounts of the day to the treasury and the duplicate returned, receipted, to the departmental officer for record in his office.

The duplicate challan may be in the form of a book sent daily for signature.

Deposits and Local Fund Receipts.

217. The detailed account of Local Funds and registers of Revenue Deposits will be kept in the treasury, the Bank only receiving the amounts tendered in accordance with Article 213 of M. T. C. and crediting them under their proper designation.

WITHDRAWAL FROM THE PUBLIC ACCOUNT AT THE BANK.

Civil Charges.

218. Subject as hereinafter provided, all bills for pay and allowances and contingent expenses of officers of the civil establishments, which are ordinarily drawn upon the treasury shall be presented to the Treasury Officer in the first instance for examination. The Treasury Officer if he passes the claim, shall enface on the bill an order to pay a specified amount. Such orders shall be recorded in the register of payment orders issued, which is kept under Article 235 of M. T. C. and shall be numbered, dated and signed. The bill shall be then returned to the person presenting it, and will be paid at the Bank in accordance with the order of the Treasury Officer, the Bank being responsible only for strict adherence to this order and for obtaining upon the bill a proper discharge from the payee. The discharge must be in addition to the signature at foot of the bill.

Note.—When payment is desired wholly or partly in Reserve Bank draft, and a formal application for draft accompanies the bill, the Treasury Officer, if he is satisfied that the grant of the draft is permissible, will forward the application to the Bank, specifying clearly in the pay order the manner in which payment should be made.

Departmental Payments.

220. (a) Officers of the Forest and Public Works Departments are authorised to draw funds by bills as well as by cheques.

Cheques drawn by them will be cashed at the Bank without the intervention of the Treasury Officer. Bills will be cashed by the Bank only on payment orders endorsed thereon by the Treasury Officer.

In respect of cheques, no letters of credit will be issued by the Accountant-General, but where a Divisional Officer has intimated any limits on the drawings of a Sub-Divisional Officer the Bank will observe the prescribed limitations. In all other cases, cheques will be cashed without any limitations, if otherwise in order.

(b) Unless there be any special Rule or order of Government to the contrary, cheques of any other departmental officer authorised to draw funds by cheques may be cashed by the Bank direct without the intervention of Treasury Officer.

Refunds.

221. Refunds of a revenue, etc., will be made by the Bank on bills bearing a payment order signed by the Treasury Officer in accordance with the procedure prescribed in Article 218 of M. T. C.

This rule does not apply to refunds of Income-tax; in the case of such refunds, the Income-tax Officer is authorised to make out the refund order in the form of a direct order on the Bank and the endorsement of a second payment order by the Treasury Officer will be unnecessary.

Discount on sale of stamps.

222. When discount on sale of stamps is allowed by deduction from the amount paid in by the purchaser, the net amount will be received and brought to account under Article 213, M. T. C., the receipted challan being the payer's authority for receipt of the stamps from the treasury.

PUBLIC DEBT

Government Promissory Notes.

223. Government Promissory Notes on which interest may be due shall be presented to the Treasury Officer who having made the necessary examination and record, shall give the holder an order on the Bank in the following form:—

Pay to Rupees being interest for half-year at per cent due on Government Promissory Note No of for Rupees

384

Stock Certificates.

224. Interest on Stock Certificates will be paid by the Bank on Interest Warrants issued by the Public Debt Officer concerned without the intervention of the Treasury Officer. The Bank will arrange to pay the interest due on the warrant to the proprietor of the Stock Certificate.

225. The provisions of Articles 223 and 224 of M.T.C. apply *mutatis mutandis* to repayment of principal of any Promissory Note, or Stock Certificate which may be notified for discharge; but nothing in these rules shall be deemed to override any rule or order contained in the Government Securities Manual regulating the procedure for the payment of interest on or principal of any Public Debt.

Deposit Payments.

226. (1) Repayment of deposits standing at credit of individuals in the treasury register or in the Magistrate's or Judge's accounts will be made on the order of the officer on whose register they are. Persons claiming repayments of such deposits must therefore apply to the officer who received them who, after examining the appropriate register and making the necessary record, will give the applicant an order for payment at the Bank.

(2) In cases in which personal ledger accounts of civil or criminal court deposits are kept by the Bank, each court will duly intimate from time to time to the bank the amount of lapsed deposits to be deducted from the personal ledger pass book.

Local Funds.

228. Payments will be made on cheques drawn by competent drawing officers of the Local Body concerned. Unless in any case the Government direct otherwise, such cheques will be drawn on the treasury and cashed by the bank on pay order issued by the Treasury Officer.

Currency of Payment Orders.

229. Payment orders issued on the bank shall be valid only for a time not exceeding ten days, fixed by the Deputy Commissioner; if presented after the allotted time, they will be refused payment by the bank until re-validated by the Treasury Officer.

Specimens of signatures of Drawing Officers.

230. Specimens of signatures of all officers who are authorised under the provisions of these rules to draw cheques or issue payment orders on the Bank shall be supplied to bank by the departmental or other authority concerned.

Advices and Certificates.

237. Advices of receipts or payments which, according to any rule or order, have to be sent to public officers or departments, and consolidated receipts or certificates of receipts or payments required by any rule or order to be given to any public officer or department, shall be prepared in the treasury and not in the bank, as the point to be advised or certified is not that the money has been received or paid at the bank, that the receipt or payment has entered the treasury accounts.

Nothing contained in this rule shall be deemed to override any local usage or practice under which advices and certificates referred to above are prepared by the bank.

Treasury returns.

238. All treasury returns, with the exception of those the bank is instructed to furnish under the rules in this part or under express orders of the Accountant General shall be prepared in the treasury and not in the bank.

1. Official Memo No. GAD (AL) 17 MSO 57/ dated the 6th May 1958.
2. Letter No. RK. P.R. 14 C. 483/57-58, dated the 9th June, 1959, from the Divisional Commissioner, Mysore.

In accordance with an agreement arrived at by this Government with the Government of Madras, instructions were issued in official Memo, dated the 6th May 1958, referred to above, requesting the Heads of Departments and Indenting Officers concerned to ascertain the requirements of their offices in the South Kanara District and Kollegal Taluk in respect of stationery and forms for the period up to 31st March 1959 and to place consolidated indents with the Controller of Stationery and Printing, Madras, before 31st May 1958. The above agreement with the Government of Madras expired on 31st March 1959. Further, the Divisional Commissioner, Mysore, has also reported that on enquiry made by him with the Superintendent, Government Press, Madras, the latter has replied to him stating that the supply of forms, etc., has already been stopped from 1st April 1959. The Divisional Commissioner, Mysore, has therefore requested Government to issue necessary authorisation for the Director of Printing, Stationery and Publications, Bangalore, to supply the required forms, registers and stationery articles to South Kanara District and Kollegal Taluk for 1959-60 onwards according to the indents to be sent by the Deputy Commissioners of South Kanara and Mysore Districts.

ORDER No. ED 145 UPS 59, DATED BANGALORE, THE 12TH AUGUST 1959
(SHRAVANA 21, SAKA ERA 1881).

The Director of Printing, Stationery and Publications in Mysore, Bangalore, is authorised to supply necessary articles of stationery, registers and forms, as per rules, to the Government Offices in the South Kanara District and Kollegal Taluk from the year 1959-60 onwards on the basis of consolidated indents to be submitted by the Heads of Departments and the Indenting Officers concerned in this behalf.

G.O. No. ED 343 SES 57, dated 17th May, 1958 regarding decentralisation of powers in the Education Department.

2. Letter No. P. O. 731-6/59-60, dated 26th May 1959 from the Director of Public Instruction in Mysore, Bangalore in the matter of decentralisation of powers with regard to the purchase of equipment.

ORDER No. ED 106 SES 59, DATED BANGALORE, THE 12TH AUGUST 1959
(SHRAVANA 21, SAKA ERA 1881).

Sanction was accorded for decentralisation of powers of purchase for a period of one year only among the several offices of the Department in G.O. dated 17th May 1958 read above. The Director of Public Instruction has now stated that on account of decentralisation, the Schools and offices are utilising the equipment grant placed at their disposal in greater measure than they were doing previously and added that the following figures will show the progress achieved:

Sl. No.	Kind of School	Amount spent	
		1957-58	1958-59
		Rs.	Rs.
1	Multipurpose High School	2,72,739'43	3,03,135'95
2	Higher Secondary School	53,943'43	3,07,507'82

As the powers were delegated only in 1958-59, the subordinate offices were not well conversant with these powers and as such they were not able to utilise the entire amount provided in the budget and they were able to show the above progress only during the last quarter of 1958-59. It is further stated that as only one clerk is sanctioned to the purchase section of his office who has to approve indents of Colleges and Training Institutions, countersign bills, distribute budget grants to Multipurpose High Schools and Higher Secondary Schools, attend to correspondence with Stores Purchase Committee and as Heads of Institutions should be given guidance and information by his office regarding the names of firms dealing with articles required by them, and as subordinate offices are fully conversant with the above powers, he requested Government to obtain sanction for the continuance of the above procedure till the end of II Five Year Plan period. He has also requested that the above orders giving additional powers of purchase may be made applicable to Aided Schools of all kinds, i.e., Municipal, District Board, Private, Aided High and Middle Schools with the following amendments:--

"The Aided Institutions will get their requirements duly approved by the Inspecting officers and make purchases after calling for quotations either locally or outside and place orders with the lowest. In case of articles whose individual value exceeds Rs. 200 and which the aided institutions are unable to purchase for some reason or other such as non-availability of list of firms, difficulties experienced in transport of articles, etc. The office of the Director of Public Instruction will arrange to supply them to schools in consultation with Stores Purchase Committee."

Sanction is, therefore, accorded for the continuance of the procedure regarding the purchase of equipments in the the Education Department as laid down in Government Order No. ED 343 SES 57, dated 17th May 1958 up to the end of II Five Year Plan period. The question of making these orders applicable to the Aided Schools is under consideration of Government..

Rates of interest chargeable under the Low Income Group House Scheme.

READ—

Government Order No. L.S. 4824-28/Ping. 38-55-3, dated 22nd August 1955, sanctioning the proposal of the Mysore Housing Board regarding implementation of Low Income Group Housing Scheme.

2. Correspondence ending with letter No. A2 P.R. 237-C.1 263/58-59, dated 1st July 1959, from the Chairman, Mysore Housing Board.

ORDER No. LLH. 227 HOS 58, DATED BANGALORE, THE 29TH JULY 1959

(SHRAVANA 7, SAKA ERA 1881).

The rates of interest for repayment of loan by the State Government to the Central Government under the Low Income Group Housing Scheme are as under:—

	Per cent
1. Up to 10 years	4
2. From 11 years to 14 years	4½
3. From 15 years to 19 years	4½
4. From 20 years to 30 years	4½

In the Government Order dated 2nd August 1955, it has been stated that orders regarding rates of interest to be levied by the Board on the several agencies for amounts drawn by them, would be issued separately. The several agencies that are getting the benefit of assistance in the implementation of Housing Scheme are:

1. The Mysore State Co-operative Housing Corporation Ltd., and other House Building Societies.
2. Parties (individuals and others) taking loans or assistance directly from the Board.
3. Local Bodies.

The Chairman, Mysore Housing Board, has proposed a schedule of rates of interest chargeable by several agencies under the scheme as noted below:—

	Up to 10 years	11 to 14 years	15 to 19 years	20 to 30 years
	1	2	3	4
	Per cent	Per cent	Per cent	Per cent
1 On the amounts treated as hire-purchase amounts or loans by the Housing Board in respect of individuals and others except the Mysore State Co-operative Housing Corporation	4½	4 5/8	4½	5
2 Loans to the State Co-operative Housing Corporation	4	4 1/8	4½	4½
3 Interest leviable by the State Co-operative Housing Corporation in respect of loans granted to individuals directly by the Corporation	4½	4 5/8	4½	5
4 Interest leviable by the State Co-operative Housing Corporation on Primary Co-operative Societies	4½	4 5/8	4½	5
5 Interest leviable by the Primary Co-operative Society on the individuals	5	5 1/8	5½	5½
6 (a) Interest leviable by the Housing Board on the Local Bodies in respect of loans advanced to them by the Housing Board	4½	4 5/8	4½	5
(b) Interest leviable by the Local Bodies on the individuals if the loan assistance drawn by them from the Board is for expenditure on Houses to be sold on hire-purchase/outright basis	5	5 1/8	5½	5½

He has also sought orders of Government whether the rate of interest to be charged by the Housing Corporation at the rates now fixed may be with retrospective effect, etc., having regard in view that it is not equitable to charge more than $\frac{1}{2}$ per cent which is the margin in respect of loans disbursed by the Corporation to the Primary Co-operative Societies who in turn charge $\frac{1}{2}$ per cent more.

The schedule of rates of interest proposed by the Chairman, Mysore Housing Board is approved. The above rates are made applicable with retrospective effect, i.e., from the date of drawal of loans. Action may be taken to regularise the rates accordingly.

By Order and in the name of the Governor of Mysore,

K. KHADER MOHIEDDIN,

Under Secretary to Government,
Local Self-Government and
Public Health Department.

PREAMBLE—

The need for augmenting the staff with suitable readjustment in the Training Wing of the State Headquarters of the Office of the Commissioner of Labour and Director of National Employment Service was discussed with the Director General of Resettlement and Employment and Joint Secretary to the Government of India, Ministry of Labour and Employment, New Delhi, during his visit to Bangalore in October 1958 and the matter was further examined with reference to the increased activities of the Department. The Commissioner of Labour and Director of National Employment Services keeping in view this position and the urgent need for providing a more satisfactory arrangement for the successful implementation of the Schemes submitted proposals including *inter alia* the creation of a post of a wholetime Joint Director to be in direct charge of the Craftsmen Training Scheme and allied Schemes. These proposals were examined by the State Government and were forwarded to the Government of India for concurrence as they bear 60 per cent of the expenditure. They have since communicated their concurrence in their letter dated 22nd July 1959, read above.

ORDER No. LLH 223 ETC 58, DATED BANGALORE,
THE 19--20TH AUGUST 1959.

The Craftsmen Training Schemes which are already sanctioned and now in force in the State and which are under the control of the Department of Labour have gained great importance and popularity. A number of Industrial Training Institutes/Centres have been established in various parts of the State. The proposals for increasing the seating capacities with additional facilities and making some of the Centres as full-fledged institutions are also under the active consideration of Government and will shortly be finalised. With a view to giving the necessary impetus and direction in the execution of the Schemes, it is considered necessary to have a high-power officer who is a Mechanical Engineer in direct charge of the Schemes and also to strengthen the Inspectorate in the Directorate of the National Employment Services in Mysore. In the circumstances, sanction is accorded to the creation of a post of Joint Director of Training in Mysore who will be in direct charge of the Craftsmen Training and allied Schemes in the State, with Headquarters at Bangalore. He will be under the general administrative control of the Commissioner of Labour and Director of National Employment

Service. The existing post of Deputy Director, Industrial Training, will be abolished from the date the present officer is relieved from the Department of Labour. Sanction is also accorded to the creation of two posts of Inspectors of Training and other ancillary staff as indicated in the appendices attached to this order.

2. The details of additional posts now sanctioned, their pay scales and allowances, the posts that are already sanctioned and continued are furnished in the Appendices I to V. The additional posts now sanctioned will be temporary and for the Plan period. The expenditure on this account during the current year should be debited to the grants provided under "57 Miscellaneous (J) Employment Exchanges and Resettlement (C) Schemes under the Second Five-Year Plan (ii) Craftsmen Training Schemes—IX Strengthening of the State Headquarters Staff including Inspectorate". The expenditure will, as usual, be shared between the Central and State Governments in the agreed ratio of 60 : 40, respectively.

3. Separate orders will issue posting an officer as Joint Director of Training.

4. The Director of Technical Education in Mysore, Bangalore, is requested to take action to arrange for the posting of Sri R. N. Nanjundappa, Deputy Director, Industrial Training, who is reverted to the Department of Technical Education with effect from the date of assumption of charge by the Joint Director of Training.

5. The Director of National Employment Service will send up necessary proposals to Government regarding the filling up of the posts of Inspectors of Training.

By Order and in the name of the Governor of Mysore,

I. S. SHAIKH,

*Under Secretary to Government,
Local Self-Government and
Public Health Department.*

Procedure for recovery and accounting of premia due to the Life Insurance Corporation of India.

OFFICIAL MEMORANDUM

No. FD 14 ACP 58, DATED BANGALORE, THE 21ST AUGUST 1959
(SHRAVANA 30, SAKA ERA 1881).

The Life Insurance Corporation of India have brought to the notice of Government certain difficulties experienced and irregularities observed in the matter of accounting of premium recoveries from salaries of Government employees, in Treasuries and Drawing Offices (*vide* Annexure).

It is impressed on all Treasury Officers and Drawing Officers of Government that such irregularities should be avoided and delay in affording credit should be minimised. The following procedure should be followed by all Drawing Officers from 1st September 1959:

(1) The Drawing Officers should maintain a register of policies held by their employees with (i) the Mysore Government Insurance Department—Public Branch, and (ii) the Life Insurance Corporation of India, and note therein every month the recovery made in respect of each of the policies. Separate columns may be provided for (i) and (ii).

(2) In the premium recovery statements attached to bills, correct policy numbers and premiums should be entered.

(3) Abstract Treasury Collection Statements should be sent promptly to the concerned Divisional Officers of the Life Insurance Corporation at Bangalore, Hyderabad and Udipi, as the case may be, along with the deduction statements by the Treasury Officers, in support of the R.T.Rs. or Cheques issued in favour of the Life Insurance Corporation.

(4) In Bank Treasuries, the concerned Banks will retain the deduction statements and send them to the Life Insurance Corporation of India in support of the bank credits.

(5) Separate statements should be prepared for the Mysore Government Insurance Department—Public Branch Policies and Life Insurance Corporation Policies in special forms prescribed for each of them and it should be ensured that these do not get mixed up. They should not also be mixed up with the Mysore Government—Official Branch Policies, accounted for in accordance with the Mysore Government Insurance Rules.

(6) Each policy held by an Official should be separately noted entering the corresponding premium recovery against that number in the deduction statement. On no account should premiums in respect of two or more policies be clubbed together and lumpsum entered in the statement.

(7) When a policy holder is transferred, the details of policy number and premium should be communicated to the Head of the Office to which he is transferred and the transfer should be advised to the concerned Divisional Officer of the Life Insurance Corporation.

(8) The references sent by the Life Insurance Corporation of India on the above subject should be promptly dealt with.

(9) The Inspecting Officers, should at the time of inspection of the Treasuries and departmental offices, see that the prescribed registers are maintained properly and all correspondence is answered promptly.

Attention is also invited to the O.M. No. 9983/B, dated 7th January 1957 and to Accountant-General's Circular No. TM/B/622, dated 6th November 1957 issuing instructions regarding recording of pay orders on bills presented at treasuries in respect of Life Insurance premia. (Copy annexed).

N. S. BHARATH,

Deputy Secretary to Government,
Finance Department (Budget).

ANNEXURE

1. Accounts are not being received every week as stipulated in the Government Order.
2. R.T.Rs. are not sent along with accounts. This is particularly so in respect of Ramanagaram and Anekal Treasuries.
3. R.T.R. advices are not being sent to the State Huzur Treasury by Treasuries. Hence R.T.Rs. are being returned to as in such cases involving correspondence with the Treasuries. The number of returned R.T.Rs. is about 50 to 60 per month.
4. Treasury schedules are not being correctly received by us. Total collections noted in schedules do not agree with individual entries with consequent delay in rectifying them.
5. Non-receipt of deduction statements along with accounts. When correspondence is made with the Treasuries, replies are either not at all received or delayed considerably. The Officer-in-charge, State Huzur Treasury, has been addressed in this behalf with no result.
6. The collections made at the Treasuries are not being promptly remitted to us. Some instances are given below :—
 - (a) in the case of Aland Sub-Treasury, we received accounts from August 1958 to June 1959 on 25th June 1959 along with an R.T.R.
 - (b) the Government Electric Factory has sent us the accounts for December 1958 to March 1959 but relative cheques have not been sent to us by the Officer-in-charge, S.H.T. Since the cheques have not been received, we cannot take the amount to the credit of the policy-holders and servicing is delayed.
7. The Treasury accounts are not being regularly received from North Kanara Treasuries (Haliyal, Kumta, Bhatkal and Honnavar, etc.). The detailed statement of recovery is sent by the Treasury very late and only after continued correspondence.
8. Treasuries very often do not detach the premium recovery statements from salary bills and they are sent away to the Accountant-General with salary bills for audit. It is filed there and it is an uphill task involving correspondence over a long time to get the recovery statement either from the Accountant-General or from the Drawing Officers.
9. Difficulties arising out of irregularities and incompleteness of statements prepared by Drawing Officers :—
 - (a) O.M. 9983/B, dated 7th January 1957, prescribes that premium deduction statements should be prepared separately for (i) policies of Official Branch, and (ii) Policies of Public Branch and Policies issued by Life Insurance Corporation and that every policy number held by the policy holder should be separately shown with corresponding premiums. These are observed more in the breach. In fact in most cases only one of the several numbers held by an official are mentioned and not all the numbers while a lumpsum recovery is shown representing total premiums recovered. Certain registers were prescribed for maintenance by each Drawing Officer wherein policy numbers held by each official was entered and monthly recoveries were required to be posted. If such registers are continued to be maintained omissions and errors can be avoided and subsequent verification will be easy.
 - (b) A large number of errors creep in at the level of the Drawing Officers, policy numbers are quoted wrongly. Even premium amounts are wrongly recovered. Proper care is not being taken in copying policy numbers and premium amounts and the cumulative effect of these errors as time passes results in considerable labour, time and trouble in adjusting recoveries to the proper policy accounts and in several cases protracted correspondence has to be undertaken to rectify errors.
 - (c) Very often the totals entered in the recovery statements and included in the Treasury Schedules do not tally with the amount to which the individual recoveries total up and this results in a large number of policy accounts being kept incomplete until these errors are set right after protracted correspondence.
 - (d) Transfers from one office to another are never advised to the Life Insurance Corporation and in view of the errors that creep into the statements, it is becoming very difficult to account and adjust a large part of the collections.
 - (e) All these result in the swelling of deposits and suspense items, which we find very difficult to reduce.

N. S. BHARATH,

Deputy Secretary to Government,
Finance Department (Budget):

Copy of letter No. TM/B/622, dated 6—11th November 1957, from the Accountant-General, Mysore, Bangalore, addressed to all the Deputy Commissioners, Treasury Department.

Subject.—Pay Orders on Bills by Treasuries—Deductions on account of Life Insurance Premia.

It is observed that while making pay orders on bills by Treasury Officers no uniform procedure is being followed in respect of deductions on account of Life Insurance premia to be recovered from Government servants.

In this connection a reference is invited to sub-paragraphs 2 (ii) and 2(iii) of Government of Mysore, Finance Department, Government Order No. 30 ACP 57, dated 20th April 1957. As laid down therein although deductions on account of premia need not appear in the body of the bill, to avoid unnecessary handling of cash, the Drawing Officers are required to make endorsements on pay bills themselves after receipting the contents as follows:—

“Pay Rs. in cash.

Pay Rs. to the Credit

of the Life Insurance Corporation of India (Detailed Statement enclosed).”

Non-bank treasuries will adjust such amounts by transfer credit to the deposit account of the Corporation held in the name of the Treasury Officer and furnish a certificate of credit to the Drawing Officer.

At Bank Treasuries, except the State Huzur Treasury, such credits will be taken to the credit of the Corporation direct and a certificate of credit issued by the Bank. Such credits will not appear in the Treasury Accounts.

In regard to the State Huzur Treasury, however, the procedure of adjustment will be the same as that followed by non-Bank treasuries as the Reserve Bank of India does not keep an account of the Corporation.

In respect of premia relating to policies of the Official Branch of the State Government Insurance Department, the existing procedure of deduction from pay bills will continue without any change. The Treasury Officers shall see that credits in respect of premia on policies of the Official Branch of the State Government Insurance Department which will always be by adjustment in the Books of the Audit Office, are not mixed up with the premia collected on Public Branch Policies of the Life Insurance Corporation of India.

It will be seen from the above that the Treasury Officers are required to issue two pay orders—one for the net amount payable in cash to the Drawing Officer and the other for payment by transfer credit to the Life Insurance Corporation.

It is, therefore, requested, that the District and Taluk Treasury Officers in your District may be instructed to follow the correct procedure outlined above in future, if they are not already following the same.

Deputy Accountant-General.

PREAMBLE—

The present sanction for permitting deductions from salary and establishments bills on account of the premia of the policies of the Life Insurance Corporation of India held by the employees of the Mysore State will expire on 31st August 1959. The question of continuing the present arrangement beyond that date was discussed at a meeting by the Finance Minister with the representative of the Life Insurance Corporation of India, the representative of the Mysore Government Life Insurance Department and that of the Bank of Mysore. It was decided that the existing procedure should be continued further.

ORDER No. FD 14 ACP 58, DATED BANGALORE, THE 21ST AUGUST 1959
(SHRAVANA 30, SAKA ERA 1881).

Government direct that the present arrangement be continued till the end of March 1960. Separate instructions are being issued to the Treasury Officers and Heads of Departments pointing out the common irregularities that are being committed and steps to be taken to avoid such irregularities in future.

2. As already laid down in Government Order No. FD-14 ACP 58, dated 8th April 1959, cash payment of insurance premia in the Treasuries should be accepted only in respect of old Mysore Government Insurance Department policies (and not in respect of other policies of the Life Insurance Corporation of India).

*Deputy Secretary to Government,
Finance Department (Budget).*

CHIEF SECRETARIAT

Re-organisation of the Efficiency Audit and Anti-Corruption Department, and Machinery to deal with the representations to Government.

ORDER No. GAD 43 BAC 59, DATED BANGALORE, THE 10TH AUGUST 1959
(SHRAVANA 19, SAKA ERA 1881).

At present, a large number of representations received by the Government from the public are referred to the officer concerned for enquiry and report. This procedure results in overcentralisation and clogs the whole Government machinery. Owing to the large number of these representations and the time taken for investigation, the disposal is not as speedy as would be desirable. In order to give quick relief to the aggrieved members of the public, a suitable machinery has to be devised for this purpose.

2. The representations which contain complaints regarding corruption are referred to the Special Officer, Efficiency Audit and Anti-Corruption, for investigation. Apart from this, the Efficiency Audit Department is also expected to inspect the subordinate offices of the various Departments and to suggest improvements in their method of working.

3. In order to speed up the work in connection with the investigation into the representations from the public and to ensure quick disposal of the allegations about corruption, the Government have decided to re-organise the Department of Efficiency Audit and Anti-Corruption with a decentralised divisional set-up.

4. Henceforth, the Special Officer, Efficiency Audit and Anti-Corruption, will be called the Director, Efficiency Audit and Anti-Corruption, and the department as the "Directorate of Efficiency Audit and Anti-Corruption".

5. At the State level, the Directorate of Efficiency Audit and Anti-Corruption will exclusively look after—

- (1) investigation into inefficiency and corruption charges against the Gazetted Officers; [It will also handle cases where Gazetted Officers and non-Gazetted officials are involved together], and
- (2) inspection of the offices of Heads of Departments (excluding the offices of the Deputy Commissioners of Districts).

6. At present, there is no machinery for the regular inspection of the offices of the Heads of Departments. The Director, Efficiency Audit and Anti-Corruption, will inspect the offices of the Heads of Departments in a cycle so as to inspect each office at least once in three years. The responsibility for the inspection of the subordinate offices of the various Departments can be properly left to the Heads of Departments themselves.

7. At the Divisional level, every Divisional Commissioner will be given a staff of one Assistant Commissioner and a Deputy Superintendent of Police, assisted by subordinate staff to deal with representations from the public and corruption charges against non-Gazetted officers.

8. The representations received from the public can be broadly divided into the following categories:—

- (a) Corruption charges containing specific allegations;
- (b) Corruption charges made in a vague and in a general manner, but with no specific instances;
- (c) Requests for relief at the hands of Government:
 - (i) where the appropriate Government officer has passed an order and the party is aggrieved;
 - (ii) where the appropriate Government official has not passed orders and the case is delayed;
 - (iii) where requests for facilities are made (*e.g.*, demand to open a new School or a new Road, etc.).

9. The Assistant Commissioner, who will work directly under the Divisional Commissioner, will in respect of (a) above send the case to the Deputy Superintendent of Police for investigation if it relates to a non-Gazetted officer, and to the Director, Efficiency Audit and Anti-Corruption, if it relates to a Gazetted Officer; in respect of (b) merely file the communication and in respect of (c) (i) advise the party to appeal to the proper authority (if the order is final, the order must stand and the party will be informed accordingly).

10. Where it is clear from the application or facts ascertained from the applicant that Government cannot grant any relief, *e.g.*, civil disputes, or where Government has already passed final orders or no relief under the rules is permissible, the party will be informed accordingly.

11. In cases where the representation received shows that the individual is not getting relief from the Department concerned, the Assistant Commissioner will further investigate into the matter. It is an essential feature of this scheme that the Assistant Commissioner should meet the officers concerned and settle matters by personal discussion and not by writing notes or letters. The results of such discussions should be recorded by the Assistant Commissioner in writing. Where the Assistant Commissioner finds that he cannot make such progress, he will place the case before the Divisional Commissioner.

12. The Assistant Commissioner should also help persons who approach him and are suffering from a genuine grievance to approach the proper officer.

13. The remaining representations are those which contain requests for facilities. Directions for detailed investigation in such cases do not fit in with the 'Plan' and create a heavy load of work on Departments, particularly like the Public Works Department. The requests should be sent to the Heads of Departments for disposal and could also be processed in the District Development Committees or Block Committees. Only those Schemes which are likely to secure a high priority may be investigated in detail.

14. Government wishes to emphasise that the Assistant Commissioner at the Divisional level will be a Public Relations Officer and will do his utmost to expedite the disposal of delayed cases and redress the grievances from the members of the public. For this purpose, he can fruitfully utilise the monthly Co-ordination Committee meetings held by the Deputy Commissioners every month.

15. The Police staff at the Divisional level, though under the administrative control of the Divisional Commissioner, will, for purposes of technical control, work under the Superintendent of Police in the Directorate of Efficiency Audit and Anti-Corruption at the headquarters at Bangalore.

16. The staff as shown below is sanctioned for the Directorate of Efficiency Audit and Anti-Corruption, for a period of one year in the first instance:—

	State level	Divisional level	Total
(1) Director (Senior I.A.S. Scale) ...	1		1
(2) Deputy Director (Rs. 800-40-1,000-50-1,200) ...	1		1
(3) Superintendent of Police ...	1		1
(4) Deputy Superintendents of Police ...	2	4 (one for each Division)	6
(5) Inspectors (including 1 reserve) ...	8	4 (one for each Division)	12
(6) Sub-Inspectors (including 3 reserve) ...	10	19 (at the rate of one for each District)	29
(7) Head Constables (including 2 reserve) ...	15	23 (at the rate 1 for each Inspector and Sub-Inspector of Police)	38
(8) Constables (including 4 reserve) ...	25	27 (at the rate of one for each Dy. S. P., Inspector and Sub-Inspector)	52
(9) Assistant Commissioners ...	1	4 (one for each Division)	5
(10) Auditors ...	5		5
(11) Stenographers ...	4	4 (one for each Division)	8
(12) Managers ...	1		1
(13) I Division Clerks ...	5	4 (one for each Division)	9
(14) II Division Clerks ...	4	4 (one for each Division)	8
(15) II Grade Typists ...	3		3
(16) Attenders ...	2		2
(17) Dalayets ...	26	12 (three for each Division)	38

17. The staff mentioned above includes a Reserve at Headquarters, under the Director, consisting of one Inspector, three Sub-Inspectors, two Head Constables and four Constables, for investigating into the complaints against the offices of the Heads of Departments.

18. Government are pleased to sanction two vans (jeep-station-wagons) for the Department, to assist in the investigation of corruption cases. One of the vans will be in replacement on the existing one, which should be disposed of in accordance with the existing rules.

19. If the officers of the Department of Efficiency Audit and Anti-Corruption have been appointed as Enquiry Officers in any departmental proceedings and the cases have come up to the stage of oral enquiry, they should be continued to be heard and completed by the officers concerned, unless orders to the contrary are communicated by Government.

20. This Order comes into force from the 1st of September 1959.

By Order and in the name of the Governor of Mysore,

K. M. MIRANI,

Deputy Secretary to Government,
General Administration Department
(O. & M. Sec.)

LOCAL SELF-GOVERNMENT AND PUBLIC HEALTH SECRETARIAT

Issues orders regarding Revision of Scales of pay and allowance to the teaching staff in Local Bodies.

READ—

1. Circular No. LLH 580 TML 57, dated 23rd April 1957 of the Secretary to Government, Local Self-Government and Public Health Department.
2. Government Order No. ED 507 PMS 57, dated 21st December 1957 of the Secretary to Government, Education Department.

ORDER No. LLH 72 (1) CET 59, DATED BANGALORE,
THE 18TH JULY 1959.

The local bodies in the State were permitted to revise the scales of pay and dearness allowance of their employees in accordance with the terms and conditions laid down in the circular of the Local Self-Government and Public Health Department, and in the Government Order of the Education Department, read above, in so far as the teaching staff of the educational institutions under the management of the local bodies are concerned.

2. Although the revised scales of pay and dearness allowance of the teaching staff employed in the educational institutions (other than Headmasters of High Schools) have been sanctioned in most cases on the basis of the communications read above, some of the local bodies do not seem to have yet sanctioned revised scales for their teaching staff. It is, therefore, hereby clarified that the teaching staff (other than Headmasters of High Schools) employed in the schools managed by the local bodies may be given the scales prescribed for similar posts in Government Order No. Fl. (B) 14034-14133—BUD. 119-56-3, dated the 25th January 1957 of the Finance Department, or any lesser scales consistent with their financial resources and subject to the conditions laid down in the Government Order of the Education Department read above. As regards the scales of pay and dearness allowance of Headmasters of High Schools managed by local bodies, separate orders have already been issued by the Education Department.

By Order and in the name of the Governor of Mysore,

R. SRINIVASAN,

Secretary to Government,
Local Self-Government and
Public Health Department.

HOME SECRETARIAT

Sanctions the Re-organisation of the Chitradurga District Police Force.

READ—

Letter No. HD 54 EST 57, dated 24th April 1957, from the Secretary to Government, Home Department, to the Inspector General of Police, Mysore State, calling for proposals for Re-organising the Police Department in order to secure all possible economy in expenditure.

Letter No. 160/RA/57 (Chitradurga), dated 2nd May 1958, from the Inspector General of Police, Mysore State, forwarding the Re-organisation proposals of the District Police in Chitradurga District.

ORDER No. HD 118 EHT 58, DATED BANGALORE, THE 6TH JULY 1959
(ASHADHA 15, SAKA ERA 1881).

The Inspector General of Police has sent proposals for re-distribution and re-organisation of the Police Force in Chitradurga District in pursuance of the instructions issued by Government.

In these proposals, he has adopted a definite basis keeping in view the local, economic and geographical conditions of the District, the incidence of crime and other special problems of the area and has fixed the strength of the Police Stations, Out-Posts, Armed Reserve Police, etc., on this basis. The existing and the proposed set up of the Police Force are set out in Appendices "A" and "B" respectively :—

The salient features of the proposals are :—

1. Creation of an additional Sub-Division and placing each Sub-Division in charge of a Deputy Superintendent of Police. The Deputy Superintendent of Police, Chitradurga Sub-Division will also function as Personal Assistant to the District Superintendent of Police. The distribution of the jurisdiction of the Sub-Divisions, Police Circles, etc., is shown in Appendix "C".

2. Creation of 5 new Police Stations in addition to the existing 19 Police Stations.

3. Creation of the following additional permanent posts :—

Deputy Superintendent of Police	...	1
Sub-Inspectors	...	6
Traffic Sergeant	...	1
Head Constables (Civil)	...	39
Police Constables	...	14
Assistant Sergeants	...	3
Head Constables (Armed Reserve)	...	9
Police Constables (do)	...	33

4. Abolition of 12 existing Out-posts.

5. Abolition of the posts of 5 Police Inspectors and 3 Jamedars.

6. Re-organisation of the District Special Branch with a staff of one Sub-Inspector and 4 Head Constables instead of the existing staff of one Sub-Inspector, two Daffedars and two Police Constables.

7. Re-organisation of the District Intelligence Bureau with a staff of 1 Sub-Inspector and 2 Head Constables instead of the existing staff of 1 Jamedar and 1 Head Constable.

329

2

No. HD 118 EHT 58, DATED 6TH JULY 1959.

8. Re-organisation of the Armed Police of the District into a District Armed Reserve consisting of 1 Headquarters Platoon and 1 Active Platoon in Chitradurga and 1 Headquarters Platoon and 1 Active Platoon at Davangere.

9. Formation of a Prohibition Intelligence Branch with a staff of 1 Sub-Inspector and 6 Head Constables for the detection of prohibition offences.

10. Provision of a vacancy reserve of 10 per cent in the strength of the Head Constables and Police Constables both in the Civil and the Armed Police.

11. Continuance of the existing temporary prohibition staff of 1 Sub-Inspector, 11 Daffedars and 62 Police Constables on a permanent basis and distributing this staff among the several Police Stations.

The proposals of the Inspector General of Police result in an extra cost of Rs. 83,475-48 nP. per annum.

After careful consideration Government are pleased to sanction the proposal of the Inspector General of Police.

In working out the net financial effect of the Re-organisation proposals the revised pay scales have been taken into account for the surplus and additional posts required. Separate orders will issue regarding the continuance, rationalisation or otherwise of the allowance. The present re-organisation order fixes only the strength of the Police Personnel in each category as set out in Appendices "E" and "F". As regards the incumbents that occupy these posts their scales will depend on whether or not they opt to the new scales.

A staff of 5 Police Inspectors and 10 Dalayats is rendered surplus by the above re-organisation proposals. As some time lag is involved in the sanction of the re-organisation proposals of all the Districts, the incumbents of the surplus posts will continue as supernumeraries from the date of this order and should be absorbed within a period of one year by which time orders will have been issued on re-organisation of the entire Department. The Inspector General of Police is requested to send a statement of re-distribution of forces of the entire State for the information of Government when all the proposals are finalised and also the necessary proposition statements.

A notification indicating the changes in the existing jurisdictions of Stations and Out-Posts will be issued separately.

By Order and in the name of the Governor of Mysore,

K..NARAYANASWAMY,

Secretary to Government,
Home Department.

ANNEXURE B

Note—"Treasury" or "Treasury Officer" refers to "Sub-Treasury" or "Sub-Treasury Officer."

General.

212. All bills, cheques and other documents passed by Treasury Officers for payment at the Bank as well as interest payment orders, etc., being non-negotiable instruments, all such claims have normally to be presented by the payees personally at the Bank. To facilitate business, the Bank will, however, disburse payments of such claims when presented through messengers who can be identified provided the Bank is previously in possession of specimen of payee's signature as recorded thereon.

Payments into Bank.

213. (1) Save as hereinafter provided, and subject as provided in Article 8, Mysore Financial Code, 1958 any person who desires to pay money into the Bank on Government account shall first present at the treasury a challan, in duplicate (which, if necessary, will be prepared in the treasury). The Accountant or other official entrusted with the duty of examining the challans shall, after examination, enter the challan in the appropriate register of challans issued, which is kept under Article 235 of Mysore Treasury Code and write on both original and duplicate the word "correct"; he shall then affix his initials to the challan with the date, specify the head of account and submit the challan with the register to the Treasury Officer who, if it is in order in all respects, shall enface it with an order to the Bank to receive the money and to grant a receipt.

Both the original and duplicate copies of the challan thus enfaced shall then be returned to the payer who will proceed with them to the Bank. There the money will be received and credited to the proper head of account and an acknowledgment will be granted to the payer on one copy of the challan or the remittance book, the duplicate being retained by the Bank to be forwarded to the treasury with the daily account.

(2) In case in which challans are presented in triplicate or quadruplicate, the acknowledgment of the Bank will be given on one copy of the challan, or on such copy as may specially be marked for the purpose, the other copies being retained by the Bank to be forwarded to the treasury with the daily account.

(3) Moneys tendered with a challan signed by a departmental officer under the provisions of Article 8 (4), Mysore Financial Code, 1958, may be received direct at the Bank without the intervention of the Treasury Officer. Moneys tendered with special form of challan prescribed for payment of income-tax (and super-tax) revenue may likewise be received by the Bank direct even when such challans are not signed by the Income-tax Officer.

(4) Challans shall be valid only for a time not exceeding ten days. If they are presented after the allotted time, the money will not be received by the Bank until they are revalidated by the Treasury Officer.

214. Cheques on local banks will be accepted by the Bank in accordance with Article 9, Mysore Financial Code, 1958. There will be a daily clearance of cheques accepted and the transactions will be included in the daily account rendered to the treasury after the cheques have been cleared.

Remittances of Departmental Officers.

215. Moneys received by officers of the departments noted in the margin will be received at the Bank direct without the intervention of the Treasury Officer in accordance with the special rules prescribed therefor in the Code (Mysore Treasury Code).

Defence,
Posts and
Telegraphs,
Public Works
and Forest.

Challan forms shall be supplied to the Bank by the Treasury.

216. In the case of departments, other than those mentioned in the preceding Article, moneys received by departmental officers shall be forwarded by them daily to the Bank direct with a challan in duplicate describing the several items and the heads under which they should appear in the accounts. One copy of the challan will be retained by the Bank and forwarded with the accounts of the day to the treasury and the duplicate returned, receipted, to the departmental officer for record in his office.

The duplicate challan may be in the form of a book sent daily for signature.

Deposits and Local Fund Receipts.

217. The detailed account of Local Funds and registers of Revenue Deposits will be kept in the treasury, the Bank only receiving the amounts tendered in accordance with Article 213 of M. T. C. and crediting them under their proper designation.

WITHDRAWAL FROM THE PUBLIC ACCOUNT AT THE BANK.

Civil Charges.

218. Subject as hereinafter provided, all bills for pay and allowances and contingent expenses of officers of the civil establishments, which are ordinarily drawn upon the treasury shall be presented to the Treasury Officer in the first instance for examination. The Treasury Officer if he passes the claim, shall enface on the bill an order to pay a specified amount. Such orders shall be recorded in the register of payment orders issued, which is kept under Article 235 of M. T. C. and shall be numbered, dated and signed. The bill shall be then returned to the person presenting it, and will be paid at the Bank in accordance with the order of the Treasury Officer, the Bank being responsible only for strict adherence to this order and for obtaining upon the bill a proper discharge from the payee. The discharge must be in addition to the signature at foot of the bill.

Note.—When payment is desired wholly or partly in Reserve Bank draft, and a formal application for draft accompanies the bill, the Treasury Officer, if he is satisfied that the grant of the draft is permissible, will forward the application to the Bank, specifying clearly in the pay order the manner in which payment should be made.

Departmental Payments.

220. (a) Officers of the Forest and Public Works Departments are authorised to draw funds by bills as well as by cheques.

Cheques drawn by them will be cashed at the Bank without the intervention of the Treasury Officer. Bills will be cashed by the Bank only on payment orders endorsed thereon by the Treasury Officer.

In respect of cheques, no letters of credit will be issued by the Accountant-General, but where a Divisional Officer has intimated any limits on the drawings of a Sub-Divisional Officer the Bank will observe the prescribed limitations. In all other cases, cheques will be cashed without any limitations, if otherwise in order.

(b) Unless there be any special Rule or order of Government to the contrary, cheques of any other departmental officer authorised to draw funds by cheques may be cashed by the Bank direct without the intervention of Treasury Officer.

Refunds.

221. Refunds of a revenue, etc., will be made by the Bank on bills bearing a payment order signed by the Treasury Officer in accordance with the procedure prescribed in Article 218 of M. T. C.

This rule does not apply to refunds of Income-tax; in the case of such refunds, the Income-tax Officer is authorised to make out the refund order in the form of a direct order on the Bank and the endorsement of a second payment order by the Treasury Officer will be unnecessary.

Discount on sale of stamps.

222. When discount on sale of stamps is allowed by deduction from the amount paid in by the purchaser, the net amount will be received and brought to account under Article 213, M. T. C., the receipted challan being the payer's authority for receipt of the stamps from the treasury.

PUBLIC DEBT.

Government Promissory Notes.

223. Government Promissory Notes on which interest may be due shall be presented to the Treasury Officer who having made the necessary examination and record, shall give the holder an order on the Bank in the following form:—

Pay to.....Rupees.....being interest for.....half-year at.....
per cent due on Government Promissory Note Noof.....for Rupees

Stock Certificates.

224. Interest on Stock Certificates will be paid by the Bank on Interest Warrants issued by the Public Debt Officer concerned without the intervention of the Treasury Officer. The Bank will arrange to pay the interest due on the warrant to the proprietor of the Stock Certificate.

225. The provisions of Articles 223 and 224 of M.T.C. apply *mutatis mutandis* to repayment of principal of any Promissory Note, or Stock Certificate which may be notified for discharge; but nothing in these rules shall be deemed to override any rule or order contained in the Government Securities Manual regulating the procedure for the payment of interest on or principal of any Public Debt.

Deposit Payments.

226. (1) Repayment of deposits standing at credit of individuals in the treasury register or in the Magistrate's or Judge's accounts will be made on the order of the officer on whose register they are. Persons claiming repayments of such deposits must therefore apply to the officer who received them who, after examining the appropriate register and making the necessary record, will give the applicant an order for payment at the Bank.

(2) In cases in which personal ledger accounts of civil or criminal court deposits are kept by the Bank, each court will duly intimate from time to time to the bank the amount of lapsed deposits to be deducted from the personal ledger pass book.

Local Funds.

228. Payments will be made on cheques drawn by competent drawing officers of the Local Body concerned. Unless in any case the Government direct otherwise, such cheques will be drawn on the treasury and cashed by the bank on pay order issued by the Treasury Officer.

Currency of Payment Orders.

229. Payment orders issued on the bank shall be valid only for a time not exceeding ten days, fixed by the Deputy Commissioner; if presented after the allotted time, they will be refused payment by the bank until re-validated by the Treasury Officer.

Specimens of signatures of Drawing Officers.

230. Specimens of signatures of all officers who are authorised under the provisions of these rules to draw cheques or issue payment orders on the Bank shall be supplied to bank by the departmental or other authority concerned.

Advices and Certificates.

237. Advices of receipts or payments which, according to any rule or order, have to be sent to public officers or departments, and consolidated receipts or certificates of receipts or payments required by any rule or order to be given to any public officer or department, shall be prepared in the treasury and not in the bank, as the point to be advised or certified is not that the money has been received or paid at the bank, that the receipt or payment has entered the treasury accounts.

Nothing contained in this rule shall be deemed to override any local usage or practice under which advices and certificates referred to above are prepared by the bank.

Treasury returns.

238. All treasury returns, with the exception of those the bank is instructed to furnish under the rules in this part or under express orders of the Accountant General shall be prepared in the treasury and not in the bank.

- Government Circular No. ED 5 SDB 58, dated the 28th March 1959.
2. Letter No. C/5/1139, dated 26th June 1959, from the Chairman, District School Board, North Kanara.
 3. Letter No. H4. 86671—569/58—59, dated 1st July 1959, from the Director of Public Instruction in Mysore, Bangalore.
 4. Letter No. P5. 1397—70/59—60, dated 4th July 1959, from the Director of Public Instruction in Mysore, Bangalore.

ORDER NO. ED 11 SDB 59, DATED BANGALORE, THE 13TH AUGUST 1959
(SHRAVANA 22, SAKA ERA 1881).

The Chairman, District School Board, North Kanara has reported that it is found by experience that in almost all cases of admission, horoscopes are not maintained and thus the same cannot be produced before Head Masters. Similarly copies of birth extracts are not easily available in the villages since the pertinent records are sent to the Taluk Offices after three years and it is difficult for the parents residing in villages to get copies of birth extracts from Taluk Offices.

2. The Director of Public Instruction has stated that usually the name of the child will not be found in the birth extracts produced for effecting the change in the date of birth as the Registration is made within a day or two after the birth of the child and therefore requested for clarification whether birth register extracts could be used as supporting evidence and not conclusive evidence in deciding the case. The Director of Public Instruction in Mysore, Bangalore, has also felt that the procedure prescribed in Government Circular, dated 28th March 1959, referred to above, may cause hardship to certain parents to produce evidence of the date of birth and any strict insistence on the production of correct date of birth based on the requisite documents as pre-condition for admission of a child might cause inconvenience to the parents or guardians in getting the children admitted to primary schools. He has, therefore, requested Government to make certain amendments in the Circular already issued.

3. After considering all aspects of the problem, in partial modification of para 2 of the Government Circular, dated 28th March 1959, Government are pleased to direct that to ensure that the correct date of birth of the pupils is furnished by the parents or guardians at the time of admission to primary schools or other Educational Institutions the Heads of the Primary Schools or other Educational Institutions should insist upon the parents or guardians to furnish the correct date of birth which should be based on one or more of the following documents:—

- (1) Original Horoscope.
- (2) Date of Birth Extract, or Baptismal Certificate.
- (3) Affidavit of age by parents or guardians duly signed before a person who is competent to administer oath.
- (4) Mahajar before 5 (five) respectable persons of the locality.

It is, further, directed that no child should be refused admission to Primary Classes just because he is unable to produce any evidence regarding his/her date of birth and the parents or guardians be given time till the beginning of the next academic year to produce the required documents and an entry regarding the document on the basis of which the date of birth is noted, be made in the Admission Register.

1. Official Memo No. GAD (AL) 17 MSO 57, dated the 6th May 1958.
2. Letter No. RK. P.R. 14 C. 483/57-58, dated the 9th June 1959, from the Divisional Commissioner, Mysore.

In accordance with an agreement arrived at by this Government with the Government of Madras, instructions were issued in official Memo, dated the 6th May 1958, referred to above, requesting the Heads of Departments and Indenting Officers concerned to ascertain the requirements of their offices in the South Kanara District and Kollegal Taluk in respect of stationery and forms for the period up to 31st March 1959 and to place consolidated indents with the Controller of Stationery and Printing, Madras, before 31st May 1958. The above agreement with the Government of Madras expired on 31st March 1959. Further, the Divisional Commissioner, Mysore, has also reported that on enquiry made by him with the Superintendent, Government Press, Madras, the latter has replied to him stating that the supply of forms, etc., has already been stopped from 1st April 1959. The Divisional Commissioner, Mysore, has therefore, requested Government to issue necessary authorisation to the Director of Printing, Stationery and Publications, Bangalore, to supply the required forms, registers and stationery articles to South Kanara District and Kollegal Taluk for 1959-60 onwards according to the indents to be sent by the Deputy Commissioners of South Kanara and Mysore Districts.

ORDER No. ED 145 UPS 59, DATED BANGALORE, THE 12TH AUGUST 1959
(SHRAVANA 21, SAKA ERA 1881).

The Director of Printing, Stationery and Publications in Mysore, Bangalore, is authorised to supply necessary articles of stationery, registers and forms, as per rules, to the Government Offices in the South Kanara District and Kollegal Taluk from the year 1959-60 onwards on the basis of consolidated indents to be submitted by the Heads of Departments and the Indenting Officers concerned in this behalf.

Sanctions the continuance of decentralisation of powers with regard to the purchase of equipment.

G.O. No. ED 343 SES 57, dated 17th May 1958 regarding decentralisation of powers in the Education Department.

2. Letter No. P. O. 731-6/59-60, dated 26th May 1959 from the Director of Public Instruction in Mysore, Bangalore in the matter of G.O. No. ED 343 SES 57, dated 17th May 1958.

ORDER No. ED 106 SES 59, DATED BANGALORE, THE 12TH AUGUST 1959
(SHRAVANA 21, SAKA ERA 1881).

Sanction was accorded for decentralisation of powers of purchase for a period of one year only among the several offices of the Department in G.O. dated 17th May 1958 read above. The Director of Public Instruction has now stated that on account of decentralisation, the Schools and offices are utilising the equipment grant placed at their disposal in greater measure than they were doing previously and added that the following figures will show the progress achieved:

Sl. No.	Kind of School	Amount spent	
		1957-58	1958-59
		Rs.	Rs.
1	Multipurpose High School ...	2,72,739.43	3,03,135.95
2	Higher Secondary School ...	53,943.43	3,07,507.82

As the powers were delegated only in 1958-59, the subordinate offices were not well conversant with these powers, and as such they were not able to utilise the entire amount provided in the budget and they were able to show the above progress only during the last quarter of 1958-59. It is further stated that as only one clerk is sanctioned to the purchase section of his office who has to approve indents of Colleges and Training Institutions, countersign bills, distribute budget grants to Multipurpose High Schools and Higher Secondary Schools, attend to correspondence with Stores Purchase Committee and as Heads of Institutions should be given guidance and information by his office regarding the names of firms dealing with articles required by them, and as subordinate offices are fully conversant with the above powers, he requested Government to obtain sanction for the continuance of the above procedure till the end of II Five Year Plan period. He has also requested that the above orders giving additional powers of purchase may be made applicable to Aided Schools of all kinds, i.e., Municipal, District Board, Private, Aided High and Middle Schools with the following amendments:—

“The Aided Institutions will get their requirements duly approved by the Inspecting officers and make purchases after calling for quotations either locally or outside and place orders with the lowest. In case of articles whose individual value exceeds Rs. 200 and which the aided institutions are unable to purchase for some reason or other, such as non-availability of list of firms, difficulties experienced in transport of articles, etc. The office of the Director of Public Instruction will arrange to supply them to schools in consultation with Stores Purchase Committee’.

Sanction is, therefore, accorded for the continuance of the procedure regarding the purchase of equipments in the the Education Department as laid down in Government Order No. ED 343 SES/57, dated 17th May 1958 up to the end of II Five Year Plan period. The question of making these orders applicable to the Aided Schools is under consideration of Government.

Rates of interest chargeable under the Low Income Group House Scheme.

READ—

Government Order No. L.S. 4824-28/Ping. 38-55-3, dated 22nd August, 1955, sanctioning the proposal of the Mysore Housing Board regarding implementation of Low Income Group Housing Scheme.

2. Correspondence ending with letter No. A2 P.R. 237-C.1 263/58-59, dated 1st July 1959, from the Chairman, Mysore Housing Board.

ORDER No. LLH 227 HOS 58, DATED BANGALORE, THE 29TH JULY 1959
(SHRAVANA 7, SAKA ERA 1881).

The rates of interest for repayment of loan by the State Government to the Central Government under the Low Income Group Housing Scheme are as under:—

	Per cent
1. Up to 10 years	4
2. From 11 years to 14 years	4½
3. From 15 years to 19 years	4½
4. From 20 years to 30 years	4½

In the Government Order dated 2nd August 1955, it has been stated that orders regarding rates of interest to be levied by the Board on the several agencies for amounts drawn by them, would be issued separately. The several agencies that are getting the benefit of assistance in the implementation of Housing Scheme are:

1. The Mysore State Co-operative Housing Corporation Ltd., and other House Building Societies.
2. Parties (individuals and others) taking loans or assistance directly from the Board.
3. Local Bodies.

The Chairman, Mysore Housing Board, has proposed a schedule of rates of interest chargeable by several agencies under the scheme as noted below:—

	Up to 10 years 1	11 to 14 years 2	15 to 19 years 3	20 to 30 years 4
	Per cent	Per cent	Per cent	Per cent
1 On the amounts treated as hire-purchase amounts or loans by the Housing Board in respect of individuals and others except the Mysore State Co-operative Housing Corporation	4½	4 5/8	4½	5
2 Loans to the State Co-operative Housing Corporation	4	4 1/8	4½	4½
3 Interest leviable by the State Co-operative Housing Corporation in respect of loans granted to individuals directly by the Corporation	4½	4 5/8	4½	5
4 Interest leviable by the State Co-operative Housing Corporation on Primary Co-operative Societies	4½	4 5/8	4½	5
5 Interest leviable by the Primary Co-operative Society on the individuals	5	5 1/8	5½	5½
6 (a) Interest leviable by the Housing Board on the Local Bodies in respect of loans advanced to them by the Housing Board	4½	4 5/8	4½	5
(b) Interest leviable by the Local Bodies on the individuals if the loan assistance drawn by them from the Board is for expenditure on Houses to be sold on hire-purchase/outright basis	5	5 1/8	5½	5½

He has also sought orders of Government whether the rate of interest to be charged by the Housing Corporation at the rates now fixed may be with retrospective effect, etc., having regard in view that it is not equitable to charge more than $\frac{1}{2}$ per cent which is the margin in respect of loans disbursed by the Corporation to the Primary Co-operative Societies who in turn charge $\frac{1}{2}$ per cent more.

The schedule of rates of interest proposed by the Chairman, Mysore Housing Board is approved. The above rates are made applicable with retrospective effect i.e., from the date of drawal of loans. Action may be taken to regularise the rates accordingly.

PREAMBLE—

The need for augmenting the staff with suitable readjustment in the Training Wing of the State Headquarters of the Office of the Commissioner of Labour and Director of National Employment Service was discussed with the Director General of Resettlement and Employment and Joint Secretary to the Government of India, Ministry of Labour and Employment, New Delhi, during his visit to Bangalore in October 1958 and the matter was further examined with reference to the increased activities of the Department. The Commissioner of Labour and Director of National Employment Services keeping in view this position and the urgent need for providing a more satisfactory arrangement for the successful implementation of the Schemes submitted proposals including *inter alia* the creation of a post of a wholetime Joint Director to be in direct charge of the Craftsmen Training Scheme and allied Schemes. These proposals were examined by the State Government and were forwarded to the Government of India for concurrence as they bear 60 per cent of the expenditure. They have since communicated their concurrence in their letter dated 22nd July 1959, read above.

**ORDER NO. LLH 223 ETC 58, DATED BANGALORE,
THE 19—20TH AUGUST 1959.**

The Craftsmen Training Schemes which are already sanctioned and now in force in the State and which are under the control of the Department of Labour have gained great importance and popularity. A number of Industrial Training Institutes/Centres have been established in various parts of the State. The proposals for increasing the seating capacities with additional facilities and making some of the Centres as full-fledged institutions are also under the active consideration of Government and will shortly be finalised. With a view to giving the necessary impetus and direction in the execution of the Schemes, it is considered necessary to have a high-power officer who is a Mechanical Engineer in direct charge of the Schemes and also to strengthen the Inspectorate in the Directorate of the National Employment Services in Mysore. In the circumstances, sanction is accorded to the creation of a post of Joint Director of Training in Mysore who will be in direct charge of the Craftsmen Training and allied Schemes in the State, with Headquarters at Bangalore. He will be under the general administrative control of the Commissioner of Labour and Director of National Employment

Service. The existing post of Deputy Director, Industrial Training, will be abolished from the date the present officer is relieved from the Department of Labour. Sanction is also accorded to the creation of two posts of Inspectors of Training and other ancillary staff as indicated in the appendices attached to this order.

2. The details of additional posts now sanctioned, their pay scales and allowances, the posts that are already sanctioned and continued are furnished in the Appendices I to V. The additional posts now sanctioned will be temporary and for the Plan period. The expenditure on this account during the current year should be debited to the grants provided under "57 Miscellaneous (J) Employment Exchanges and Resettlement (C) Schemes under the Second Five-Year Plan (ii) Craftsmen Training Schemes—IX Strengthening of the State Headquarters Staff including Inspectorate". The expenditure will, as usual, be shared between the Central and State Governments in the agreed ratio of 60 : 40, respectively.

3. Separate orders will issue posting an officer as Joint Director of Training.

4. The Director of Technical Education in Mysore, Bangalore, is requested to take action to arrange for the posting of Sri R. N. Nanjundappa, Deputy Director, Industrial Training, who is reverted to the Department of Technical Education with effect from the date of assumption of charge by the Joint Director of Training.

5. The Director of National Employment Service will send up necessary proposals to Government regarding the filling up of the posts of Inspectors of Training.

By Order and in the name of the Governor of Mysore,

I. S. SHAIKH,

*Under Secretary to Government,
Local Self-Government and
Public Health Department.*

Procedure for recovery and accounting of premia due to the Life Insurance Corporation of India.

OFFICIAL MEMORANDUM

No. FD 14 ACP 58, DATED BANGALORE, THE 21ST AUGUST 1959.
(SHRAVANA 30, SAKA ERA 1881).

The Life Insurance Corporation of India have brought to the notice of Government certain difficulties experienced and irregularities observed in the matter of accounting of premium recoveries from salaries of Government employees, in Treasuries and Drawing Offices (*vide* Annexure).

It is impressed on all Treasury Officers and Drawing Officers of Government that such irregularities should be avoided and delay in affording credit should be minimised. The following procedure should be followed by all Drawing Officers from 1st September 1959 :

(1) The Drawing Officers should maintain a register of policies held by their employees with (i) the Mysore Government Insurance Department—Public Branch, and (ii) the Life Insurance Corporation of India, and note therein every month the recovery made in respect of each of the policies. Separate columns may be provided for (i) and (ii).

(2) In the premium recovery statements attached to bills, correct policy numbers and premiums should be entered.

(3) Abstract Treasury Collection Statements should be sent promptly to the concerned Divisional Officers of the Life Insurance Corporation at Bangalore, Hyderabad and Udipi, as the case may be, along with the deduction statements by the Treasury Officers, in support of the R.T.Rs. or Cheques issued in favour of the Life Insurance Corporation.

(4) In Bank Treasuries, the concerned Banks will retain the deduction statements and send them to the Life Insurance Corporation of India in support of the bank credits.

(5) Separate statements should be prepared for the Mysore Government Insurance Department—Public Branch Policies and Life Insurance Corporation Policies in special forms prescribed for each of them and it should be ensured that these do not get mixed up. They should not also be mixed up with the Mysore Government—Official Branch Policies, accounted for in accordance with the Mysore Government Insurance Rules.

(6) Each policy held by an Official should be separately noted entering the corresponding premium recovery against that number in the deduction statement. On no account should premiums in respect of two or more policies be clubbed together and lumpsum entered in the statement.

(7) When a policy holder is transferred, the details of policy number and premium should be communicated to the Head of the Office to which he is transferred and the transfer should be advised to the concerned Divisional Officer of the Life Insurance Corporation.

(8) The references sent by the Life Insurance Corporation of India on the above subject should be promptly dealt with.

(9) The Inspecting Officers, should at the time of inspection of the Treasuries and departmental offices, see that the prescribed registers are maintained properly and all correspondence is answered promptly.

Attention is also invited to the O.M. No. 9983/B, dated 7th January 1957 and to Accountant-General's Circular No. TM/B/622, dated 6th November 1957 issuing instructions regarding recording of pay orders on bills presented at treasuries in respect of Life Insurance premia. (Copy annexed).

N. S. BHARATH,
Deputy Secretary to Government,
Finance Department (Budget).

ANNEXURE

1. Accounts are not being received every week as stipulated in the Government Order.
2. R.T.Rs. are not sent along with accounts. This is particularly so in respect of Ramanagaram and Anekal Treasuries.
3. R.T.R. advices are not being sent to the State Huzur Treasury by Treasuries. Hence R.T.Rs. are being returned to as in such cases involving correspondence with the Treasuries. The number of returned R.T.Rs. is about 50 to 60 per month.
4. Treasury schedules are not being correctly received by us. Total collections noted in schedules do not agree with individual entries with consequent delay in rectifying them.
5. Non-receipt of deduction statements along with accounts. When correspondence is made with the Treasuries, replies are either not at all received or delayed considerably. The Officer-in-charge, State Huzur Treasury, has been addressed in this behalf with no result.
6. The collections made at the Treasuries are not being promptly remitted to us. Some instances are given below :—
 - (a) in the case of Aland Sub-Treasury, we received accounts from August 1958 to June 1959 on 25th June 1959 along with an R.T.R.
 - (b) the Government Electric Factory has sent us the accounts for December 1958 to March 1959 but relative cheques have not been sent to us by the Officer-in-charge, S.H.T. Since the cheques have not been received, we cannot take the amount to the credit of the policy-holders and servicing is delayed.
7. The Treasury accounts are not being regularly received from North Kanara Treasuries (Haliyal, Kumta, Bhatkal and Honnavar, etc.). The detailed statement of recovery is sent by the Treasury very late and only after continued correspondence.
8. Treasuries very often do not detach the premium recovery statements from salary bills and they are sent away to the Accountant-General with salary bills for audit. It is filed there and it is an uphill task involving correspondence over a long time to get the recovery statement either from the Accountant-General or from the Drawing Officers.
9. Difficulties arising out of irregularities and incompleteness of statements prepared by Drawing Officers :—
 - (a) O.M. 9983/B, dated 7th January 1957, prescribes that premium deduction statements should be prepared separately for (i) policies of Official Branch, and (ii) Policies of Public Branch and Policies issued by Life Insurance Corporation and that every policy number held by the policy holder should be separately shown with corresponding premiums. These are observed more in the breach. In fact in most cases only one of the several numbers held by an official are mentioned and not all the numbers while a lumpsum recovery is shown representing total premiums recovered. Certain registers were prescribed for maintenance by each Drawing Officer wherein policy numbers held by each official was entered and monthly recoveries were required to be posted. If such registers are continued to be maintained omissions and errors can be avoided and subsequent verification will be easy.
 - (b) A large number of errors creep in at the level of the Drawing Officers, policy numbers are quoted wrongly. Even premium amounts are wrongly recovered. Proper care is not being taken in copying policy numbers and premium amounts and the cumulative effect of these errors as time passes results in considerable labour, time and trouble in adjusting recoveries to the proper policy accounts and in several cases protracted correspondence has to be undertaken to rectify errors.
 - (c) Very often the totals entered in the recovery statements and included in the Treasury Schedules do not tally with the amount to which the individual recoveries total up and this results in a large number of policy accounts being kept incomplete until these errors are set right after protracted correspondence.
 - (d) Transfers from one office to another are never advised to the Life Insurance Corporation and in view of the errors that creep into the statements, it is becoming very difficult to account and adjust a large part of the collections.
 - (e) All these result in the swelling of deposits and suspense items, which we find very difficult to reduce.

N. S. BHARATH,

Deputy Secretary to Government,
Finance Department (Budget).

Copy of letter No. TM/B/622, dated 6—11th November 1957, from the Accountant-General, Mysore, Bangalore, addressed to all the Deputy Commissioners, Treasury Department.

Subject.—Pay Orders on Bills by Treasuries—Deductions on account of Life Insurance Premia.

It is observed that while making pay orders on bills by Treasury Officers no uniform procedure is being followed in respect of deductions on account of Life Insurance premia to be recovered from Government servants.

In this connection a reference is invited to sub-paragraphs 2 (ii) and 2(iii) of Government of Mysore, Finance Department, Government Order No. 30 ACP 57, dated 20th April 1957. As laid down therein although deductions on account of premia need not appear in the body of the bill, to avoid unnecessary handling of cash, the Drawing Officers are required to make endorsements on pay bills themselves after receipting the contents as follows:—

“Pay Rs..... in cash.

Pay Rs..... to the Credit

of the Life Insurance Corporation of India” (Detailed Statement enclosed).”

Non-bank treasuries will adjust such amounts by transfer credit to the deposit account of the Corporation held in the name of the Treasury Officer and furnish a certificate of credit to the Drawing Officer.

At Bank Treasurer, except the State Huzur Treasury, such credits will be taken to the credit of the Corporation direct and a certificate of credit issued by the Bank. Such credits will not appear in the Treasury Accounts.

In regard to the State Huzur Treasury, however, the procedure of adjustment will be the same as that followed by non-Bank treasuries as the Reserve Bank of India does not keep an account of the Corporation.

In respect of premia relating to policies of the Official Branch of the State Government Insurance Department, the existing procedure of deduction from pay bills will continue without any change. The Treasury Officers shall see that credits in respect of premia on policies of the Official Branch of the State Government Insurance Department which will always be by adjustment in the Books of the Audit Office, are not mixed up with the premia collected on Public Branch Policies of the Life Insurance Corporation of India.

It will be seen from the above that the Treasury Officers are required to issue two pay orders—one for the net amount payable in cash to the Drawing Officer and the other for payment by transfer credit to the Life Insurance Corporation.

It is, therefore, requested that the District and Taluk Treasury Officers in your District may be instructed to follow the correct procedure outlined above in future, if they are not already following the same.

B. VENKATARAMAN,
Deputy Accountant-General.

T. K. RANGARAJA IYENGAR,
Under Secretary to Government,
Finance Department (Budget).

Continuance of the System of deductions from the pay bills of premia on the policies of the Life Insurance Corporation of India.

PREAMBLE—

The present sanction for permitting deductions from salary and establishments bills on account of the premia of the policies of the Life Insurance Corporation of India held by the employees of the Mysore State will expire on 31st August 1959. The question of continuing the present arrangement beyond that date was discussed at a meeting by the Finance Minister with the representative of the Life Insurance Corporation of India, the representative of the Mysore Government Life Insurance Department and that of the Bank of Mysore. It was decided that the existing procedure should be continued further.

ORDER No. FD 14 ACP 58, DATED BANGALORE, THE 21ST AUGUST 1959.
(SHRAVANA 30, SAKA ERA 1881).

Government direct that the present arrangement be continued till the end of March 1960. Separate instructions are being issued to the Treasury Officers and Heads of Departments pointing out the common irregularities that are being committed and steps to be taken to avoid such irregularities in future.

2. As already laid down in Government Order No. FD 14 ACP 58, dated 8th April 1959, cash payment of insurance premia in the Treasuries should be accepted only in respect of old Mysore Government Insurance Department policies (and not in respect of other policies of the Life Insurance Corporation of India).

By Order and in the name of the Governor of Mysore,

*Deputy Secretary to Government,
Finance Department (Budget).*

CHIEF SECRETARIAT

Re-organisation of the Efficiency Audit and Anti-Corruption Department, and Machinery to deal with the representations to Government.

ORDER No. GAD 43 BAC 59, DATED BANGALORE, THE 10TH AUGUST 1959
(SHRAVANA 19, SAKA ERA 1881).

At present, a large number of representations received by the Government from the public are referred to the officer concerned for enquiry and report. This procedure results in overcentralisation and clogs the whole Government machinery. Owing to the large number of these representations and the time taken for investigation, the disposal is not as speedy as would be desirable. In order to give quick relief to the aggrieved members of the public, a suitable machinery has to be devised for this purpose.

2. The representations which contain complaints regarding corruption are referred to the Special Officer, Efficiency Audit and Anti-Corruption, for investigation. Apart from this, the Efficiency Audit Department is also expected to inspect the subordinate offices of the various Departments and to suggest improvements in their method of working.

3. In order to speed up the work in connection with the investigation into the representations from the public and to ensure quick disposal of the allegations about corruption, the Government have decided to re-organise the Department of Efficiency Audit and Anti-Corruption with a decentralised divisional set-up.

4. Henceforth, the Special Officer, Efficiency Audit and Anti-Corruption, will be called the Director, Efficiency Audit and Anti-Corruption, and the department as the "Directorate of Efficiency Audit and Anti-Corruption".

5. At the State level, the Directorate of Efficiency Audit and Anti-Corruption will exclusively look after—

- (1) investigation into inefficiency and corruption charges against the Gazetted Officers; [It will also handle cases where Gazetted Officers and non-Gazetted officials are involved together], and
- (2) inspection of the offices of Heads of Departments (excluding the offices of the Deputy Commissioners of Districts).

6. At present, there is no machinery for the regular inspection of the offices of the Heads of Departments. The Director, Efficiency Audit and Anti-Corruption, will inspect the offices of the Heads of Departments in a cycle so as to inspect each office at least once in three years. The responsibility for the inspection of the subordinate offices of the various Departments can be properly left to the Heads of Departments themselves.

7. At the Divisional level, every Divisional Commissioner will be given a staff of one Assistant Commissioner and a Deputy Superintendent of Police, assisted by subordinate staff to deal with representations from the public and corruption charges against non-Gazetted officers.

8. The representations received from the public can be broadly divided into the following categories:—

- (a) Corruption charges containing specific allegations;
- (b) Corruption charges made in a vague and in a general manner, but with no specific instances;
- (c) Requests for relief at the hands of Government:
 - (i) where the appropriate Government officer has passed an order and the party is aggrieved;
 - (ii) where the appropriate Government official has not passed orders and the case is delayed;
 - (iii) where requests for facilities are made (e.g., demand to open a new School or a new Road, etc.).

9. The Assistant Commissioner, who will work directly under the Divisional Commissioner, will in respect of (a) above send the case to the Deputy Superintendent of Police for investigation if it relates to a non-Gazetted officer, and to the Director, Efficiency Audit and Anti-Corruption, if it relates to a Gazetted Officer; in respect of (b) merely file the communication, and in respect of (c) (i) advise the party to appeal to the proper authority (if the order is final, the order must stand and the party will be informed accordingly).

10. Where it is clear from the application or facts ascertained from the applicant that Government cannot grant any relief, e.g., civil disputes, or where Government has already passed final orders or no relief under the rules is permissible, the party will be informed accordingly.

11. In cases where the representation received shows that the individual is not getting relief from the Department concerned, the Assistant Commissioner will further investigate into the matter. It is an essential feature of this scheme that the Assistant Commissioner should meet the officers concerned and settle matters by personal discussion and not by writing notes or letters. The results of such discussions should be recorded by the Assistant Commissioner in writing. Where the Assistant Commissioner finds that he cannot make such progress, he will place the case before the Divisional Commissioner.

12. The Assistant Commissioner should also help persons who approach him and are suffering from a genuine grievance to approach the proper officer.

13. The remaining representations are those which contain requests for facilities. Directions for detailed investigation in such cases do not fit in with the 'Plan' and create a heavy load of work on Departments, particularly like the Public Works Department. The requests should be sent to the Heads of Departments for disposal and could also be processed in the District Development Committees or Block Committees. Only those Schemes which are likely to secure a high priority may be investigated in detail.

14. Government wishes to emphasise that the Assistant Commissioner at the Divisional level will be a Public Relations Officer and will do his utmost to expedite the disposal of delayed cases and redress the grievances from the members of the public. For this purpose, he can fruitfully utilise the monthly Co-ordination Committee meetings held by the Deputy Commissioners every month.

15. The Police staff at the Divisional level, though under the administrative control of the Divisional Commissioner, will, for purposes of technical control, work under the Superintendent of Police in the Directorate of Efficiency Audit and Anti-Corruption at the headquarters at Bangalore.

16. The staff as shown below is sanctioned for the Directorate of Efficiency Audit and Anti-Corruption, for a period of one year in the first instance:—

	State level	Divisional level	Total
(1) Director (Senior I.A.S. Scale) ...	1	...	1
(2) Deputy Director (Rs. 800-40-1,000-50-1,200) ...	1	...	1
(3) Superintendent of Police ...	1	...	1
(4) Deputy Superintendents of Police ...	2	4 (one for each Division)	6
(5) Inspectors (including 1 reserve) ...	8	4 (one for each Division)	12
(6) Sub-Inspectors (including 3 reserve) ...	10	19 (at the rate of one for each District).	29
(7) Head Constables (including 2 reserve) ...	15	23 (at the rate 1 for each Inspector and Sub-Inspector of Police).	38
(8) Constables (including 4 reserve) ...	25	27 (at the rate of one for each Dy. S. P., Inspector and Sub-Inspector).	52
(9) Assistant Commissioners ...	1	4 (one for each Division)	5
(10) Auditors ...	5	...	5
(11) Stenographers ...	4	4 (one for each Division)	8
(12) Managers ...	1	...	1
(13) I Division Clerks ...	5	4 (one for each Division)	9
(14) II Division Clerks ...	4	4 (one for each Division)	8
(15) II Grade Typists ...	3	...	3
(16) Attenders ...	2	...	2
(17) Dalayets ...	26	12 (three for each Division)	38

17. The staff mentioned above includes a Reserve at Headquarters under the Director, consisting of one Inspector, three Sub-Inspectors, two Head Constables and four Constables, for investigating into the complaints against the offices of the Heads of Departments.

18. Government are pleased to sanction two vans (jeep-station-wagons) for the Department, to assist in the investigation of corruption cases. One of the vans will be in replacement on the existing one, which should be disposed of in accordance with the existing rules.

19. If the officers of the Department of Efficiency Audit and Anti-Corruption have been appointed as Enquiry Officers in any departmental proceedings and the cases have come up to the stage of oral enquiry, they should be continued to be heard and completed by the officers concerned, unless orders to the contrary are communicated by Government.

20. This Order comes into force from the 1st of September 1959.

By Order and in the name of the Governor of Mysore,

K. M. MIRANI,

Deputy Secretary to Government,
General Administration Department
(O. & M. Sec.)

LOCAL SELF-GOVERNMENT AND PUBLIC HEALTH SECRETARIAT

Issues orders regarding Revision of Scales of pay and allowance to the teaching staff in Local Bodies.

READ—

1. Circular No. LLH 580 TML 57, dated 23rd April 1957 of the Secretary to Government, Local Self-Government and Public Health Department.

2. Government Order No. ED 507 PMS 57, dated 21st December 1957 of the Secretary to Government, Education Department.

ORDER No. LLH 72(1) CET 59, DATED BANGALORE,
THE 18TH JULY 1959.

The local bodies in the State were permitted to revise the scales of pay and dearness allowance of their employees in accordance with the terms and conditions laid down in the circular of the Local Self-Government and Public Health Department, and in the Government Order of the Education Department, read above, in so far as the teaching staff of the educational institutions under the management of the local bodies are concerned.

2. Although the revised scales of pay and dearness allowance of the teaching staff employed in the educational institutions (other than Headmasters of High Schools) have been sanctioned in most cases on the basis of the communications read above, some of the local bodies do not seem to have yet sanctioned revised scales for their teaching staff. It is, therefore, hereby clarified that the teaching staff (other than Headmasters of High Schools) employed in the schools managed by the local bodies may be given the scales prescribed for similar posts in Government Order No. Fl. (B) 14034-14133—BUD. 119-56-3, dated the 25th January 1957 of the Finance Department, or any lesser scales consistent with their financial resources and subject to the conditions laid down in the Government Order of the Education Department read above. As regards the scales of pay and dearness allowance of Headmasters of High Schools managed by local bodies, separate orders have already been issued by the Education Department.

By Order and in the name of the Governor of Mysore,

R. SRINIVASAN

Secretary to Government,
Local Self-Government and
Public Health Department.

HOME SECRETARIAT

Sanctions the Re-organisation of the Chitradurga District Police Force.

READ—

Letter No. HD 54 EST 57, dated 24th April 1957, from the Secretary to Government, Home Department, to the Inspector General of Police, Mysore State, calling for proposals for Re-organising the Police Department in order to secure all possible economy in expenditure.

Letter No. 160/RA/57 (Chitradurga), dated 2nd May 1958, from the Inspector General of Police, Mysore State, forwarding the Re-organisation proposals of the District Police in Chitradurga District.

ORDER No. HD 118 EHT 58, DATED BANGALORE, THE 6TH JULY 1959
(ASHADHA 15, SAKA ERA 1881).

The Inspector General of Police has sent proposals for re-distribution and re-organisation of the Police Force in Chitradurga District in pursuance of the instructions issued by Government.

In these proposals, he has adopted a definite basis keeping in view the local, economic and geographical conditions of the District, the incidence of crime and other special problems of the area and has fixed the strength of the Police Stations, Out-Posts, Armed Reserve Police, etc., on this basis. The existing and the proposed set up of the Police Force are set out in Appendices "A" and "B" respectively:—

The salient features of the proposals are:—

1. Creation of an additional Sub-Division and placing each Sub-Division in charge of a Deputy Superintendent of Police. The Deputy Superintendent of Police, Chitradurga Sub-Division will also function as Personal Assistant to the District Superintendent of Police. The distribution of the jurisdiction of the Sub-Divisions, Police Circles, etc., is shown in Appendix "C".

2. Creation of 5 new Police Stations in addition to the existing 19 Police Stations.

3. Creation of the following additional permanent posts:—

Deputy Superintendent of Police	...	1
Sub-Inspectors	...	6
Traffic Sergeant	...	1
Head Constables (Civil)	...	39

4. Abolition of 12 existing Out-posts.

5. Abolition of the posts of 5 Police Inspectors and 3 Jamedars.

6. Re-organisation of the District Special Branch with a staff of one Sub-Inspector and 4 Head Constables instead of the existing staff of one Sub-Inspector, two Daffedars and two Police Constables.

7. Re-organisation of the District Intelligence Bureau with a staff of 1 Sub-Inspector and 2 Head Constables instead of the existing staff of 1 Jamedar and 1 Head Constable.

8. Re-organisation of the Armed Police of the District into a District Armed Reserve consisting of 1 Headquarters Platoon and 1 Active Platoon in Chitradurga and 1 Headquarters Platoon and 1 Active Platoon at Davangere.

9. Formation of a Prohibition Intelligence Branch with a staff of 1 Sub-Inspector and 6 Head Constables for the detection of prohibition offences.

10. Provision of a vacancy reserve of 10 per cent in the strength of the Head Constables and Police Constables both in the Civil and the Armed Police.

11. Continuance of the existing temporary prohibition staff of 1 Sub-Inspector, 11 Daffedars and 62 Police Constables on a permanent basis and distributing this staff among the several Police Stations.

The proposals of the Inspector General of Police result in an extra cost of Rs. 83,475-48 nP. per annum.

After careful consideration Government are pleased to sanction the proposal of the Inspector General of Police.

In working out the net financial effect of the Re-organisation proposals, the revised pay scales have been taken into account for the surplus and additional posts required. Separate orders will issue regarding the continuance, rationalisation or otherwise of the allowance. The present re-organisation order fixes only the strength of the Police Personnel in each category as set out in Appendices "E" and "F". As regards the incumbents that occupy these posts their scales will depend on whether or not they opt to the new scales.

A staff of 5 Police Inspectors and 10 Dalayats is rendered surplus by the above re-organisation proposals. As some time lag is involved in the sanction of the re-organisation proposals of all the Districts, the incumbents of the surplus posts will continue as supernumeraries from the date of this order and should be absorbed within a period of one year by which time orders will have been issued on re-organisation of the entire Department. The Inspector General of Police is requested to send a statement of re-distribution of forces of the entire State for the information of Government when all the proposals are finalised and also the necessary proposition statements.

A notification indicating the changes in the existing jurisdictions of Stations and Out-Posts will be issued separately.

By Order and in the name of the Governor of Mysore,

K. NARAYANASWAMY,

Secretary to Government,
Home Department.
